

Russian Commands and German Resistance

The Soviet Occupation,
1945 - 1949

Edward N. Peterson

Author of The German Resistance to the Soviet Occupation

Russian Commands And German Resistance

Karl Thomson

Russian Commands And German Resistance:

Russian Commands and German Resistance Edward Norman Peterson,1999 The common assumption has been that Stalin established a totalitarian state in his zone and that the authoritarian Germans simply continued from one obedience to the other Scholarly analysis first possible with the coming down of the Wall begins with the Soviet Command in Berlin It then traces policy implementation in four German states and eight local communities The surprising conclusion is that the purposes of Stalin were confused that the Moscow policy was ambivalent and the assigned personnel insufficiently prepared and controlled The German response was a massive resistance whether out of a desire for freedom or for a higher standard of living or the inertia of continuing in their individualistic capitalist ways

The Politics of Religion in Soviet-occupied Germany Sean Philip Brennan,2011-01-01 This book analyzes the relationship between Soviet military authorities the East German Communists and the leadership of the Protestant and Catholic Churches in the Soviet zone of Germany especially its central province of Berlin Brandenburg It discusses how relations worsened between communist and church authorities as the Soviet zone was rebuilt as a German state on the Stalinist model from 1945 to 1949

The Soviet Occupation of Germany Filip Slaveski,2013-10-17 A major account of the Soviet occupation of postwar Germany and the beginning of the Cold War

Standing Fast: German Defensive Doctrine on the Russian Front During World War II — Prewar to March 1943 Major Timothy A. Wray,2015-11-06 Includes over 50 maps plans and illustrations In this Research Survey Major Timothy A Wray provides an excellent survey of the intricacies of employing defensive tactics against a powerful opponent Using after action reports unit war diaries and other primary materials Major Wray analyzes the doctrine and tactics that the Germans used on the Eastern Front during World War II At the end of World War I the Germans adopted the elastic defense in depth and continued to use it as their basic doctrine through the end of World War II However because of limitations caused by difficult terrain severe weather manpower and supply shortages Soviet tactics and Hitler s order to stand fast German commanders were unable to implement the Elastic Defense in its true form Even so innovative and resourceful unit commanders were able to adapt to the harsh realities of combat and improvise defensive methods that saved the German armies from complete annihilation U S Army unit commanders on the future battlefield while battling a motivated and aggressive force will also face hard battlefield conditions Therefore these commanders in applying the AirLand Battle tenets of initiative depth agility and synchronization will have to demonstrate the same type of innovativeness and resourcefulness as the Germans did in Russia To operate on the AirLand Battlefield U S soldiers must depend on sound doctrine and the ability to execute it intelligently All Army officers will benefit from Major Wray s new and vital assessment of how German doctrine was modified by the test of war

Russia at War, 1941-1945 Alexander Werth,2017-03-14 In 1941 Russian born British journalist Alexander Werth observed the unfolding of the Soviet German conflict with his own eyes What followed was the widely acclaimed book *Russia at War* first printed in 1964 At once a history of facts a collection of interviews and a

document of the human condition Russia at War is a stunning modern classic that chronicles the savagery and struggles on Russian soil during the most incredible military conflict in modern history As a behind the scenes eyewitness to the pivotal shattering events as they occurred Werth chronicles with vivid detail the hardships of everyday citizens massive military operations and the political movements toward diplomacy as the world tried to reckon with what they had created Despite its sheer historical scope Werth tells the story of a country at war in startlingly human terms drawing from his daily interviews and conversations with generals soldiers peasants and other working class civilians The result is a unique and expansive work with immeasurable breadth and depth built on lucid and engaging prose that captures every aspect of a terrible moment in human history Now newly updated with a foreword by Soviet historian Nicolas Werth the son of Alexander Werth this new edition of Russia at War continues to be indispensable World War II journalism and the definitive historical authority on the Soviet German war

After the Reich Giles MacDonogh, 2009-02-24 The shocking history of the brutal occupation of Germany after the Second World War When the Third Reich collapsed in 1945 Germany was a nation in tatters in many places literally flattened by bombs In the ensuing occupation hundreds of thousands of women were raped Hundreds of thousands of Germans and German speakers died in the course of brutal deportations from Eastern Europe By the end of the year denied access to any foreign aid Germany was literally starving to death An astonishing 2.5 million ordinary Germans were killed in the post Reich era A shocking account of a massive and brutal military occupation After the Reich draws on an array of contemporary first person accounts of the period to offer a bold reframing of the history of World War II and its aftermath

The Russian Air Force in the Eyes of German Commanders Generalleutnant Walter Schwabedissen, 2017-06-28 The Russian Air Force in the Eyes of German Commanders by Generalleutnant a D Walter Schwabedissen is one of a series of historical studies written by or based on information supplied by former key officers of the GAF for the United States Air Force Historical Division The overall purpose of the series is twofold 1 To provide the U S Air Force with a comprehensive and insofar as possible authoritative history of a major air force which suffered defeat in World War II a history prepared by many of the principal and responsible leaders of that air force 2 to provide a firsthand account of that air force's unique combat in a major war especially its fight against the forces of the Soviet Union This series of studies therefore covers in large part virtually all phases of the Luftwaffe's operations and organization from its camouflaged origin in the Reichswehr during the period of secret German rearmament following World War I through its participation in the Spanish Civil War and its massive operations and final defeat in World War II with particular attention to the air war on the Eastern Front In World War II the Russian Air Force came of age The men most vitally concerned with this aside from the Russians themselves were commanders in the German armed forces The experience of these commanders then constitutes a unique source for information on an organization whose capabilities both past and future are of vital concern to the world The chief German experience with the Russian Air Force derives from World War II It was during this

period that the Russians learned most from the Germans and the Germans learned most about the Russians This study exploits this broad German experience Compiled from the official records of the German Air Force and from reports written by German commanders who saw action in the Russian campaign it documents many of the Russian Air Force s achievements as well as its failures

Composing the Party Line David G. Tompkins,2013-10-15 This book examines the exercise of power in the Stalinist music world as well as the ways in which composers and ordinary people responded to it It presents a comparative inquiry into the relationship between music and politics in the German Democratic Republic and Poland from the aftermath of World War II through Stalin s death in 1953 concluding with the slow process of de Stalinization in the mid to late 1950s The author explores how the Communist parties in both countries expressed their attitudes to music of all kinds and how composers performers and audiences cooperated with resisted and negotiated these suggestions and demands Based on a deep analysis of the archival and contemporary published sources on state party and professional organizations concerned with musical life Tompkins argues that music as a significant part of cultural production in these countries played a key role in instituting and maintaining the regimes of East Central Europe As part of the Stalinist project to create and control a new socialist identity at the personal as well as collective level the ruling parties in East Germany and Poland sought to saturate public space through the production of music Politically effective ideas and symbols were introduced that furthered their attempts to in the parlance of the day engineer the human soul Music also helped the Communist parties establish legitimacy Extensive state support for musical life encouraged musical elites and audiences to accept the dominant position and political missions of these regimes Party leaders invested considerable resources in the attempt to create an authorized musical language that would secure and maintain hegemony over the cultural and wider social worlds The responses of composers and audiences ran the gamut from enthusiasm to suspicion but indifference was not an option

Military Review ,1942 **Professional Journal of the United States Army** ,1943 *World War II Sea War, Vol 10: Il Duce Deposed* Gordon Smith,Don Kindell,Donald A. Bertke,2016-12-25 Comprehensive list of day to day naval actions from July 1943 through September 1943 Major events include Allied invasions of Sicily and Italy plus continued action in the Solomon and New Guinea Islands and the US liberation of Kiska Island Bulletin of the Russian Information Bureau in the U.S. Russian Information Bureau,1920

Quarterly Review of Military Literature ,1950 **Voices of World War II** Priscilla Roberts,2012-08-22 Drawing together a wide variety of primary source documents from across the United States Europe and Asia this book illuminates the events and experiences of World War II the most devastating war in human history World War II was the most destructive and disruptive war ever a global conflict that in one way or another affected the lives of people across the planet Voices of World War II Contemporary Accounts of Daily Life coalesces a wide variety of primary source documents drawn from across the United States Europe and Asia Supplemented by interpretive material that enables readers to analyze them assess their impact and significance and place them in context to comparable situations today the

documents provide rare insights into World War II Expert commentaries and additional information on these texts enable a greater understanding of the background to these documents providing valuable training in learning to interpret assess and evaluate historical sources Intended primarily for upper level high school and undergraduate level history students general readers will also appreciate the variegated array of primary material from World War II which depicts numerous aspects of the conflict often in extremely personal terms

World War II Sea War, Vol 7: The Allies Strike Back Donald A Bertke, Gordon Smith, Don Kindell, 2014-12-15 From September through November 1942 the Allies defeated the Axis forces on all active fronts On land the British defeated Rommel in Operation SUPERCHARGE the US Marines defeated the Japanese on Guadalcanal and the Russians trapped the German Sixth Army at Stalingrad and disrupted the entire Axis southern front in Russia At sea the Royal Navy landed desperately needed supplies on Malta in Operations PEDESTAL and STONEAGE the USN defended the US Marines on Guadalcanal from a Japanese attack in the Battle of Cape Esperance the Allies landed troops at Morocco and Algeria in Operation TORCH USN cruisers sank a Japanese battleship in the 1st Battle of Savo Island the 2nd Battle of Savo Island was the only battleship to battleship engagement of the war in the Pacific the Battle of the North Atlantic increased in intensity and the Germans tried to capture the French Fleet at Toulon France in Operation ANTON only to arrive as the ships sank beneath the sea

The Story of the Great War Francis Joseph Reynolds, 1916

The Road To Berlin John Erickson, 2019-07-11 This book traces Russian campaigns from the counterattack at Stalingrad to the fall of Berlin and the capture of Prague It explores in detail Stalin's wartime relations with Roosevelt and Churchill and examines the evolution of his policies toward Poland and the Balkans

The Last Nazis Professor Perry Biddiscombe, 2004-06-30 The history of the shadowy Werewolf guerrilla bands formed at end of the Second World War as the last desperate defence of Nazis Founded by Heinrich Himmler in 1944 when it became clear Germany would be invaded the Werewolf guerrilla movement was given the task of slowing down the Allied advance to allow time for the success of negotiations or wonder weapons Staying behind in territory occupied by the Allies its mission was to carry out acts of sabotage arson and assassination both of enemy troops and of defeatist Germans Perry Biddiscombe has researched the movement exhaustively and details Werewolf operations against the British Russians and fellow Germans on the Eastern and Western Fronts and in the post war chaos of Berlin Giving the lie to the established story of a cowed German population meekly submitting to defeat this is a fascinating insight into what has been described as the death scream of the Nazi regime

The Military-naval Encyclopedia of Russia and the Soviet Union David R. Jones, 1978 A Russian in the American Army - WWII Karl Thomson, 2020-06-23 Read this fascinating novel about a Russian boy brought to the U S A as a ten year old Alexander Vetov born and educated in Russia then Holland and finally in New York City he came to love and embrace the U S as his home As soon as he could he joined the Mighty Fighting 4th U S infantry Alexander almost married in England before D Day He was still a teenager when he made sergeant As a sergeant he landed on Utah Beach on D day and continued

fighting across France rising steadily in rank he led his men until the war's end Alex did get into big trouble at times for bypassing the chain of command when he studied the battlefields and instinctively acted Understanding the enemy he did not always wait for orders from above and made daring advances against German troops But more and more throughout the war and beyond Alex proved himself to be one of the smartest and most thorough fighters and intelligence figures among U S specialists This is a big book but worth the time to read
