Plays: 1 Willy Russell, 2013-12-17 Breezblock Park is set on a northern council estate and takes a look at the suffocating effect of possessions and possessiveness Trenchantly observed hilarious upsetting and somewhat seditious Variety Our Day Out is about a school coach trip an exuberant celebration of the joys and agonies of growing up a Dickensian fairytale I have rarely seen a show that combined such warmth and such bleakness The Times Stags and Hens takes place in the gents and Ladies loos of a tacky Liverpool club where Dave and Linda have decided unbeknownst to each other to hold their stag and hen parties a bleakly funny and perceptive study of working class misogyny puritanism and waste Guardian Educating Rita one way of describing Educating Rita would be to say that it was about the meaning of education another would be to say that it was about the meaning of life A third that it is a cross between Pygmalion and Lucky Jim A fourth that it is simply a marvellous play painfully funny and passionately serious a hilarious social documentary a fairy tale with a quizzical half happy ending Sunday Times **The Sad Comedy of El dar Riazanov** David MacFadyen, 2003 Russia's funniest and most

popular films are the work of El dar Riazanov a director whose light lyrical tales of love lost and found have garnered audiences of over one hundred million Although Western scholars have largely ignored Riazanov's oeuvre in favour of more serious filmmakers no director in Russia has been so loved by both the public openly and politicians covertly His early comedies mapped the relations between society and socialism allowing him to create a radically apolitical art of kindness and kindred spirits David MacFadyen investigates what made Riazanov's films so wildly popular and what if any relationship that popularity had to Soviet policy Using the works of Deleuze Lacan and Kristeva MacFadyen looks at how Riazanov's films relate to society audience demand and Soviet politics In more than twenty love stories that have precious little to do with statecraft Soviet or otherwise Riazanov captures the willful inclusiveness of socialist culture The WrathBliss Rambles -
