**The Second Coming of Christ** Clarence Larkin, 2010-01-01 The Reverend Clarence Larkin was one of the most widely influential thinkers on end times prophecies of the early twentieth century and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity This 1918 work outlines exactly what the Bible predicts for the end of mankind's reign on Earth and the return of the Christian savior with a special emphasis on who is to be saved and why Numerous charts and illustrations depict the Judgment Seat of Christ The Stages of the Second Coming the Failure of Man and more American Baptist pastor and author CLARENCE LARKIN 1850 1924 was born in Pennsylvania and later set up his ministry there He wrote extensively and popularly on a wide range of Biblical and theological matters

American Apocalypse Matthew Avery Sutton, 2014-12-15 In the first comprehensive history of American evangelicalism to appear in a generation Matthew Sutton shows how charismatic Protestant preachers anticipating the end of the world paradoxically transformed it Narrating the story from the perspective of the faithful he shows how apocalyptic thinking influences the American mainstream today The Coming of the Lord James Henry Snowden, 1919 **Subject Index of**

**Library** Brooklyn Public Library, 1917 Living for Jesus and Japan Shibuya Hiroshi, Chiba Shin, 2013-11 Uchimura Kanzo 1861 1930 was an independent original and thought provoking pioneer of Christianity in modern Japan His theological values were organically linked with his aspiration for living and practicing such evangelical ideas as prophetic existence neighborly love social justice pacifism patriotism and internationalism in the sphere of public life Uchimura's commitment to the interaction between religious thought and social life is apparent in his well known epitaph I for Japan Japan for the World the World for Christ and All for God In this interdisciplinary multi angled approach to Uchimura Kanzo the contributors shed light on the inner logic meanings and modes of interaction between the religious and social thought observable in Kanzo Contributors Andrew E Barshay Kei Chiba Shin Chiba Kyougae Lee Hiroshi Miura Tsunao Ohyama Hiroshi Shibuya Takashi Shogimen Yasuhiro Takahashi Kunichika Yagyu **The Divinity of Jesus Christ Revisited in the Third Millennium:**

**Evidence of His Deity** Leopold Sarr, 2012-12-28 Biblical Christianity is challenged today by other religions such as Hinduism Islam Mormonism Buddhism Jehovah's Witness Scientology to name a few including atheists and agnostics who claim that Jesus was simply a man a great teacher or guru or a prophet of God who worked his way to godhood Are such claims supported by the evidence Can we trust the Bible to tell us the truth about Jesus Is Jesus Christ truly God Can we find evidence of his deity in the Old Testament Does the New Testament affirm unequivocally that He is God Are there reliable non Christian sources that back such claims of deity This book aims at addressing these fundamental questions while providing solid internal and external evidence of the divinity of Jesus Christ In this age of plural spirituality thirst for truth

and in need of an evidence based dialogue among various religions the book makes a compelling case for a closer scrutiny of prophecies contained in the Bible

**The Dispensational-Covenantal Rift** R. Todd Mangum, 2007-06-01 This groundbreaking study explores how the fight between dispensationalists and covenant theologians started and how a unique dynamic of personalities and sociological factors enflamed it Readers may be surprised to discover that even the terminology of dispensationalists and covenant theologians originated in the 1930s disputes that the majority of the original protagonists on both sides were Presbyterians and that soteriology rather than eschatology was the original bone of contention between them This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies The significance of disagreements over dispensationalism is explored in the founding of the Orthodox Presbyterian and Bible Presbyterian churches And then as the debate traveled southward the response of the PCUS is examined with special attention given to the consummative reports of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards Significant misunderstandings that impeded fruitful dialogue from the beginning are clarified particularly those that have persisted most stubbornly to the present day Perhaps most surprising of all the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in light of pertinent critiques Why has this development gone almost unnoticed This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today

**Understanding the End Times** Rich Chasse, 2022-09-02 People are fascinated and sometimes terrified by the subject of the End Times and the book of Revelation The topic can be disturbing For some people it can even be scary There s a lot of misinformation out there There are many teachers playing on the insecurities of people with End Times updates that stir up curiosity or fear taking advantage of many as a result To understand how to approach the study of End Times events we need to ask an important question Are current events pointing to a soon return of Jesus How we answer this question will influence how we view the rest of prophecy It s important to understand what goes into answering this question correctly When you turn on the news and watch events unfold do you sense the tension When you flip through your social media or the internet and look at

Miyazawa,2000-01-01 Shortly before releasing deadly sarin gas on the Tokyo subway in March 1995 the Aum Shinrikyo religious cult published a vicious 95 page antisemitic tract that declared war on its Jewish archenemy The gassing of the Tokyo subway was the culmination of a century of Japanese theorizing about Jews an important part of which has been antisemitic In recent years books blaming Jews for everything from the designs on Japanese currency to the 1995 Kobe earthquake have appeared and some have sold millions of copies What explains this virtual obsession with Jews in Japan a country that has no Jews In this highly original cultural and intellectual history David G Goodman and Masanori Miyazawa show that present day Japanese attitudes toward Jews are the result of a process of accretion that began nearly 200 years ago Skillfully tracing the historical development of Japanese images of Jews against the background of the development of modern Japanese culture they describe how these images reflect the great themes of modern Japanese intellectual life Spanning fields ranging from politics to poetry the authors demonstrate how Japanese attitudes toward Jews have had real political and cultural consequences culminating in the 1995 subway gassing and resonating into the twenty first century
