*Walking Life's Road* Ken Bradford, 2014-09-25 Our spiritual life can be as unique as our fingerprints It is a mistake to judge another person s path against your own In order for us to become what we want to be we must learn to accept ourselves at the very place in life where we are right now We must learn to anchor ourselves in the present We must be fully aware of each moment in each day and understand how it affects us Just as the Serenity Prayer says God grant me the Serenity to accept the things I cannot change the Courage to change the things I can and the Wisdom to know the difference The best way to cement your self esteem is to reach out and help others It helps you feel connected and makes your own problems and concerns less overwhelming Learn to laugh at yourself and don t make everyone around you have to walk on eggshells You must learn to create a safe non judgmental space for your friends and family around you Don t spend so much time worrying about things that have happened and dreading something unforeseen in your future Everything is okay at this moment so enjoy it because it s yours
