that she has not opened up about before She talks about her breast implants and cosmetic surgery her bout with breast cancer her fidelity to her husband Furthermore she offers her thoughts on parents adultery office politics exercise food marriage affection the list goes on Never one to be shy or mince words Brown doesn't leave any words unwritten and the contents of her book shocked flabbergasted amazed irritated amused gossip columnist Liz Smith who has seen almost everything Larry King Frank McCourt Joan Rivers Diane Sawyer and Dominick Dunne have also praised the book and toasted Brown for leading such a courageous and vibrant life

**Not Pretty Enough** Gerri Hirshey, 2016-07-12 In Not Pretty Enough Gerri Hirshey reconstructs the life of Helen Gurley Brown the trailblazing editor of Cosmopolitan whose daring career both recorded and led to a shift in the sexual and cultural politics of her time When Helen Gurley Brown's Sex and the Single Girl first appeared in 1962 it whistled into buttoned down America like a bombshell Brown declared that it was okay even imperative for unmarried women to have and enjoy a sex life and that equal rights for women should extend to the bedroom and the workplace How dare you thundered newspapers radio hosts and mostly male citizens But more than two million women bought the book and hailed her as a heroine Brown was also pilloried as a scarlet woman and a traitor to the women's movement when she took over the failing Hearst magazine Cosmopolitan and turned it into a fizzy pink guidebook for do me feminism As the first magazine geared to the rising wave of single working women it sold wildly Today more than 68 million young women worldwide are still reading some form of Helen Gurley Brown's audacious yet comforting brand of self help HGB wasn't the ideal poster girl for secondwave feminism but she certainly started the conversation Brown campaigned for

women's reproductive freedom and advocated skill and brazenry both on the job and in the boudoir along with serial plastic surgery When she died in 2012 her front page obituary in the New York Times noted that though she succumbed at ninety parts of her were considerably younger Her life story is astonishing from her roots in the Ozark Mountains of Arkansas to her single girl decade as a Mad Men era copywriter in Los Angeles which informed her first bestseller to her years at the helm of Cosmopolitan Helen Gurley Brown told her own story many times but coyly with plenty of camouflage Here for the first time is the unvarnished and decoded truth about how she did it from her comet like career to bagging her husband of half a century the movie producer David Brown Full of firsthand accounts of HGB from many of her closest friends and rediscovered little known interviews with the woman herself Gerri Hirshey's Not Pretty Enough is a vital biography that shines new light on the life of one of the most vibrant vexing and indelible women of the twentieth century **Playbill** ,2000
