Second Epistle To The Corinthians 8 13

Murray J. Harris

Second Epistle To The Corinthians 8 13:

The Second Epistle to the Corinthians Paul Barnett, 1997-04-17 This statement reflects the underlying purpose of The New International Commentary on the New Testament Begun in the late 1940s by an international team of New Testament scholars the NICNT series has become recognized by pastors students and scholars alike as a critical yet orthodox commentary marked by solid biblical scholarship within the evangelical Protestant tradition While based on a thorough study of the Greek text the commentary introductions and expositions contain a minimum of Greek references The NICNT authors evaluate significant textual problems and take into account the most important exegetical literature More technical aspects such as grammatical textual and historical problems are dealt with in footnotes special notes and appendixes Under the general editorship of three outstanding New Testament scholars first Ned Stonehouse Westminster Theological Seminary Philadelphia then F F Bruce University of Manchester England and now Gordon D Fee Regent College Vancouver British Columbia the NICNT series has continued to develop over the years In order to keep the commentary new and conversant with contemporary scholarship the NICNT volumes have been and will be revised or replaced as necessary The newer NICNT volumes in particular take into account the role of recent rhetorical and sociological inquiry in elucidating the meaning of the text and they also exhibit concern for the theology and application of the text As the NICNT series is ever brought up to date it will continue to find ongoing usefulness as an established guide to the New Testament text *The Second Epistle to the Corinthians* Murray J. Harris, 2005-01-01 The reputation of the NIGTC series is so outstanding that the appearance of each new volume is noteworthy This book on 2 Corinthians is no exception Master New Testament exegete Murray J Harris has produced a superb commentary that analyzes the Greek text verse by verse against the backdrop of Paul's tumultuous relations with his converts at Corinth Believing that Scripture cannot be understood theologically unless it has first been understood grammatically Harris provides a careful thoroughgoing reading of the text of 2 Corinthians He gives special attention to matters of translation making regular references not only to the standard modern English translations but also to influential older versions such as The Twentieth Century New Testament and those by Weymouth Moffatt and Goodspeed His close attention to matters of textual criticism and grammar leads to discussions of the theology of 2 Corinthians that show the relevance of Paul's teaching to Christian living and church ministry Other notable features of the book include a comprehensive introduction in which all the relevant literary and historical issues are discussed an expanded paraphrase of the letter that conveniently shows Harris's decisions on exegetical issues and indicates the flow of Paul's argument a chronology of the relations of Paul Timothy and Titus with the Corinthian church and an excursus on Paul's affliction in Asia 1811 and its influence on his outlook and theology ***The Second Epistle to the Corinthians***, 1903 *The Second Epistle of Paul the Apostle to the Corinthians* Alfred Plummer, 1903 *The Structure of Second Corinthians* Kei Hiramatsu, 2023-09-07 Hiramatsu Kei examines the literary structure of 2 Corinthians and how it can illuminate

understanding of this Pauline letter and its theological message He explores the theoretical foundations of Inductive Bible Study as an approach which focuses on the meaning of biblical texts in their final form by incorporating insights from multifarious methodologies Based on the final form of the letter and its compositional unity he prioritizes the literary context as consequential evidence for interpretation Hiramatsu argues that there are two major components of the literary structure the division of the letter and the identification of major structural relationships within and between the divided parts Thus he proposes that 2 Corinthians consists of seven major segments which coherently develop Paul s discourse pertaining to ministry and discusses the implications regarding his theology of theocentric ministry and that of weakness that arise from a literary investigation Hiramatsu demonstrates that an inductive and integrative approach not only presents a more suitable and helpful literary structure for 2 Corinthians but also illustrates the relevance of such study when seeking to gain understanding of the theological implications of the letter

That There May Be Equality L.L. Welborn,2023-08-15 In the context of growing inequality in the twenty first century That There May Be Equality seeks to give new audibility to Paul s appeal to the principle of equality in the collection for the poor L L Welborn traces the history of the concept of equality in Greek history in order to convey the potency of the idea which Paul invokes He analyzes the structural inequality of the Roman economy particularly that of Roman Corinth and traces the emergence of Paul s concern about inequality in the ekklesia of Christ believers at Corinth Welborn then analyzes Paul s invocation of the principle of equality in his appeal for partnership in the collection for the poor in 2 Corinthians 8 and 9 bringing Paul s appeal to equality into the present day crisis of global inequality

Christian Generosity according to 2 Corinthians 8-9 Viateur Habarurema,2017-04-30 The social and religious phenomenon popularly known as the prosperity gospel has made huge inroads in sub Saharan Africa and raises many questions surrounding Christian giving In this book Dr Habarurema applies biblical scholarship historical enquiry and contemporaneous analysis to generosity and financial reward in 2 Corinthians 8 9 as well as to the prosperity gospel movement With a clear focus on the concepts of divine charis and autarkeia this study provides insight into the apostle Paul s exhortations to care for the poor and vulnerable in society as a manifestation by the church of God s compassion and grace The author concludes with a series of hermeneutical and theological recommendations to promote a reading which is faithful to Paul s thoughts in 2 Corinthians 8 9 fully integrated in Paul s overall theology and welcoming insights provided by Pentecostal hermeneutics

Receiving Back One's Deeds Benjamin M. Dally,2022-11-16 This book investigates the relationship between justification by faith and final judgment according to works as found in Paul s second epistle to the Corinthians within a Protestant theological framework Benjamin M Dally first demonstrates the diversity and breadth of mainstream Protestant soteriology and eschatology beginning at the time of the Reformation by examining the confessional standards of its four primary ecclesial theological streams Lutheran Reformed Anabaptist and Anglican The soteriological structure of each is assessed i e how each construes the relationship between justification and final judgment with particular

attention given to how each speaks of the place of good works at the final judgment This initial examination outlines the theological boundaries within which the exegesis of Second Corinthians can legitimately proceed and illuminates language and conceptual matrices that will be drawn upon throughout the remainder of the book Then drawing upon the narrative logic of Paul's Early Jewish thought world Dally examines the text of Second Corinthians to discern its own soteriological framework paying particular attention to both the meaning and rhetorical function of the judgment according to works motif as it is utilized throughout the letter The book concludes by offering a Protestant synthesis of the relationship between justification and final judgment according to works in Second Corinthians giving an explanation of the role of works at the final judgment that arguably alleviates a number of tensions often perceived in other readings devoted to this key aspect of Pauline exegesis and theology Dally ultimately argues a three fold thesis 1 For the believer one's earthly conduct taken as a whole is best spoken of in the language of inferior secondary cause and or basis as far as its import at the last judgment 2 One's earthly conduct again taken as a whole is soteriologically necessary not solely but secondarily nonetheless and not simply of importance for the bestowal of non soteriological eschatological rewards 3 There are crucial resources from within mainstream Protestantism to authorize such ways of speaking and to simultaneously affirm these contentions in conjunction with a robust strictly forensic imputational traditional Protestant understanding of the doctrine of justification by faith alone

The second Epistle ... to the Corinthians, ed. by A. Plummer Paul (st.), 1903 *For Your Sake He Became Poor* Georges Massinelli, 2021-04-19 The Pauline collection for the poor in Jerusalem is the most famous example of financial support for geographically distant groups in early Christianity Recent assessments of the Pauline collection have focused on patronage to explain the social relations between Jerusalem and the Pauline groups and the strategies adopted by Paul Through a comparison with the Greco Roman world and a close reading of the texts this study challenges the recent approach and proposes that other factors shaped Paul's stance Paul was interested in reassuring the Corinthians about the financial outcome of the collection and dispelling doubts that he might take advantage of them The collection was an action modeled on divine generosity and an exchange within a reciprocal relationship between Christian groups This study also surveys intergroup support between Christian groups in the first three centuries CE This practice involved churches from most of the Mediterranean Basin and was known even outside of Christian circles Transfers of money were organized according to a consistent pattern modeled on local charitable practices The Pauline collection had similar characteristics and can be seen as part of this widespread economic practice The Bible Knowledge Background Commentary Craig A. Evans, 2004 This powerful reference tool provides an in depth look at the historical geographical cultural and economic background of Acts Philemon **"When You Were Gentiles"** Cavan W Concannon, 2014-07-01 Cavan W Concannon makes a significant contribution to Pauline studies by imagining the responses of the Corinthians to Paul's letters Based on surviving written materials and archaeological research this book offers a textured portrait of the ancient Corinthians with

whom Paul conversed argued debated and partnered focusing on issues of ethnicity civic identity politics and empire In doing so the author provides readers a unique opportunity to assess anew and imagine possibilities beyond Paul s complicated legacy in shaping Western notions of race ethnicity and religion **Paul** Calvin J. Roetzel, Winner of Biblical Archaeology Society Award Best New Testament Book We are left to construct a portrait of Paul with only scraps of what was once a large and imposing canvas a small collection of letters and a historical narrative written a generation after his death This reconstruction focuses on important parts of the image that usually fall in the shadows parts dealing with Paul s sexual asceticism his preoccupation with holiness holy Spirit holy community and holy ethos the evolution of his theology and his emergence as a legendary figure Although I have tried to follow the strict rules of historical investigation of necessity much guesswork is involved in any exploration of Paul s life All of these efforts are attempts to deal with the gaps in the text understood in the broadest sense to include not just Paul s written words but also the culture social world and political realities surrounding them From the Introduction [“The” First and Second Epistles to the Corinthians](#) Michael Ferrebee Sadler,1889 **Apostle Paul** Udo Schnelle,2005-11 This comprehensive introduction to the life and thought of Paul combines historical and theological analysis **T&T Clark Handbook to the Historical Paul** Ryan S. Schellenberg,Heidi Wendt,2022-05-05 The T T Clark Handbook to the Historical Paul gathers leading voices on various aspects of Paul s biography into a thorough reconsideration of him as a historical figure The contributors show how recent trends in Pauline scholarship have invited new questions about a variety of topics including his social location his mode of subsistence his cultural formation his place within Judaism his religious experience and practice and his affinities with other religious actors of the Roman world Through careful attention to biographical detail social context and historical method it seeks to describe him as a contextually plausible social actor The volume is structured in three parts Part One introduces sources methods and historiographical approaches surveying the foundational texts for Paul and the early Pauline tradition Part Two examines key biographical questions pertaining to Paul s bodily comportment the material aspects of his career and his religious activities Part Three reconstructs the biographical portraits of Paul that emerge from the letters associated with him presenting a series of micro biographies pieced together by leading Pauline scholars **2 Corinthians** Scott J. Hafemann,2014-11-04 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the

ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written. **Paul Decentered**

Arminta M. Fox, 2019-12-02 This book argues that the presence of women in the Christ communities of first-century Corinth changes how 2 Corinthians should be interpreted. Using a feminist approach to interpret the text, Arminta M. Fox presents readings that are ethically and historically viable. She examines how questions of community identity and leadership are situated within broader discourses of power in the Roman imperial and patriarchal contexts of the first-century

Mediterranean world. By assuming the dialogical presence of strong and diverse women leaders in the community, Fox

develops counter-readings to ones that assume Paul's singular authority. **The first and second Epistles to the Corinthians, with notes, by M.F. Sadler** Paul (st.), 1889 *Paul and the Corinthians: Studies on a Community in Conflict*

Trevor J. Burke, Keith Elliott, 2014-04-09 This volume has 1 and 2 Corinthians as its main focus, where the various contributors address significant aspects of text, language, background, theology, and exegesis. The first part of the volume deals with the issues of textual criticism and traditions available to Paul, while the second section is interdisciplinary in nature and integrates different methodologies such as social scientific and rhetorical criticism in order to provide new insights into the text. The third and longest section addresses the varied theological problems which the community raised with Paul, including sexual matters, the timing of the resurrection, the resurrection body, authority and headship, soteriology, and the question of Paul's faithfulness and integrity. The final section concentrates on the identity of Paul's opponents, his visions, and apologetics.

Unveiling the Energy of Verbal Art: An Mental Sojourn through **Second Epistle To The Corinthians 8 13**

In some sort of inundated with screens and the cacophony of quick transmission, the profound energy and psychological resonance of verbal beauty often disappear into obscurity, eclipsed by the constant barrage of sound and distractions. Yet, located within the musical pages of **Second Epistle To The Corinthians 8 13**, a captivating perform of fictional brilliance that impulses with fresh emotions, lies an unforgettable journey waiting to be embarked upon. Penned by way of a virtuoso wordsmith, this magical opus courses viewers on an emotional odyssey, gently revealing the latent possible and profound impact stuck within the complex internet of language. Within the heart-wrenching expanse of this evocative examination, we shall embark upon an introspective exploration of the book is central themes, dissect its charming writing model, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
