Second Mrs Hardy:

The Second Mrs. Hardy Robert Gittings, Jo Manton, 1979-01-01 *Beyond Consolation* Melissa F. Zeiger, 2018-05-31

Using as her starting point the story of Orpheus and Eurydice Melissa F Zeiger examines modern transformations of poetic elegy particularly as they reflect historical changes in the politics of gender and sexuality Although her focus is primarily on nineteenth and twentieth century poetry the scope of her investigation is grand from John Milton's *Lycidas* to very recently written AIDS and breast cancer elegies Milton epitomized the traditional use of the Orpheus myth as an illustration of the female threat to masculine poetic prowess focused on the beleaguered Orpheus Zeiger documents the gradual inclusion of Eurydice from the elegies of Algernon Charles Swinburne through the work of Thomas Hardy and John Berryman re examining the role of Eurydice and the feminine more generally in poetic production Zeiger then considers women poets who challenge the assumptions of elegies written by men sometimes identifying themselves with Eurydice Among these poets are H D Edna St Vincent Millay Anne Sexton and Elizabeth Bishop Zeiger concludes with a discussion of elegies for victims of current plagues explaining how poets mourning those lost to AIDS and breast cancer rewrite elegy in ways less repressive sacrificial or punitive than those of the Orphean tradition Among the poets discussed are Essex Hemphill Thom Gunn Mark Doty Audre Lorde Adrienne Rich and Marilyn Hacker *'Dearest Emmie'* NA NA, 2015-12-25 **Unity in Hardy's Novels** Peter J. Massachusetts Horticultural Society,1893 Still Rebels, Still Yankees and Other Essays Donald Davidson,1999-03-01 A decade and more has passed since the first publication of Still Rebels Still Yankees During that time the book has become recognized as a classic affirmation of the necessity of tradition in conserving cultural order Donald Davidson a major figure in the Agrarian Movement summed up the intent of the work this way The general theme that binds the essays no matter what their specific subjects is the conflict between tradition and anti tradition that characterizes modern society with tradition viewed as the living continuum that makes society and civilization possible and anti tradition as the disintegrative principle that destroys society and civilization in the name of science and progress The South which has suffered most in its devoted defense of tradition naturally offers me examples for consideration but this is not a book about the South as such It is as near as I can come in essay form to defining what I would conceive to be the true American position In a brilliant and graceful style Davidson pursues his theme in a rich variety of subjects poetry myth and folklore and in the complex rivalries between nation and region the free citizen and the Leviathan state the values of religion and the facts of science Order sanity and fullness of life are cornerstones of the tradition against which he appraises writers like Hardy and John Gould Fletcher the

historiography of Toynbee and the social reporting of W J Cash *A Companion to Twentieth-Century Poetry* Neil Roberts, 2008-04-15 In the twentieth century more people spoke English and more people wrote poetry than in the whole of previous history and this Companion strives to make sense of this crowded poetical era The original contributions by leading international scholars and practising poets were written as the contributors adjusted to the idea that the possibilities of twentieth century poetry were exhausted and finite However the volume also looks forward to the poetry and readings that the new century will bring The Companion embraces the extraordinary development of poetry over the century in twenty English speaking countries a century which began with a bipolar transatlantic connection in modernism and ended with the decentred heterogeneity of post colonialism Representation of the canonical and the marginal is therefore balanced including the full integration of women poets and feminist approaches and the in depth treatment of post colonial poets from various national traditions Discussion of context intertextualities and formal approaches illustrates the increasing self consciousness and self reflexivity of the period whilst a Readings section offers new readings of key selected texts The volume as a whole offers critical and contextual coverage of the full range of English language poetry in the last century **Gardening** ,1907

Sacrifice and Modern War Literature Alex Houen, Jan-Melissa Schramm, 2018-06-17 Sacrifice and Modern War Literature is the first book to explore how writers from the early nineteenth century to the present have addressed the intimacy of sacrifice and war It has been common for critics to argue that after the First World War many of the cultural and religious values associated with sacrifice have been increasingly rejected by writers and others However this volume shows that literature has continued to address how different conceptions of sacrifice have been invoked in times of war to convert losses into gains or ideals While those conceptions have sometimes been rooted in a secular rationalism that values lost lives in terms of political or national victories spiritual and religious conceptions of sacrifice are also still in evidence as with the martyrdom operations of jihadis fighting against the war on terror Each chapter presents fresh insights into the literature of a particular conflict and the contributions explore major war writers including Wordsworth Kipling Ford Madox Ford and Elizabeth Bowen as well as lesser known authors such as Dora Sigerson Richard Aldington Thomas Kinsella and Nadeem Aslam The volume covers multiple genres including novels poetry particularly elegy and lyric memoirs and some films The contributions address a rich array of topics related to wartime sacrifice including scapegoating martyrdom religious faith tragedy heroism altruism bare life atonement and redemption **Miscellaneous Verdicts** Anthony Powell, 1992-07

Miscellaneous Verdicts represents the best of Anthony Powell s critical writing over a period of four decades Drawn from his regular reviews for the Daily Telegraph from his occasional humorous pieces for Punch and from his more sustained pieces of critical and anecdotal writing on writers this collection is as witty fresh surprising and entertaining as one would expect from the author of *Dance to the Music of Time* Powell begins with a section on the British exploring his fascination both with genealogy and with figures like John Aubrey and writing in depth about writers like Kipling Conrad and Hardy The second

section on America also opens with discussions of family trees in this case presidential ones and includes pieces on Henry James James Thurber American booksellers in Paris Hemingway and Dashiell Hammett Personal encounters and absorbing incidents from the lives of his subjects frequently fill these pages as they do even more in the section on Powell's contemporaries Connolly Orwell Graham Greene and others Finally and aptly the book closes with a section on Proust and matters Proustian including a marvellous essay on what is eaten and drunk and by whom in *A la Recherche du Temps Perdu* An urbane book quietly erudite very sensible highly civilized remarkably useful Anthony Burgess Observer An acute intelligence and fastidious sense of humor make Powell the funniest and most profound living writer of the English language Hugh Montgomery Massingberd Sunday Telegraph Anthony Powell was born in London in 1905 He is the author of seven novels a biography of John Aubrey two plays a collection of memoirs and the twelve volume novel sequence *Dance to the Music of Time*

Max Gate Damien Wilkins, 2016-06-06 The story of Thomas Hardy's death told by his housemaid Nellie 1928 As Thomas Hardy lies on his death bed at his Dorset home Max Gate a tug of war is taking place over his legacy and the eventual fate of his mortal remains What counts for more the wishes of his family and dutiful second wife Florence the opinion of his literary friends Hardy's own express desires or the will of the nation Narrated with wit and brutal honesty by housemaid Nellie Titterington Max Gate is both an entertaining insight into the eccentricities of a writer's life and a raw intriguing tale of torn loyalty ownership and jealousy
