

SACRED GEOGRAPHY

*A Tale of Murder and Archeology
in the Holy Land*

"Edward Fox's eye-opening book is as good as a detective novel, as interesting to an archeologist as to a political scientist; it is also a fable of the risks assumed by those who proceed from a love of truth."—Gay Davenport, *Harper's Magazine*

Sacred Geography A Tale Of Murder And Archeology In The Holy Land:

Sacred Geography Edward Fox, 2014-02-04 A compelling true murder mystery that unfolds in the astonishing world of Biblical archeology a field rife with skullduggery and intrigue Biblical archeology has for centuries been subject to the manipulations of adventurers generals and statesmen all seeking to further their own aims Now more than ever digging into the land of the Bible is a weapon as two rival nations seek to prove their claims to its treasures The most recent casualty in this bloody tug of war is Albert Glock a prominent American archeologist shot dead in the West Bank in 1992 who devoted his life to helping Palestinian archeologists find evidence of their historic roots Edward Fox investigates the puzzle of Glock s murder and its background in the explosive cultural politics of archeology in the Holy Land Fox reveals the strange sub discipline of biblical archeology a field rich in obscure mystics greedy opportunists and religious charlatans He pursues the various suspects in Glock s death Islamic zealots Jewish extremists and rival archeologists only to find himself caught in an expanding labyrinth of deceit A lively history and a riveting mystery *Sacred Geography* is also the tragic story of a man who devoted himself to a cause that ultimately destroyed him

Scriptural Geography Edwin James Aiken, 2009-11-30 For nineteenth century scholars the Holy Land was not just a region of the globe it was an idea an intellectual and moral space charged with the heat of debate between those trying to understand the religious social and scientific upheavals of the time Edwin Aiken explores the various ways in which geographical knowledge was used in these debates In particular he shows how religious writers called upon geographical knowledge to the benefit of their readers The result is an original and stimulating work of scholarship that demonstrates the significance of the geography of the Holy Land in Western thought and argument and makes important contributions to the history of geography the nature of Orientalism and to the evolving relationship between religion and science

American Biblical Archaeology and Zionism Brooke Knorr, 2022-12-30 This book examines the relationship between several of the most prominent American biblical archaeologists and Zionism While these scholars have been studied and historicized to some extent little work has been done to understand their role in the history of the Palestinian Israeli conflict Two defining differences in the archaeologists arguments were their understanding of culture and their views on objectivity versus relativism Brooke Sherrard Knorr argues that relativist archaeologists envisioned the ancient world as replete with cultural change and opposed the establishment of a Jewish state while those who believed in scholarly objectivity both envisioned the ancient world s ethnic boundaries as rigid and favored Zionism Combining readings of the archaeologists writings with archival research this book studies the views of William Foxwell Albright Millar Burrows Nelson Glueck George Ernest Wright Paul Lapp and William G Dever regarding the establishment of an ethno national state in Palestine in detail The volume culminates with an epilogue commenting on the relevance of this topic in the present regarding the political ramifications of archaeology in the Israeli Palestinian conflict *American Biblical Archaeology and Zionism* is of interest to students and scholars of Biblical and Near Eastern archaeology American religious

history and the Israeli Palestinian conflict particularly its role in regional archaeology Jerusalem Testament Melanie May, 2010-02-22 This book bears powerful witness to the gospel of Jesus Christ and to the faith and hope of Palestinian Christians living in the Occupied Territories Melanie May introduces and presents the remarkable public statements made by the Jerusalem Heads of Churches over the course of two decades from 1988 to 2008 Through Jerusalem Testament the voices of Palestinian pastors speak out on behalf of their own people calling Christians worldwide to a new covenant with their brothers and sisters in and around Jerusalem Book Jacket **Near Eastern Archaeology**, 2002 Piety, Politics, and Power David D. Grafton, 2009-03-16 From the time of Martin Luther's writing of *On War Against the Turk* in 1529 to American Lutheran military chaplains serving in the U S led invasion of Iraq in 2003 Lutheranism has had a symbiotic relationship with Islam in the Middle East framed across cultural and religious borders There have been those who have crossed these borders to engage in mission and dialogue In *Piety Politics and Power* David Grafton examines the origins of the American Lutheran missionary movement in the Middle East with a focus on its encounter with Muslims and the varied Lutheran theological responses toward Islam The narrative is placed within historical contexts to provide an overarching background of Middle Eastern history and Christian Muslim Relations The survey covers Lutheran missionary communities in Persia Iraq Egypt Lebanon and Jerusalem and the West Bank including the work of the Lutherans working for the American Board of Commissioners for Foreign Missions the Anglican Church Missionary Society the Lutheran Orient Mission the Lutheran Church Missouri Synod and the Evangelical Lutheran Church in America Whether enthusiastic Pietists seeking the conversion of Muslims and Jews cautious theologians in dialogue with Islam Judaism or Oriental Orthodoxy or social activists working on behalf of refugees in Egypt and the West Bank Grafton argues that these Christian missionaries were all enmeshed in the politics of the communities in which they lived and either contributed to or suffered from the realities of Middle Eastern and international politics Given the current reality of Pax Americana in the Middle East the author asks the driving question about the role of American Lutheran missions and Lutheran Middle Eastern Muslim dialogue in the age of American power in the Middle East **Journal of Palestine Studies**, 2002 **Encyclopedia of the Palestinians** Philip Mattar, 2005 Presents the history of modern Palestine and biographies of important Palestinians **The Publishers Weekly**, 2001 Index to Jewish Periodicals, 2003 An author and subject index to selected American Anglo Jewish journals of general and scholarly interests **Biography**, 2002 *Library Journal*, 2001 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately Cassette Books Library of Congress. National Library Service for the Blind and Physically Handicapped, 2005 **Current Contents. Arts & Humanities** Institute for Scientific Information, 2001 Talking Book Topics, 2005 Includes audio versions and annual title author index Book Review Digest, 2002 **Alternative Press Index**, 2002 **Subject Guide to Books in Print**, 1971 **The New Leader**, 2000 *The New York Times Index*, 2001
