Haus, 1993-01-01 **Sauerkraut & Enterprise 2nd Revised Edition** Edna Staebler, 1982 **Must Write** Christl
Verduyn, Edna Staebler, 2009-08-03 Long before she became the renowned author of the best selling Schmecks cookbooks an
award winning journalist for magazines such as Macleans and a creative non fiction mentor Edna Staebler was a writer of a
different sort Staebler began serious diary writing at the age of sixteen and continued to write for over eighty years Must
Write Edna Staebler s Diaries draws from these diaries selections that map Staebler s construction of herself as a writer and
documents her frustrations and struggles along with her desire to express herself in writing She felt she must write that not
to write was a denial of life while at the same time she doubted the value of her scribbings Spanning much of the twentieth
century each decade is introduced by an overview of key events in the author s life during that period the diaries vividly
illuminate both her intensely personal experiences and her broader social world The volume also presents four key examples
of Staebler s public writing her first published magazine article her first award winning publication the opening chapter of
her book Cape Breton Harbour and her lively account of the Great Cookie War Must Write Edna Staebler s Diaries portrays
an ordinary woman s struggle to write in the context of her lived experience All my life I have talked about writing and kept
scribbling in my notebook as if that makes me a writer wrote Staebler in 1986 This volume argues that the very act of writing
the diaries with all their contradictory accounts of writerly ambition success and conflict made Staebler the writer she
yearned to be To Experience Wonder Veronica Ross, 2003-10 Edna Staebler author of the Schmecks cookbooks was 60
