The Second Mile M. Constance Nagel, 1997 *The Second Mile (Classic Reprint)* Harry Emerson Fosdick, 2015-07-21 Excerpt from *The Second Mile* When Iago says about Desdemona that she holds it a vice in her goodness not to do more than is requested he lays his discriminating finger on a trait of character not ordinarily worked up in the systems of ethics Nowhere does he better justify his own comment on himself I am nothing if not critical And it is precisely this trait of character on which Iago with his devilish ingenuity lighted for his evil purpose that Jesus made the crown of the moral life The distinctively Christian quality is to hold it a vice in our goodness not to do more than is requested About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten

SECOND MILE HARRY EMERSON. FOSDICK,2018 **Three Angels, One Message** John T. Anderson,2012 Now would be a good time to remember the angels instructions The Three Angels Message comprise only seven of Revelation s 404 verses a tiny percentage of what John the revelator recorded Yet as God s final warning to a world enamored with sin these cryptic messages are highly significant What exactly is God warning the world about though And how is this warning relevant to you considering what is currently happening in our world If it s so important why isn t this portion of Scripture as well known as the Ten Commandments or the golden rule Within these pages John Anderson examines individual words and phrases to decipher clues embedded in the original language and searches the Bible for the context in which each word is used His careful investigation uncovers the veiled meaning of these messages by comparing scripture with scripture and reveals just how urgent God s warning is to every human on this planet today
