Remembering The Goddess Remembering Myself An Encounter With Feminine Deity:

Remembering the Goddess, Remembering Myself Robb McDaniel, 2000-12-26 A man wearies of his search for God within the confines of traditions steeped in western culture His path crosses that of a friend who speaks of a creative and omnipotent Goddess the Nurturer Creator and Destroyer An inner arousal of recognition sets about an awakening within a timeless place inside him The man pursues this ancient memory of a nurturing Mother Goddess and finds that She has been awaiting his return to Her She wakes him each morning at dawn and opens his heart to the memory of their great original union He is compelled to write his love and adoration for Her in remembered prayers that have been too long forgotten Soon She directs him to begin recording their dialogues wherein She challenges the tenets of the Old and Dark Dream of fear by directing his mind to the memories of an earth not defined by borders governments and religious institutions Gently She leads him from the burdensome place of fear to the light and love found in Her heart the center of Her Womb the place of peace

Christian Goddess Spirituality Mary Ann Beavis,2015-10-08 This monograph focuses on Christian Goddess Spirituality CGS the phenomenon of mostly women who combine Christianity and Goddess Spirituality including Wicca Witchcraft Mary Ann Beavis s study provides ethnographic data and analysis on the lived religious experience of CGS practitioners drawing on interviews of over 100 women who self identify as combining Christianity and Goddess spirituality Although CGS also has

implications for Goddess Spirituality and related traditions e g Neopaganism Wicca here CGS is considered primarily as a phenomenon within Christianity However the study also shows that the fusion of Christian and Goddess spiritualities has had an impact on non Christian feminist spirituality since Goddess worshippers have often constructed Christianity as the diametrical opposite and enemy of the Goddess to the point that some refuse to admit the possibility that CGS is a valid spiritual path or that it is even possible In addition biblical Jewish and Christian images of the divine such as Sophia Shekhinah the Virgin Mary and even Mary Magdalene have found their way into the Pagan Goddess pantheon The main themes of the study include overlaps and differences between Christian feminist theology and CGS the routes to CGS for individual practitioners and their beliefs practices and experiences proto denominational classifications spiritual paths within CGS CGS theology Christian discourse about the female divine and the future of CGS in social scientific and ecclesiological context Christian Goddess Spirituality will be of interest to scholars of religion especially those with interests in women and religion feminist spiritualities feminist theology theology alternative spiritualities New Religious Movements and emergent Christianities
