Elliott Butler, 2003 This volume focuses on the most essential foundation laws for the foreign investor and student of foreign economic relations Translated from the Russian by Professor Butler it covers legislation relating to insurance insolvency companies and partnerships state and municipal enterprises noncommercial organizations civil rights and foreign investment Each law is prefaced by a detailed table of contents and all translations are made from the official Russian texts incorporating all amendments changes and additions and including where applicable relevant decrees of the Constitutional Court of the Russian Federation Russian Company and Commercial Legislation will be published alongside Civil Code of the Russian Federation 0199261539 and the second edition of Professor Butler's acclaimed text on Russian Law 0199254001

Russian Business Law, 2009 *Russia Business Law Handbook Volume 1 Strategic Information and Basic Laws* IBP USA, **The Corporation Under Russian Law, 1800-1917** Thomas C. Owen, 2002-07-25 The story of the uneasy accommodation between tsarist autocracy and the modern corporation **Russian Commercial Law** Hiroshi Oda, 2007-09-30 This is a new and substantially expanded edition of the author's Russian Commercial Law 2001 which has become the standard resource in this area **The Foundations of Russian Law** Marianna Muravyeva, 2023-04-06 This accessible text explains how Russian law works in all its principal areas It elucidates the main concepts and frameworks behind Russian law and uses original legal sources and case law to explain how it operates in practice The contributors all of whom are leading experts on Russian law employ original research to further knowledge of the Russian legal profession legal culture judiciary and court systems providing a scholarly and practical account of Russian law for students and scholars alike It is essential reading for anyone seeking a deeper understanding of the subject **ACCA - F4 Corporate & Business Law (Russia) (for the December 2017 and June 2018 exams)** Becker Professional Education, 2017-08-01 Becker's F4 Corporate Business Law Russia Revision Essentials Handbook is an A5 size Handbook designed as a quick glance revision tool It includes ACCA syllabus aim and main capabilities core topics checklist summary of essential facts and theory further reading relevant articles comprehensive analysis of past examinations examiners feedback for the last exams session and exam techniques Judicial Law-Making in Post-Soviet Russia Alexander Vereshchagin, 2007-06-11 A novel and incisive investigation of the role of judicial precedents and customs in Russian law this book examines the trends in the development of judge made law in Russian civil law since the demise of the Soviet Union Exploring the interrelated propositions that a certain creative element is intrinsic to the judicial function in modern legal systems which are normally shaped by both legislators and judges and that the Russian legal system is not an exception to this rule the author argues that the rejection or acceptance of judge made law can no longer be sufficient grounds for distinguishing between common law and civil law systems for the purposes of comparative analysis Divided into six chapters it covers the principles applied by judges when interpreting legal acts analyzing a number of academic writings on this subject the boundaries of the realm of judge made law and the problem of hard cases and the factors which make them hard a taxonomy of forms in which Russian courts

effectuate their law creation functions current policies of courts in legal and socio political matters joint stock societies and arbitrazh courts Estimating the degree of creativity within different branches of the Russian judiciary and explaining the difference in the approaches of various courts as well as setting out proposals as to how the discrepancies in judicial practice can be avoided Judicial Law Making in Post Soviet Russia is invaluable reading for all students of international law comparative law legal skills method and systems and jurisprudence and philosophy of law International Handbook of Cooperative Law Dante Cracogna, Antonio Fici, Hagen Henry, 2013-12-12 The degree of development reached by cooperatives of different sectors throughout the world which among others led to the UN declaring 2012 as the International Year of Cooperatives needs to be accompanied by a similar development of corresponding legislation To this end a better knowledge of cooperative law from the comparative point of view as has already been established for other types of enterprises becomes of great importance This book strives to fill this gap and is divided into four parts The first part offers an analytic and conceptual framework with which to understand study and assess cooperative law from a transnational and comparative perspective The second part includes several chapters dealing with attempts to harmonize cooperative laws The third part contains an overview of more than 30 national cooperative laws while the last part summarizes and compares these national cooperative laws thus laying the foundation for a comparative cooperative law doctrine Russian Company Law Russia (Federation), 2000 **International Business Law and the Legal Environment** Larry A. DiMatteo, 2016-11-25 International Business Law and the Legal Environment provides business students with a strong understanding of the legal principles that govern doing business internationally Not merely about compliance this book emphasizes how to use the law to create value and competitive advantage DiMatteo's transactional approach walks students through key business transactions from import and export contracts and finance to countertrade dispute resolution licensing and more giving them both context and demonstrating real world application This new edition also includes New material on comparative contract and sales law joint ventures and collaborative alliances A new part on foreign direct investment that includes a chapter on emerging markets New chapters on privacy law and on environmental concerns Greater coverage of the World Trade Organization Case highlights and court opinions that feature edited court transcripts which expose students to actual legal reasoning and an understanding of the underlying legal principles These decisions are drawn from a broad range of countries offering a truly international look at the subject Students of business law and international business courses will find DiMatteo's clear writing style easy to follow A companion web site includes an instructor's manual PowerPoints and other tools to provide additional support for students and instructors The Investment Environment in the Russian Federation Laws, Policies and Institutions OECD, 2001-05-04 This publication provides a timely analysis of the evolving environment for foreign investment in the Russian Federation and draws attention to problem areas affecting the investment climate such as inadequate protection of investors contractual and property rights The State and Big Business in Russia Tina

Jennings,2021-12-28 This book presents a study of the complex relationship between the Russian state and big business during Vladimir Putin's first two presidential terms 2000-2008. Based on extensive original research, it focuses on the interaction of Russia's political executive with the oligarchs. It shows how Putin's crackdown on this elite group led big business to accept new rules of the game and how this was accompanied by the involvement of big business in policy formulation, particularly through the organisational vehicle of the Russian Union of Industrialists and Entrepreneurs (RSPP). It goes on to discuss why Yukos and its CEO Mikhail Khodorkovsky were targeted by Russia's political authorities and the resultant consequences, namely the end of the relatively successful framework via which state-business relations had been managed and its replacement by fear and mutual distrust, along with a vastly expanded role for the state and state-related actors in the Russian corporate sector. The book explores all these developments in detail and sets them against the context of continued trends towards greater authoritarianism in Russia. *Corporate and Unitary Legal Entities in Russia* Florian Heindler,2018-04-19 Derived from the renowned multi-volume International Encyclopaedia of Laws, this practical analysis of the law of business formations in Russia provides quick and easy guidance on a variety of corporate and partnership considerations, such as mergers, rights and duties of interested parties, stock exchange rules, labour laws and takeovers. Lawyers who handle transnational business will appreciate the explanation of local variations in terminology and the distinctive concepts that determine practice and procedure. A general introduction covering historical background, definitions, sources of law and the effect of international private law is followed by a discussion of such aspects as types of formation, capital, shares, management, control, liquidation, mergers, takeovers, holding companies, subsidiaries and taxation. Big companies, various types of smaller entities and partnerships are all covered in turn. These details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance. Thorough yet practical, this convenient volume puts the information necessary for corporations to compete effectively at the user's fingertips. An important and practical tool for business executives and their legal counsel interested in engaging in an international partnership or embarking on corporate expansion, this book will prove a valuable time-saving tool for business and legal professionals alike. Lawyers representing parties with interests in Russia will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative business law. **Reception of the 'Limited liability company (GmbH)'** Martin Löhnig,Anna Moszyńska,2023-12-04 The limited liability company GmbH was created by the German legislature in 1892 as a company form without any historical forerunners or suggestions from comparative law. It brought about a readjustment of the relationship between the chance of profit and the liability risk. However, criticism from the jurisprudence that had not been included in the quick legislative process was also heard from the start. As early as 1892, Levin Goldschmidt expressed concern that the GmbH would replace principally more solid forms of company. However, this criticism did not prevent the company form of the GmbH from being adopted in numerous European

countries or at least seriously considering its reception
