Second Chance Mom:

Second-Chance Mother Denise Roessle, 2011-11-15 When Denise Roessle became a mother at 45 her long held dream came true She felt as if she were 19 again the age at which she got pregnant out of wedlock and relinquished her newborn son for adoption Suddenly he was back this stranger she had given birth to and he wasn t just searching for his roots Joshua was looking for a mom Eager to embrace the second chance she had been granted Denise leapt wholeheartedly into the role It s a BIG boy she announced to her family and friends setting free her twenty six year secret But Joshua was not a boy He was a grown man with a history that fell far short of what she had envisioned for him when she d been assured he would be better off without her His adoptive parents had essentially given up on him at age thirteen sending him away with only an eighth grade education He drifted through a series of institutions and group homes and ultimately onto the New York City streets where he fell into drugs and crime When an early marriage failed he and his young wife surrendered an infant and toddler to adoption By the time Denise and her son reunited he was in his second marriage to a teenaged runaway who was six months pregnant with their first child Despite her disappointment and his obvious problems Denise was determined to restore their severed bond and give him the unconditional love that had been lacking in her own childhood At the same time she struggled with her parents adverse reaction to her reunion and their refusal to acknowledge their grandson s existence The shameful event that they had worked so vigorously to bury was back to haunt them They could not accept their daughter s happiness at having found her lost child Still reeling in the overwhelming mix of joy and grief gratitude and guilt triggered by reunion with her son Denise received a letter from an aunt she never knew existed Aunt Mabel revealed some startling information about Denise's mother who had claimed to be an only child raised by a kindly couple after both her parents passed away In truth she was one of nine siblings tossed to the winds by their mother after the death of their father in 1929 As she got to know her new found aunts uncles and cousins Denise became obsessed with understanding how her grandmother could desert her children and how her mother who so clearly bore the scars of abandonment could then force her own daughter to give up a child A year into their reunion after Josh s wife left him with their ten month old daughter the rage that he had initially denied surfaced Denise went from feeling like a new mom to the frustrated parent of an out of control teenager In the face of his angry outbursts and threats to cut her off she remained intent on fixing him believing that in time she could heal his wounds Once more she put her own pain aside and stood by him as he married twice more and fathered another child Only when Josh and Denise reached an impasse in year five did she recognize how emotionally shutdown she had been since relinquishing her son and how she had let her fear of losing him again hold her hostage In the silence of their estrangement she began the hard work that ultimately allowed her to resolve her own issues reclaim the young woman she had left behind after surrendering what turned out to be her only child and make peace with the past She found acceptance and forgiveness for her mother her son and ultimately herself **Second Chance Mom** Mary Kate
