Schmidt - Theyer Walther Killy,Rudolf Vierhaus,2011-11-30 The Dictionary of German National Biography is unique complete and comprehensive with biographies of 60 000 people from the German speaking world It covers not only individuals from Germany but also from Austria Switzerland and other countries where German is or used to be spoken Coverage stretches all the way from the time of Charlemagne to the present day and includes lesser known as well as world famous Germans In order to ensure that entries were as objective as possible only individuals whose life and works have come to an end were included      **Dictionary of German Biography (DGB). Volume 8, Plett-Schmidseder** Walther Killy,Rudolf Vierhaus,2011-11-30 No detailed description available for Plett Schmidseder      **Johannes Klenkok** Christopher Ocker,1993 An account of the life and circumstances of a little known Augustinian friar with an interesting career Johannes Klenkok Author Christopher Ocker attempts to reconstruct his biography more accurately than has been achieved up to now but in so doing he considers as much as possible the organizations and habits that Klenkok shared with those among his contemporaries of a similar station in life namely mendicant friars The sources led Ocker to pay particular attention to the character of education within the mendicant orders and to Klenkok s campaign against the Sachsenspiegel the first written code of traditional German laws      **Thibaut - Zycha** Walther Killy,Rudolf Vierhaus,2011-11-30 No detailed description available for Thibaut Zycha      **Biographical Index of the Middle Ages** ,2011-03-01 The index to the Biographical Archive of the Middle Ages makes accessible about 130 000 biographical articles from nearly 200 volumes The entries contain short biographical information on approx 95 000 persons from Europe and the Middle East who shaped the cultural development and the religious life during one thousand years      Early Modern Religious Communities in East-Central Europe István Keul,2009 Conceived as another chapter in the European history of religions Europ ische Religionsgeschichte this book deals with the intense dynamics of the overlapping political ethnic and denominational constellations in Reformation and post Reformation Transylvania Navigating along multiple narrative tracks and attempting to treat the religious history of an entire region over a limited time period in a differentiated polyfocal way the book represents a departure from the master narratives of any singularly oriented religious history At the same time the present work seeks to contribute to laying the groundwork at the micro and meso contextual level of East Central European confessionalization processes and to developing interpretive models for these processes in the region      *The East-West Discourse* Alexander Maxwell,2011 This volume examines East West rhetoric in several different historical contexts seeking to problematise its implicit assumptions and analyse its consequences      *Host Bibliographic Record for Boundwith Item Barcode 30112088763310 and Others* ,1888      **Anna of Saxony** Ingrun Mann,2017-01-23 Since her early youth at the glittering court of Dresden Anna had been known as a difficult child and troublemaker Servants complained about her violent outbursts while courtiers bemoaned her general disregard for aristocratic female etiquette Upon reaching her teenage years

the princess guardians decided that Saxony's enfant terrible should leave home as quickly as possible by marrying a foreign suitor in a preferably far away land Enter William of Orange handsome charming and heir to one of the Netherlands largest estates The fact that he was also a profligate partier and lover of women was conveniently overlooked Anna immediately fell for the Dutch bon vivant despite warnings from a few well meaning relatives For one William was a Catholic while Anna adhered to the Protestant teachings of Martin Luther critical voices cautioned correctly predicting future trouble for the princess in the Catholic Netherlands Furthermore the prince's liege lord the fanatical Philip II of Spain very much disapproved of a match between his premier vassal and a Lutheran heretic There was also the issue of plain Anna's growing obsession with the roguish William an obsession that was not reciprocated In the end the impetuous princess threw caution to the wind No other than William would do for a husband she insisted while publicly announcing that every vein in my body heartily loves him
