Forthcoming Books Rose Arny, 1993 **Bibliographic Index**, 1992 [The Cumulative Book Index](#), 1994 A world list of books in the English language **Subject Guide to Books in Print**, 1975 *Autobiographical Reflections* Eric Voegelin, 1969 *Looking Through the Rearview Mirror* Rev. Paul Lachlan Peck, 2005-08-22 *Looking Through the Rearview Mirror* includes selections from the writings of the Autobiography Workshop members who live in Dana Point, California, and its environs. Under the inspiration of The Reverend Paul Lachlan Peck, these pieces have been chosen by their writers as samplings of the autobiographical narratives written over the past few years since the organization of the group. Most members have attained their senior citizen status, having lived up to seven or more decades in the Twentieth Century. Why did we write this book? It is because we have lived through some great experiences that best typify the Twentieth Century, and our lives bear recording. At an average age of 75 years, the book represents about 1500 years of human living with all its anxieties, turmoil, joys, humor, devastating incidents, and so much more. We have experienced war and peace, unemployment and employment, poverty and wealth, health and sickness, joy and sorrow, and the whole range of human emotions that go with them. What's most interesting is that each one approached solutions to this human life in unique ways, not one the same as another.

Autobiographical Reflections, Revised Edition with Glossary Eric Voegelin, 2011-06-01 *Autobiographical Reflections* is a window into the mind of a man whose reassessment of the nature of history and thought has overturned traditional approaches to and appraisals of the Western intellectual tradition. Here we encounter the motivations for Voegelin's work, the stages in the development of his unique philosophy of consciousness, his key intellectual breakthroughs, his theory of history, and his diagnosis of the political ills of the modern age. Included in this revised volume is a glossary of terms used in Voegelin's writings. The glossary lists, defines, and illustrates from the author's writings many of the key terms employed, paying particular attention to the Greek terms. Together, the glossary and enlarged index systematically include names, subjects, ideas, writings, and terms, making this volume an indispensable help for any serious study of Eric Voegelin's oeuvre.
