Christian Kim,2014-04-23 Zadokite Propaganda in the Late Second Temple Period is a monumental epoch breaking work of scholarship in ancient history and Jewish studies This book examines centuries of scholarship on ancient Jewish group identity and official Jewish religion in the most tumultuous period of Jewish history namely the beginnings of the Maccabean era Popularly known as the time period that gave the Jewish world the most famous Jewish celebration period Hanukkah the Maccabean Revolt was far more than a rebellion against Syrian domination The period represented an important turning point in Jewish history as village priests without any significant heritage or repute successfully overthrew and expelled Zadokite priests from the Jerusalem Temple and the city of Jerusalem itself The Zadokites had been the legitimate and dominant priests of the Jerusalem Temple since the days of King Solomon who built the First Jerusalem Temple The physical and political displacement of Zadokite priests from their places of power authority and wealth produced historically significant literate communities such as the Qumran community and an abundance of literature such as commentaries creative poetry and apocalyptic works These writings all lamented the Zadokite displacement and prophesied a New Age when all would be restored to the way it should be Thus Zadokites engaged in propaganda warfare of epic proportions with all their erudition and political savvy creating a model for effective propaganda warfare The Zadokite propaganda was so effective that it set the tone for the language and theme of the New Testament *Images of Torah: From the Second-Temple Period to the Middle Ages* Jeong Mun. Heo,2023-06-26

This book explores the way that the Torah was appreciated and interpreted as a text and symbol in Christian and Jewish sources from the Second Temple period through the Middle Ages It tracks the development and complex interactions of three images of Torah God like Angelic and Messianic which are found in late antique Jewish and Christian materials as well as in medieval kabbalistic and Jewish philosophic sources It provides a

unique template for tracing the development of theological ideas related to the images of Torah and offers a sophisticated and innovative analysis of the relationship between mystical experience theology and phenomenology *Snow Wolf* Glenn Meade, 2015-05-19 Two CIA agents posing as man and wife will travel across the icy wastes of Russia to Moscow to assassinate the world's most powerful despot The Aramaic Version of the Bible Etan Levine, 2011-11-21 No detailed description available for The Aramaic Version of the Bible *Custodians Of Truth* Tim Wallace-Murphy, Marilyn Hopkins, 2025-09-12 A curious thing happened to Tim Wallace Murphy and Marilyn Hopkins when they published *Rex Deus* their first book on the bloodline of Christ they were contacted by a man from the very lineage they were studying And instead of denying the existence of the bloodline or berating them for revealing secrets he actually confirmed that the *Rex Deus* lineage exists and even disclosed some of its fundamental secrets The story of the *Rex Deus* families direct descendents of Christ who is believed to have survived the crucifixion turns out to be much more extensive than the authors first thought Instead of beginning during the time of Jesus it stretches far back into antiquity to the Egyptian Mystery Schools Instead of being only a propagation of the holy bloodline the *Rex Deus* families are also carriers of the secret teachings of Jesus *Custodians of Truth* reveals the purpose and secrets of the *Rex Deus* lineage Jesus was not only a holy man but an adept of ancient knowledge which informed his own teachings This secret knowledge was suppressed by the Church in their voracious quest for power and influence in the secular world These teachings have manifested throughout history in different forms Gnostic philosophy around the time of Jesus the Order of the Knights Templar Freemasons and the current resurgence of interest in New Age thought Finally the time is right for the hidden message of Jesus to be revealed a message of tolerance brotherhood and respect for nature The next chapter in the legend of the Holy Grail and the bloodline of Christ from the best selling authors of Rosslyn **Solving the Mysteries of the Dead Sea Scrolls** Edward M. Cook, 1994 The story of the Dead Sea Scrolls reads like a whodunit novel full of intrigue and mystery The intrigue lies in the internecine struggles among scholars entrusted with their study and safekeeping They mystery lies in just how much they can tell us about biblical times and life in the early Christian church From 1947 when the first scrolls were discovered in the caves around Qumran until the mid eighties when the academic gridlock began to break up they have left us with many more questions than answers Who wrote the scrolls What connection do they have with Jewish sects or early Christianity And what light do they shed on biblical times and the Bible itself With the rediscovery of the scrolls in recent years their significance to biblical studies is once again in the spotlight This book provides to students and lay Christians an overview of the scrolls controversial history and the various theories scholars hold about them It is an excellent readable introduction to who's who and what's what in the study of the Dead Sea Scrolls **Honest to God, Honest to Man** Vladimir Svistelnik, 2012-01-01 Modern prophets and even scientists believe that devastating earthquakes and tsunamis that have killed many people on Haiti in Chili and in Japan lately were the heralds of more scaled natural cataclysms that according to Mayan calendar may destroy the life on Earth in

December 2012 Many people try to find salvation in religion However sensational discoveries made by the author reveal the fact that trying to hide the truth about Jesus Church founders made so many theological mistakes that made salvation impossible Honest to God Honest to Man is the author s desperate attempt to tell the truth about why did it happen and why religious teachings became the source of religious intolerance and terrorism **Brandenburg** Glenn Meade,2013-04-02 The journalist investigating a series of brutal seemingly random killings is murdered and Joseph Volkman a member of an elite European security force is called in to find the connection He and Erica Kranz the beautiful officer with a past he cannot trust must journey through the world on a desperate race against time **Early Judaism** John J. Arceno Jr,2019-07-22 Volume 1 of the book will discuss the true gospel of Jesus as which is about the imminent coming of the Son of Man and the establishment of the universal kingdom of God on earth We will emphasize the fact that the entire ministry of Jesus as is all about the good news of the imminent fulfillment of the Son of Man prophecy and the Kingdom of God prophecy of Prophet Daniel as as written in the Bible Based on the correct context and interpretation the Son of Man

mentioned by Jesus as refers to Prophet Muhammad saw and the kingdom of God refers to Islam Volume 2 will discuss about the fulfillment of the Seventy Weeks prophecy of Prophet Daniel as This prophecy is actually a countdown to know the year Jesus as and Muhammad saw will come on earth Jesus as is expected to arrive in the sixty ninth week of the countdown and Prophet Muhammad saw will arrive in the seventieth week of the countdown Its exact fulfillment in history such as the year of their birth the starting year of their ministry and the year their messianic mission will be accomplished is a miracle or sign from God Almighty Qur an 20 133 and a clear evidence Qur an 61 6 attesting the veracity of the prophethood of both Jesus as and Muhammad saw This will explain to us why there were Jews in Judea who knew what time or year Jesus as will arrive on earth and why there were Jews in Yathrib Arabia who knew what time or year Muhammad saw will emerge as Messenger of God

An Introduction to the Study of the Gospels Brooke Westcott,1895 **Apocalypse Now** Damien Tricoire,Lionel Laborie,2022-08-03 Eschatology played a central role in both politics and society throughout the early modern period It inspired people to strive for social and political change including sometimes by violent means and prompted in return strong reactions against their religious activism From the fifteenth to the eighteenth century numerous apocalyptical and messianic movements came to the fore across Eurasia and North Africa raising questions about possible interconnections Why were eschatological movements so pervasive in early modern times This volume provides some answers to this question by exploring the interconnected histories of confessions and religions from Moscow to Cusco It offers a broad picture of Christian and to a lesser extent Jewish and Islamic eschatological movements from the fifteenth to the eighteenth century thereby bridging important and long standing gaps in the historiography Apocalypse Now will appeal to both researchers and students of the history of early modern religion and politics in the Christian Jewish and Islamic worlds By exploring connections between numerous eschatological movements it gives a fresh insight into one of the most promising fields of European and global history

Isamu

Yamamoto,2016-09-06 The Unification Church and its founder Dr Sun Myung Moon have been in the center of controversy because of their recruiting practices their financial holdings and their authoritarian style including arranged mass marriages Most controversial in terms of its teachings in Dr Moon s claim to be a new Messiah who will finish what Jesus left undone Is he the Messiah and is his Diving Principle the third testament of the Bible Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys All books but the summary volume Truth and Error contain five sections A concise introduction to the group being surveyed An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group Truth and Error the last book in the series consists of parallel doctrinal charts compiled from all the other volumes Three distinctives make this series especially useful to readers Information is carefully distilled to bring out truly essential points rather than requiring readers to sift their way through a sea of secondary details Information is presented in a clear easy to follow outline form with menu bar running heads This format greatly assists the reader in quickly locating topics and details of interest Each book meets the needs and skill levels of both nontechnical and technical readers providing an elementary level of refutation and progressing to a more advanced level using arguments based on the biblical text The writers of these volumes are well qualified to present clear and reliable information and help readers to discern truth from falsehood **The Case against**

Christ George G. R. Dekle Sr.,2011-07-12 Some two thousand years ago in a small province of the Roman Empire an obscure Roman governor ordered the execution of a peasant leader It went virtually unnoticed at the time No official report of the event has survived and we would have no memory at all of it except for the efforts of a handful of followers of the condemned man Those followers who kept that memory alive changed the course of history and the results of their efforts continue to reverberate to this day Conventional interpretation says that the execution of Jesus of Nazareth came on the heels of a series illegal trials before a number of different tribunals and at the culmination of that series of trials a moral coward by the name of Pontius Pilate ordered Jesus execution despite being satisfied that he was innocent Revisionist interpretation says that

there was no trial at all that Pilate simply executed Jesus because he was a nuisance and that Jesus followers invented the story of his execution as a means of shifting the blame from the Roman government to a group of people whom they despised the Jews Are the Gospels good history or bad propaganda Does a fair reading of the Gospel accounts support either the conventional or the revisionist interpretation of the trial of Jesus Who if anyone should shoulder the blame for the crucifixion of Jesus The Case against Christ seeks to answer these questions by treating the matter as a forensic death investigation and answering the questions as they might be answered by a prosecutor attempting to determine who should be held criminally responsible for the death of Jesus
