STAND of the WOLVES CJ Candel,2012-07-30 A rare divine intervention occurs that enables the spirits of wolves that were killed 100 years ago to manifest themselves in a wooden structure that was made by a shepherd the man responsible for their deaths back in the early 1900 s This wooden structure is amongst the items belonging to this shepherd that were kept in his shed after he d been dead for many years The property is being sold so the contents of what is left in this shed after being vandalized is sorted and the trash is hauled off to the city dump On the way there the stand is intercepted by the niece of this shepherd who claims it only because it has sentimental value She is unaware that the spirits of 31 wolves inhabit this stand that have cleverly chosen her as their medium at a time when their own species is endangered by extinction despite the laws that were established to protect them They are back 100 years into the future to assure their survival and proclaim their rights to live They make themselves visible to her which totally consumes her every day life in order to make a stand She seeks the guidance of a tribal medicine man his image visible with the steam of her shower in her vanity mirror that leads her to him The Spirit wolves are only here to save their species from extinction when the wolf population is down to only a few known survivors in the year 1998 She meets the man in the mirror who is a tribal medicine man who knows all about her and her obligations to save the wolves Together they summon the spirit wolves and send them back to where they came This story is sure to captivate audiences with it s abundance of human emotion and supernatural activity that sets off any imagination with the possibility of it s true existence in our world today and based on a true story Their message is a warning to mankind that time is of the essence Our last chance to unite as one working together to protect all wild creatures of the earth and the correlation between preserving their existence and saving our own planet from permanent destruction The year is 2012 and time is of the essence According to the calculations of the Mayan Calender the end is near **Knights: The Heart of Shadows** Robert E. Keller,2014-08-21 An ancient evil haunts the land and old enemies have returned to kill Lannon Sunshield and destroy Dremlock Kingdom The long winter is coming to an end but the icy bitter touch of the Deep Shadow has grown even colder With a prolific assassin on the loose no one can be trusted Meanwhile the shadow of an expanding kingdom at last reaches Silverland promising war Series keywords epic fantasy

sword and sorcery magic quest swords dragons fantasy series monsters young adult children s wizards heroic fantasy coming of age fantasy teen s action adventure **The Wolf-Leader** Alexandre Dumas,2022-11-07 May 31st 1856 2 The Wolf Leader is to be associated in conception with the group of romances which Dumas wrote at Brussels between the years 1852 and 1854 that is to say after his financial failure and the consequent defection of his collaborator Maquet and before his return to Paris to found his journal *Le Mousquetaire* Like *Conscience* *Vincent* and *Catherine Blum* which date from that period of exile the present story was inspired by reminiscences of our author's native place Villers Cotterets in the department of the Aisne In *The Wolf Leader* Dumas however allows his imagination and fancy full play Using a legend told to him nearly half a century before conjuring up the scenes of his boyhood and calling into requisition his wonderful gift of improvisation he contrives in the happiest way to weave a romance in which are combined a weird tale of diablerie and continual delightful glimpses of forest life Terror wood craft and humour could not be more felicitously intermingled The reader while kept under the spell of the main theme of the story experiences all the charm of an open air life in the great forest of Villers Cotterets the forest in which the little town seemed to occupy a small clearing and into which the boy Alexandre occasionally escaped for days together from the irksome routine of the school or from the hands of relatives who wanted to make a priest of him Thus Dumas the most impressionable of men all his life remained grateful to the forest for the poetic fancies derived from its beauty and the mysteries of its recesses as well as for the hiding places it afforded him and for the game and birds which he soon learnt to shoot and snare there Listen to his indignation at the destruction of the trees in the neighbouring park
