Official Gazette of the United States Patent and Trademark Office ,1997 **Why Do They Hide The Ufos From You?** Carlos Mancini,2016-07-31 Learn how the dispute for power and money might be behind the systematic concealment of cases involving UFOs Hiding from the public every occurrence involving UFOs has been a constant practice adopted by authorities all over the world through the last decades The outcome of this strategy is that many people do not even believe in their existence What could be the difference of perspective that makes some of the most powerful men in the planet consider this subject as one of the most important which would justify to bury the cases in secret files whereas the majority of people see it as a nonsense or a joking This book intends to offer its readers a new perspective and a more objective look into these cases The same look and the same seriousness with which some of the most powerful people in the world see them

Windows Developer's Journal ,1997-07 *The "Nonsense" Papers* James W. Astrada,2013-10 In the first volume of his Nonsense Papers series James W Astrada explored the controversial discussion of extraterrestrial influence on the human species and planet Earth Now on the precipice of the Digital Age humanity is evolving at an astonishing rate but are we evolving quickly enough to be entrusted with our advances As we face the estimate that the human population may swell to ten billion by 2050 we must demand debate on how this finite planet can handle humanity s uncontrolled growth This second installment of Astrada s series continues to focus on humanity s perilous journey to connect with the power cosmic and abandon our primitive and ignorant beliefs of the paranormal and the mystic It also looks at the origins of humanity Darwinism geo engineering the dangers inherent as humans try to control the weather and more The race is on for the individual to ascend this reality we live in to finally reconnect with the galactic families of sentient beings that await us if we try to master our humanity and all of its obstacles Are we the greatest threat to our own existence Are we ready for contact from another world
