Second Coming Of Jesus:

Christ's Second Coming David Brown,1868 The Second Coming of Christ D. L. Moody,Harriet Beecher Stowe,J. C. Ryle,George Muller,D. W. White,G. C. Needham,Charles H. Spurgeon,2019-08-18 This book was originally published in 1896 It has eight chapters each one written by a well known minister of the era except the last chapter written by an unknown with the initials J W Written for the layman not the scholar each chapter is in one way or another about the return of Christ It is a very good book for anyone seeking to learn the basics of the second coming of Christ called eschatology Even though I have written four books on Bible prophecy I plan to read this book and add it to my library Michael D Fortner publisher

AUTHORS of the chapters 1 Harriet Beecher Stowe 2 D L Moody 3 J C Ryle 4 George Muller 5 D W White 6 G C Needham 7 Charles H Spurgeon 8 J W **Christ's Second Coming: will it be pre-millennial?** David BROWN (Principal of the Free Church College, Aberdeen.),1853 *The Second Coming* John MacArthur,2006-01-09 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14 3 ESV Jesus Christ was very clear One day He will return and none of us knows when Vocal fanatics claim to know the details of the Second Coming causing many Christians to all but ignore the good news that Jesus is coming again Yet God s own Word commands us to know the signs of the times to remain watchful and to be ready whenever Christ comes This book is a straightforward in depth exploration of the key biblical texts regarding the Second Coming most notably Christ s longest and most important eschatological message the Olivet Discourse As you study what the Word of God says about these matters it will stir in your heart an earnest longing for Christ s return as well as a certainty about how to live expectantly until He comes again *The Second Coming of Jesus - Think Again* William H. Hogue,2011-12 The overarching theme of this book is that the Second Coming of Jesus happened in AD 72 and that therefore Jesus is not coming again to rapture the church The book lays out a thorough exploration in support of this theme Daniel s prophecies are foundational especially his prophecy of the Seventy Weeks in Dan 9 24 27 and his prophecy of four sequential Fertile Crescent Mediterranean empires see Dan 7 The Fourth Empire or the Roman Empire is the key to understanding my theme with stress on the meaning of the horns on the head of the Fourth Beast see Dan 7 7 8 As proof of my theme I use the Biblical code of two or three witnesses see e g Deut 19 15 Matt 18 16 John 8 17 and I John 5 8 The three witnesses I give are Daniel Jesus and the collective apostles all of whom taught and agreed that Jesus Second Coming would take place before Jesus generation passed away Matt 24 34 Furthermore I show how the epistles of the N T reflect this theme by citing scores of passages from them for my readers to consider Finally in Chapter Five of the book and in five appendixes I show how the Book of Revelation aptly interpreted fully agrees with this theme *The Second Coming of Jesus Christ* Stanley Lotegeluaki,2014-01-07 The Second Coming of Jesus Christ is close at hand The last 2000 years has been the Tribulation Soon in our generation especially in my lifetime Jesus is coming back I met Jesus on August 10th 2012 And I have a drawing that looks like Jesus that the Lord helped me to draw It is a copy of Adolfo Simeione s work an artist

from Italy who was born in 1880 he drew a real picture of Jesus without knowing it Since I met Jesus I drew a picture of Him using Adolfo Simeiones work THE PICTURE ON THE COVER OF THIS BOOK PROVES TO THE WORLD THAT I MET JESUS AND ALL 50 OF MY BOOKS ARE ABOUT HIM JESUS CHRIST THE INTERGALACTIC SUPERSTAR THE STARCHILD When Jesus comes back and if He looks like the picture on the cover of this book that would prove that I met Him personally There is no Rapture or war before the Second Coming Isaiah chpt 22 put a curse on the visions of the Second Coming Read this book to see the error that Theologians have made with the help of Satan in the last 500 years Satan has been telling people when Jesus appears that He will be the enemy That s Satan entire defense He does not want people to worship Jesus when He appears Insane Theologians have been feeding the public with the wrong gospel of a preTribulation Midtribulation Post tribulation web of lies Also Satan other defense against the Church is the pedophile scandal that Jesus warned us about in Mathew chpt 18 Also the birth of Israel in 1948 proves that this is the last generation before the end where 1 3 of the human race is Taken to hell psalm 110 6 Revelation chpt 9 Jesus will appear with all of His Angels and the Saints He will at first live in The King David Hotel in Jerusalem The Dome on the Rock will be removed and the Angels of Jesus Christ will rebuild the new Temple Mother Church and Jesus Christ will rule all the nations The Star of David on the Israeli flag is really a Crown of Thorns

The Second Coming of Christ Aimee Semple McPherson, 2014-05-05 The Lord will come again He promised us that But is His church ready We know neither the day nor the hour of Christ s return but we are instructed to be ready at all times Aimee Semple McPherson felt the urgency of this call and she urges the church

to be ready for His glorious return Join Sister Aimee whom Time magazine named one of the most influential people of the twentieth century in discovering what the second coming of Christ means to the church today In this book she answers questions that face many believers Is Christ coming How is He coming When is He coming For whom is He coming The harvest is ready and the Lord will come back to reap a bountiful mature body of believers Be prepared to rise up and meet Christ when He appears in the clouds of glory **The Hope of Christ's Second Coming** Samuel Prideaux Tregelles,1864

Come, Lord Jesus! Stephen Motyer,2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22 20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer s comprehensive stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of God s future for his world *The Second Coming of Jesus Christ* Hasanat Ahmad Syed,2009-04 For I tell you you will not see me again until you say Blessed is he who comes in the name of the Lord Matthew 23 39 Approximately three billion Christians and Muslims around the world hold the Second Coming of Jesus Christ as an article of faith Both the Holy Bible and Holy Qur an speak about this spiritually monumental event Has He come again Author Hasanat Syed a journalist and research scholar has documented evidence supporting the appearance of the Second Coming He begins by describing four historical episodes that each occurred around the turn of the twentieth century and presents evidence of heavenly signs in each instance Drawing on his deep knowledge of the subject Syed combines thought from Christianity and Islam to marshal evidence with such conviction that nothing is left to doubt Distinguishing this work from others The Second Coming of Jesus Christ discusses this important event from a number of perspectives drawing together multiple sources throughout the text Christians Muslims and Hindus alike will be fascinated by this cogent discussion of an imminent Second Coming This book is a must read for anyone seeking answers to this heavily prophesized and centuries old enigma AD 2036 Is The End Christian Jacobsen,2008-03 Did you know that the

exact year of Jesus crucifixion was predicted over five hundred years before His birth Did you know that a similar prophecy predicts the exact year of Jesus return to earth In fact the timing of the Second Coming of Christ is foreshadowed in no less than eleven places in the scriptures These timelines all point to the end of human history within this generation Although the Bible teaches that no one knows the day or hour when these things will happen Mark 13 32 it says nothing about not knowing the year Faithful Christians most certainly won't be surprised when the day of the Lord comes 1 Thessalonians 5 4 rather they will see the day approaching Hebrews 10 25 This book reveals that the Glorious Day will occur within three and a half years of AD 2036 CHRIST HAS DIED CHRIST IS RISEN CHRIST WILL COME AGAIN **The Second Coming of Jesus Christ** David L. Toney, 2015-02-10 While the turn of the century has seen a number of secular sources proclaiming the end of the world such as Y2K or the end of the Mayan calendar only to see these events come and go there persists yet another source that still accurately foretells the events and phenomena we see play out on the world's scene Instead of focusing on fleeting signs and events the Bible shows us how a growing tide of global conflict human suffering and natural disasters points toward a powerful truth we are living in the end times In *The Second Coming of Jesus Christ An Analysis of End Time Bible Prophecy* author David L. Toney explores how contemporary events not only parallel but also signify the fulfilment of Bible prophecies throughout both the Old and New Testaments From the return of the Jews to Israel as foretold in Ezekiel to the rise of the Antichrist as anticipated in Revelation discover prophecies and the modern day events related to the end of the six thousand year reign of humanity the stirrings of World War III and the appearance of catastrophic natural phenomena That we are living in the end times is good news for good people and bad news for bad people and the most important event prophesied to take place in these latter years the second coming of Jesus Christ will soon take place *The Second Coming* David L. Toney, 2025-02-12 The about the book information is not available at the moment *Christ Will Come Again* Stephen H. Travis, 2004 Belief in the second coming of Christ is indispensable to biblical Christianity It is also crucial to a positive and relevant Christian worldview in a world that otherwise despairs of real hope An earthly hope without the prospect of life beyond death is illusory and shortlived writes the author But a real hope of eternal life with God sets us free from anxiety about death and frees us to work for the transformation of the world The courage clarity and teaching skills of Dr Travis in this important book are going to help a great many people Michael Green As a guide to a healthy and biblical perspective in thought and life this book would take some beating it gloriously lives up to the solid affirmation of its title Church of England Newspaper Dr Stephen H. Travis is Vice Principal of St John's College Nottingham England His other books include *Getting to Know the New Testament* and *The Bible in Time* *The Message of the Second Coming* Steve Motyer, 2022-11-17 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14 3 ESV Jesus Christ was very clear one day He will return and we must know the signs of the times remain watchful and be ready for when He comes again In this insightful study Steve Motyer explores a number of key

biblical texts to unpack The Message of the Second Coming Examining passages from both the Old and New Testaments he demonstrates that Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century A new volume in the trusted the Bible Speaks Today series of commentaries The Message of the Second Coming offers a clear cogent and thought provoking exposition of what the Bible tells us about the second coming of Jesus Christ and how the lessons drawn from that can be applied to modern Christian living Used by Bible students and teachers around the world the Bible Speaks Today commentaries are ideal for students who want to deepen their understanding of Scripture and its continued relevance today This volume is also perfect for those preaching on the second coming of Christ and looking for accessible exposition they can draw on for their sermons This new edition uses the NIV Bible text and its beautiful cover matches the redesigned editions of existing Bible Speaks Today Commentary The Message of the Second Coming is perfect for anyone looking for compelling commentaries will help them better understand the meaning of the second coming of Christ and how it applies to their everyday life
