**Sacred Bliss** Mark S. Ferrara, 2016-10-20 One of the most important relationships that human beings have with plants is changing our consciousness. Consider the plants that give us coffee, tea, chocolate, and nicotine. Sacred Bliss challenges traditional attitudes about cannabis by tracing its essential role in the spiritual and curative traditions in Asia, the Middle East, Africa, Europe, and the Americas from prehistory to the present day. In highlighting the continued use of cannabis around the globe, Sacred Bliss offers compelling evidence of cannabis as an entheogen used for thousands of years to evoke peak experiences or moments of expanded perception or spiritual awareness. Today, the growing utilization of medical cannabis to alleviate the pain and symptoms of physical illness raises the possibility of using cannabis to treat the mind along with the body. By engaging sacred and secular texts from around the world, Sacred Bliss demonstrates that throughout religious history, cannabis has offered access to increased imagination and creativity, heightened perspective and insight, and deeper levels of thought.

*Tantric Sex - Energy Pathways To Absolute Bliss And Ecstasy* Francisco Bujan, 2012-03-15 This book covers dozens of key techniques to practice tantric sex in your life. Tantric sex is a powerful way to use your sexual energy and connect with your lover. We live in a world in which sex is often so taboo that the fears, guilts, and anxieties related with the sexual act totally overshadow what sex can actually be. I spent a good 25 years of my life exploring this mystery and discovering wonders in my own body. I sometimes spent months in intense tantric sexual practices with or without a partner, and what I unveiled blew me away. I experienced freeing energy explosions in my heart chakra, powerful energies in my third eye and crown area. In fact, I often entered bliss states that lasted for hours or even days. I am a pro life coach with 10 years of solid experience transmitting these techniques to couples and individuals within the safety of coaching sessions. I know now that tantric sex can be your path to incredible expansions of consciousness and unlimited bliss. You can trigger powerful states of emotional freedom and connect with your lover in ways you could not have dreamt of. The thing to understand is that these are not just some vague ideas. They are a solid path of energy that can sponsor and guide you to sexual bliss. In this material, I give you techniques, core values, and approaches to make this an unforgettable experience. I know that armed with the right tools, this inner
