## **Ryder Cup:**

*Miracle at Medinah: Europe's Amazing Ryder Cup Comeback* Oliver Holt, 2012-11-22 Golf fans will not forget the 39th Ryder Cup in a hurry Staged at the Medinah Country Club just outside of Chicago the 2012 event has already gone down as the most remarkable competition in its 85 year history The American team had home advantage and a golf course unapologetically set up to suit its own players Supported by tens of thousands of loud and proud fans the USA's star studded line up dominated the first two days and ended the Saturday with a seemingly unassailable 10-6 advantage No away team had ever won the Ryder Cup from such an unpromising position Sunday was singles day traditionally the forte of American teams The situation looked bleak especially when European team member and number 1 golfer in the world Rory McIlroy very nearly missed his tee off time Yet slowly but surely the European team who had top loaded their line up in one last throw of the dice started to turn the scoreboard blue With inspirational captain Jose Maria Olazabal stirring European blood with thoughts of the late Ryder Cup magician Seve Ballesteros whose silhouette was emblazoned on the players sweaters and bags the tide turned and the previously dominant American players started to crumble in the face of the onslaught Suddenly European players were holing miraculous putts to win holes out of the blue Something very special was happening When German Martin Kaymer sank his putt on the eighteenth green to clinch the point that retained the Ryder Cup the most astonishing comeback in the event's long and distinguished history was complete *Miracle at Medinah* is the compelling narrative of those amazing three days in Illinois a fitting chronicle of an unbelievable sporting story

*Ryder Cup Rivals* Hank Gola, 2025-07-15 Veteran journalist and author Hank Gola takes readers on a tour of the most consequential clashes in the history of the biennial matches Since the first meeting between the United States and Great Britain in 1927 the Ryder Cup has become the most passionate of golf's professional events with the combatants playing for country rather than themselves Gola brings readers inside the ropes and behind the scenes from the most memorable shots to the most momentous putts to the craftiest machinations and most contentious confrontations He recalls iconic moments and figures including Walter Hagen and his gamesmanship Dai Reese and Britain's 1957 upset Jack Nicklaus Tony Jacklin and The Concession Seve Ballesteros and the arrival of the Europeans Bernhard Langer's agony at the War at the Shore and Paul Azinger's stunning captaincy at Valhalla

**The Ryder Cup** Bruce Critchley, Henry Lord, Peter Pugh, 2010-09 For those old enough to remember the Ryder Cups before the 1980s were often dispiriting affairs especially if you were British The Americans were simply too good and the British won only very occasionally At the end of the 1970s the great American golfer Jack Nicklaus suggested that the British invite golfers from Europe to join their team Seve Ballesteros from Spain and Bernhard Langer from Germany were just coming to the peak of their careers and it was an inspired suggestion that fortunately the British accepted The contest became more even and the Europeans began to win as often as the Americans Indeed since 1981 Europe has won ten of the sixteen contests There have been many close and exciting contests with huge

dramas developing on the last day Standing out are the matches at Brookline in 1999 when the Americans overturned a deficit of 10 6 going into the final day Celtic Manor in 2010 when the Americans nearly but not quite overturned a substantial European lead and finally at Medinah in 2012 when the Americans were cruising comfortably to victory on Saturday afternoon with a 10 4 lead only for the Europeans to fight back first by winning the last two fourballs on the Saturday and then winning 81 2 points out of 12 in the singles on Sunday The Ryder Cup captures all the glory of golf s greatest match

having superior individual talent The European renaissance began in the 1980s led by the brilliant Tony Jacklin and Seve Ballesteros and since then the U S has suffered a slew of embarrassing defeats abroad and at home The signs in 2021 weren't good Tiger Woods was out after his horrific car crash Patrick Reed Captain America to his supporters was hospitalized with double pneumonia weeks before the event and America had to rely on its rising stars including Bryson DeChambeau and Brooks Koepka who spent most of the year immersed in an escalating feud to prove their mettle Meanwhile the European team had a few major stars of its own like Jon Rahm the world no 1 and the first Spanish player ever to win the U S Open and Rory McIlroy the four time major winner Throw in the complications of a global pandemic and the stage was set for one of the strangest Ryder Cups ever Following the drama in Wisconsin while deconstructing the rich history of the tournament The Cup They Couldn't Lose tells the story of how the U S defeated Europe in record fashion restored their status as golf's global superpower and transformed their entire way of thinking in order to truly understand the nature of the Ryder Cup The Sports Librarian's Best of 2022 Sports Books

**The Ryder Cup** Dale Concannon, 2004-08 The biennial Ryder Cup golf contest between the US and Europe is one of the biggest and often most controversial sporting events in the world Last time round at the Belfry in 2002 the British pulverised the Americans after the 1999 debacle at Brookline when the stampeding American team prematurely celebrated victory before the last match was over For golfers like Colin Montgomerie their heroic and brilliantly consistent performances under pressure in the Ryder Cup rank as comparable achievements to the winning of a major title Dale Concannon's book is the most readable account of this historic contest from its sedate beginnings in the 1920s match by match all the way to its present day hysteria and nailbiting finishes

**The Cup** Philip Reid, 2006-11-01 The Cup How the 2006 Ryder Cup was Won is the definitive account of Europe's triumphant victory in the 2006 Ryder Cup from the pen of Ireland's leading golf journalist Irish Times Golf Correspondent Philip Reid has written the most incisive chronicle of the competition drawing on his access to the European and American teams their caddies the officials the fans and pundits from the world of professional golf Reid goes behind the scenes to reveal the real story behind the 2006 Cup He exposes the personal and political dramas that unfolded behind the scenes with as much tension and excitement as we witnessed on the greens of the K Club in Kildare He takes us onto the fairways exposing the teams tactics and back into the clubhouse where the players wrestled with personal conflicts and tragedies The Cup is packed with fascinating anecdotes about the personal tragedies those pictures a shooting incident and Tommy the Barber's brush with Boris Becker Unlike the plethora of similarly themed books published shortly before the competition The Cup offers the serious golf enthusiast an authoritative and substantial analysis of the 2006 Ryder Cup
