Rendezvous With Reality:

Pat Schroeder Joan A. Lowy, 2003-10-30 This is the first biography of Pat Schroeder outspoken Colorado Democrat elected to Congress in 1972 beloved by the left and despised by the right **The Ethics of Rendezvous** Maija-Riitta Ollila, 1993 The Leader's Wife Debby Thompson, 2018-05-11 As a woman leading a life of influence you may find yourself without sufficient clarity or equipping for the challenges you face For many the role of wife of a leader is one thrust upon rather than chosen For others it is a responsibility embraced but no less complicated to navigate In either case as one sharing a journey with a world changer this book is for you Debby Thompson has spent decades listening to the voices of tried and tested women and her experiences have instilled a sense of urgency in her to pass on the insights she has gleaned Within The Leader's Wife she addresses some of the most difficult questions facing wives of leaders With vulnerability and candor Debby speaks from her own mistakes and discoveries The Leader's Wife offers not a job description but a GPS It is a blueprint without how to's and ought to's for igniting within you what the Creator has already designed The Biblical teaching personal stories and hard won lessons Debby communicates will guide and empower you to live with eternal intentionality

The Christian Advocate , 1928 *The Congregationalist* , 1925 *To Face Down Dixie* James O. Heath, 2017-12-14 In an era during which the United States Supreme Court handed down some of its most important decisions including Brown v Board of Education 1954 Baker v Carr 1962 and Miranda v Arizona 1966 three senators from South Carolina Olin Johnston Strom Thurmond and Ernest Fritz Hollings waged war on the court's progressive agenda by targeting the federal judicial nominations process To Face Down Dixie explores these senators role in some of the most contentious confirmation battles in recent history including those of Thurgood Marshall Abe Fortas and Clement Haynsworth In scrutinizing Supreme Court nominees and attempting to restrict the power of the nine justices of the court these senators defied not only the leadership of the Democratic Party but also the Senate traditions of hierarchy and seniority Along with South Carolina's conservative segregationist political establishment which maintained ironclad control over the state's legislature Johnston Thurmond and Hollings effectively drowned out the many moderate voices in South Carolina that remained critical of their obstructionism thus advancing their own conservative credentials and boosting their chances of reelection To Face Down Dixie examines for the first time the central role that South Carolina played in turning Supreme Court nomination hearings into confrontational and political public events James O Heath argues that the state's war on the court concealed its antipathy to civil rights by using the confirmation process to challenge the court's function as the final arbiter of policy on questions relating to law and order obscenity communist subversion and school prayer Heath's study illustrates that while South Carolina's history of massive resistance is less prominent than that of other states its politicians acted as persistent antagonists in the complex and dramatic debates in the U S Senate during the era of civil rights *Printers' Ink* , 1925 *The Journal of Home Economics* , 1923 **Life Goes On** , *Printers' Ink Monthly* , 1925 **Congressional Record** United States.
