Saint Martha The Dragon:

Fabulous Creatures, Mythical Monsters, and Animal Power Symbols Cassandra Eason, 2007-12-30 Eason provides an extensive overview of the mythology legends and folklore surrounding fabulous and strange fantasy creatures from different lands and ages from Chinese dragons and the Native North American thunderbird to the demon hounds of Celtic and Norse legend She describes how in various ages and cultures people have identified with the idealized qualities of wise creatures as a source of power and better understanding of their own personalities and used the behavior of birds and other sacred creatures to gain oracular information in Ancient Egypt and the Classical and Celtic worlds This book offers both traditional and little known folklore and legend about familiar real life creatures such as the horse the cat and the raven and delves into the weird and wonderful world of saints who claimed to change into deer and modern cryptozoological monsters such as Bigfoot Mothman and lake and sea monsters as well as the rationale behind animal or headed deities of the Aztecs Egyptians and Celts in whose name people went to war **Pentecostalism in Urban Oaxaca** Michelle Ramirez, 2024-05 An ethnography focusing on a Pentecostal church community and their pursuit of healing marriages and prosperity Pentecostalism in Urban Oaxaca is a timely feminist ethnography set in a Pentecostal church community in Oaxaca de Juarez Based on extensive fieldwork Michelle Ramirez skillfully melds medical anthropology with cultural analysis to reveal the Pentecostal movement s dynamics in the contexts of faith healing marital relations and economic prosperity Ramirez takes stock of the problematic ways that Pentecostalism has played out for Mexican women today but also reminds readers of some of its successes Within the context of Mexican patriarchy some women parishioners in abusive relationships see the church as a way to improve their lot Pentecostalism seeks to rupture with Mexico s colonial heritage and Ramirez provides novel ways for the reader to consider how Pentecostalism can provide healing for even the endlessness of addiction One case study portrays a former abusive alcoholic womanizer who underwent a spiritual transformation as a result of his conversion Through this example and more Ramirez examines the complex relationship between gender modernity and Indigeneity in the context of marriage The book also addresses the MeToo movement as encountered in the Pentecostal church Finally Ramirez investigates how Pentecostalism addresses the curses of illness and poverty highlighting the paradoxical relationship between faith healing and curanderismo The gospel of economic prosperity holds promise for a better life breaking free from the disease of poverty To this end Ramirez profiles some parishioners involvement with Omnilife a multilevel marketing company selling vitamins and natural health products that propounds ideals similar to those of Pentecostal Christianity **The Solace of Fierce Landscapes** Belden C. Lane, 2007-02-26 In the tradition of Kathleen Norris Terry Tempest Williams and Thomas Merton The Solace of Fierce Landscapes explores the impulse that has drawn seekers into the wilderness for centuries and offers eloquent testimony to the healing power of mountain silence and desert indifference Interweaving a memoir of his mother s long struggle with Alzheimer s and cancer meditations on his own

wilderness experience and illuminating commentary on the Christian via negativa a mystical tradition that seeks God in the silence beyond language Lane rejects the easy affirmations of pop spirituality for the harsher but more profound truths that wilderness can teach us There is an unaccountable solace that fierce landscapes offer to the soul They heal as well as mirror the brokenness we find within It is this apparent paradox that lies at the heart of this remarkable book that inhuman landscapes should be the source of spiritual comfort Lane shows that the very indifference of the wilderness can release us from the demands of the endlessly anxious ego teach us to ignore the inessential in our own lives and enable us to transcend the false self that is ever obsessed with managing impressions Drawing upon the wisdom of St John of the Cross Meister Eckhardt Simone Weil Edward Abbey and many other Christian and non Christian writers Lane also demonstrates how those of us cut off from the wilderness might make some desert in our lives Written with vivid intelligence narrative ease and a gracefulness that is itself a comfort *The Solace of Fierce Landscapes* gives us not only a description but a performance of an ancient and increasingly relevant spiritual tradition
