## Sacred Scripture:

**A General Introduction to the Sacred Scriptures** Joseph Dixon, 1853      Sacred Scripture Richard N. Soulen, 2009-01-01 How did the Bible's sixty-six books become sacred Scripture? How have they been understood and interpreted over the last two thousand years? What was it that led to our acceptance of the Bible as the true word of God? For two millennia Christians have accepted the importance of the Bible as sacred Scripture and for as many years they have struggled to comprehend its meaning. Over the centuries the church has expressed the centrality of Scripture in numerous ways and Christians have studied and interpreted the Bible in a wide variety of faithful approaches. Understanding that process is critical to our ability and our willingness to accept the Bible as sacred and true. To that end Richard Soulen leads us through the history of how Christian understandings of the Bible have changed and developed throughout history.      A General Introduction to the Sacred Scriptures Joseph Dixon, 1853      *A General Introduction to the Sacred Scriptures* Joseph Dixon (abp of Armagh), 1853      The Doctrine of Sacred Scripture George Trumbull Ladd, 1883      Mysticism and Sacred Scripture Steven T. Katz, 2000 This will be the fourth in an influential series of volumes on mysticism edited by Steven T. Katz presenting a basic revaluation of the nature of mysticism. Each presents a collection of solicited papers by noted experts in the study of religion. This new volume will explore how the great mystics and mystical traditions use, interpret and reconstruct the sacred scriptures of their traditions.      *A Monastic Introduction to Sacred Scripture* Thomas Merton, 2020-08-27 Among the numerous sets of conferences that Thomas Merton presented to young prospective monks during his decade 1955-1965 as novice master at the Cistercian Abbey of Gethsemani is a wide-ranging introduction to biblical studies made available for the first time in the present volume. Drawing on church tradition, teaching of recent papal documents and scholarly resources of the time he reveals the central importance of the Scriptures for the spiritual growth of his listeners. The extensive introduction situates material of these conferences in the context of Merton's evolving engagement with the Bible from his own days as a student monk through the mature reflections from his final years on the biblical renewal in the wake of the Second Vatican Council. For Merton at the heart of any meaningful reading of the Scriptures not only for monks but for all Christians is the invitation to respond not just intellectually but with the whole self to recognize the gospel as good news as a saving, liberating, consoling, challenging word reflecting his fundamental belief that the Holy Spirit enlightens us in our reading to see how our own lives are part of these great mysteries: how we are one with Jesus in them.      *Reading Sacred Scripture* Stephen Westerholm, Martin Westerholm, 2016 A rich display of the Christian tradition's reading of Scripture. Though well known and oft repeated, the advice to read the Bible like any other book fails to acknowledge that different books call for different kinds of reading. The voice of Scripture summons readers to hear and respond to its words as divine address. Not everyone chooses to read the Bible on those terms but in *Reading Sacred Scripture* Stephen and Martin Westerholm, father and son, invite their readers to engage seriously with a dozen major Bible

interpreters ranging from the second century to the twentieth who have been attentive to Scripture's voice After expertly setting forth pertinent background context in two initial chapters the Westerholms devote a separate chapter to each interpreter exploring how these key Christian thinkers each understood Scripture and how it should be read Though differing widely in their approaches to the text and its interpretation these twelve select interpreters all insisted that the Bible is like no other book and should be read accordingly

**The Bible Hand-book** Joseph Angus, 1873 **The Inspiration and Truth of Sacred Scripture**, 2014 Formally approved by Pope Francis this present work is the contribution of the Pontifical Biblical Commission toward a more adequate understanding of the concepts of inspiration and truth that respects both the nature of the Bible and its significance for the life of the Church Drawing on a close reading of the Scriptures themselves the document focuses on three main aspects 1 The inspiration of Sacred Scripture and the exploration of its divine provenance 2 The truth of the Word of God emphasizing the message about God and his project of salvation 3 Challenges that arise from the Bible itself on account of certain aspects that seem inconsistent with its quality of being the Word of God
