Russian Nonconformity:

Russian Nonconformity Serge Bolshakoff, 1950 The present study of Russian Nonconformity aims to give to the English speaking reader an adequate and documented survey of Russian Nonconformity with its struggles for religious freedom and social justice in Russia The Nonconformists are those who refuse to conform to the State prescribed pattern of religion and they are by definition champions of religious freedom Provided by author Russians in the Former Soviet Republics Pål Kolstø, 1995 The break up of the Soviet Union in 1989 left 25 million Russians living in the near abroad outside the borders of Russia proper They have become the subjects of independent nation states where the majority population is ethnically linguistically and often denominationally different The creation of this new Russian diaspora may well be the most significant minority problem created by the dissolution of the Soviet Union Paul Kolstoe traces the growth and role of the Russian population in non Russian areas of the Russian empire and then in the non Russian Soviet republics In the post Soviet period special attention is devoted to the situation of Russians in the Baltic countries Moldova Belarus Ukraine and the former Central Asian and Caucasian republics A chapter written jointly by Paul Kolstoe and Andrei Edemsky of the Institute of Slavonic and Balkan Studies Russian Academy of Sciences delineates present Russian policy toward the diaspora Finally Kolstoe suggests strategies for averting the repetition of the Yugoslav scenario on post Soviet soil **Women and the Messianic Heresy of Sabbatai Zevi, 1666 - 1816** Ada Rapoport-Albert, 2015-12-03 A timely and fascinating study of an early modern movement that transcended traditional Jewish gender paradigms and allowed women to express their spirituality freely in the public arena Russian nonconformity Sergej Bol'sakov, 1950 **Commerce in Russian Urban Culture, 1861-1914** William Craft Brumfield, B. Randall, 2008-12-05 This book presents six ground breaking Master s degree dissertations that have been done in the area of Baptist and Anabaptist Studies through the International Baptist Theological Seminary IBTS Prague The focus is continental Europe with a particular emphasis on eastern Europe The material is largely culled from primary sources The topics covered include the Theology of Baptist Believers in Bulgaria 1920 1939 the Pentecostal Dilemma in the Finnish Baptist Union 1930 1953 Moldovan Baptists 1940 1965 the State and the Baptist Churches in the USSR 1960 1980 Baptist Mission Efforts in Bosnia Herzegovina and the Life and Convictions of Hans Meier 1902 1992 Most of these topics have never been covered in English before In the case of the studies of former Communist countries this kind of research has only been possible in the last decade *And God Created Lenin* Paul Gabel, 2010-10-04 This book examines in depth the conflict between Lenin s logic driven efforts to stamp out religion and the churches passionate attempts to save themselves from obliteration It looks at both sides objectively and admits that they both presented strong cases In this thoroughly researched yet accessible study historian Paul Gabel offers a new understanding of the only effort in world history to upset the universality of religion Besides the main conflict between the Russian Orthodox Church and the atheist state Gabel also considers the tensions that this campaign against religion caused within the Communist Party In addition he discusses the bitter hatred dividing the Orthodox factions that refused cooperation with the government from those that tried to adapt the church to communism Was the failure of Soviet communism to eradicate religion simply a matter of practical miscalculation or was this effort in light of the persistence of religion throughout history ultimately unrealistic and doomed from the start This is the key question that Gabel s fascinating insightful narrative attempts to answer Leo Tolstoy and the Canadian Doukhobors

Andrew Donskov, 2019-11-19 This book is published in English Following the completion of his major novels War and Peace and Anna Karenina Russian writer Leo Tolstoy experienced a spiritual crisis that led him to denounce the privileges of his social class and its attendant material wealth and embrace the simple rural life of the peasantry In the persecuted Russian Doukhor sect who also rejected militarism and church ritual in favour of finding God in their hearts he saw a prime example of how it was possible to live his new found pacifist ideals in everyday life He was so taken with their lifestyle calling the Doukhobors people of the 25th century that in 1898 he decided to help finance their mass emigration to Canada away from the persecutions of the Russian church and state Donskov s expanded study presents an outline of Doukhor history and beliefs their harmony with Tolstoy s lifelong aim of unity of people and the portrayal of Doukhobors in Tolstoy s writings This edition features Tolstoy s complete correspondence with Doukhor leader Petr Vasil evich Verigin Three guest essays

The Development of Russian Evangelical Spirituality Gregory L. Nichols, 2011-11-09 Today many evangelicals in the Russian speaking world emphasize sanctification as a distinctive mark of their Christian faith This is a unique characteristic particularly in the European context Their historic tapestry has been woven from a number of threads that originated in the second half of the nineteenth century Missionary efforts of the German Baptists a revival sparked by a British evangelist and a pietistic awakening among the Mennonites in the South converged to form a tapestry that displays Protestant Baptist and Anabaptist heritage Ivan Kargel uniquely participated in the formation and ministry of each of these threads His life spans from Tsarist Russia to the Soviet Union Kargel refused to adhere to a systematic view of theology Instead he urged believers to go to Scripture and draw from the riches of a life united with Christ Kargel's influence today is keenly felt across the Russian speaking evangelical world as they seek to identify the roots of their spiritual identity This book examines the influences on Ivan Kargel and offers insights into how his life and work are expressed in the tapestry of Russian evangelical spirituality

Wardin, 2013-10-28 How indigenous was the Evangelical Free Church movement in Tsarist Russia Was it simply a foreign import To what extent did it threaten the political stability of the nation and encroach upon the existing Russian and German churches On the Edge examines the efforts of the regimes to suppress the movement and how the movement not only survived but also expanded To what extent did the movement bring upon itself unnecessary opposition because of aggressiveness and tactics Albert Wardin describes the contributions the movement made to the religious life of Russia and examines its numerical success

Eastern Orthodox Mission Theology Today James J. Stamoolis, 2001-11-02 The purpose of the ASM Series is to publish without regard for disciplinary national or denominational boundaries scholarly works of high quality and wide interest on missiological themes from the entire spectrum of scholarly pursuits e.g. theology history anthropology sociology linguistics health education art political science economics and development to articulate but a partial list Always the focus will be on Christian mission By mission in this context is meant a cross cultural passage over the boundary between faith in Jesus Christ and its absence In this understanding of mission the basic functions of Christian proclamation dialogue witness service fellowship worship and nurture are of special concern How does the transition from one cultural context to another influence the shape and interaction of these dynamic functions Missiologists know that they need the other disciplines And other disciplines we dare to suggest need missiology perhaps more than they sometimes realize Neither the insider's nor the outsider's view is complete in itself The world Christian mission has through two millennia amassed a rich and well documented body of

experience to share with other disciplines Interaction will be the hallmark of this Series It desires to be a channel for talking to one another instead of about one another Secular scholars and church related missiologists have too long engaged in a sterile venting of feelings about one another often lacking in full evidence Ignorance of and indifference to one another s work has been no less harmful to good scholarship The promotion of scholarly dialogue among missiologists may at times involve the publication of views and positions that other missiologists cannot accept and with which members of the Editorial Committee do not agree The manuscripts published reflect the opinions of their authors and are not meant to represent the position of the American Society of Missiology or the Editorial Committee of the ASM Series We express our warm thanks to various mission agencies whose financial contributions enabled leaders of vision in the ASM to launch this new venture The future of the ASM series will we feel sure fully justify their confidence and support William J Danker Chairperson ASM Series Editorial Committee

Proselytization Revisited Rosalind I. J. Hackett,2014-12-05 The act of converting people to certain beliefs or values is highly controversial in today s postcolonial multicultural world Proselytization has been viewed by some as an aggressive act of political domination Proselytization Revisited offers a comprehensive overview of the many arguments for and against proselytization in different regions and contexts Proselytization is examined in the context of rights talk globalisation and culture wars The volume brings together essays demonstrating the global significance of proselytization ranging from Christians in India to Turkish Islamic Movements and the Wiccan use of modern media technologies The cross cultural and multidisciplinary nature of this collection of essays provides a fresh perspective and the book will be of value to readers interested in the dynamic interaction of beliefs ideas and cultures I Am with You Always Benedict

Groschel,2010-01-01 Though the devotional life is sometimes brushed off as unimportant in comparison to a theological understanding of Christ Groeschel warns that such dismissal threatens to make distant unknown and obscure the Savior who said I am with you always Instead the answer is to draw near to Jesus in devotion and with authentic expressions of that devotion which themselves help paint the image of Christ found concretely in revelation onto the minds and into the daily life of the devout

The Course of Russian History, 5th Edition Melvin C. Wren,Taylor Stults,2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents

students with a comprehensive look at the momentous events and legendary figures which helped shape Russia's turbulent history

Highlanders Yo'av Karny, 2000 The story of the region told by an intrepid journalist Many dire predictions followed the collapse of the Soviet Union but nowhere have they materialized as dramatically as in the Caucasus insurrection civil wars ethnic conflicts economic disintegration and up to two million refugees Moreover in the 1990s Russia twice went to war in the Caucasus and suffered a humiliating defeat at the hands of a nation so tiny that it could fit into a single district of Moscow What is it about the Caucasus that makes the region so restless so unpredictable so imbued with heroism but also with fanaticism and pain In *Highlanders* Yo'av Karny offers a better understanding of a region described as a museum of civilizations where breathtaking landscapes join with an astounding human diversity Karny has spent many months among members of some of the smallest ethnic groups on earth all of them living in the grim shadow of an unhappy empire But his book is a journey not only to a geographic region but also to darker sides of the human soul where courage vies with senseless vindictiveness where honor and duty require people to share the present with long dead ancestors some real some imaginary and where an ancient way of life is drawing to an end under the combined weight of modernity and intolerance
