The Second Time Around Chuck Dozier,2013-04-12 Book Description Second Time Around This book depicts marriage disappointments and disillusion from a male prospective Most men are fundamentally good and can resist the temptations of infidelity when given a choice The challenges of dealing with a wife that constantly pushes them to the margin of her life can often be too much for some men to bear As a young man right out of college Norman was assigned by his company to a territory in southern Pennsylvania While living there Norman met Gail an attractive middle aged woman that was ten years his senior with a teenage daughter Gail and Norman became inseparable and very much in love Neither of them felt any pressure to get married After six years Norman was promoted and had to transfer to another part of the country Fearing that their age difference would cause their relationship to fade Gail opted to stay in Pineville and they drifted apart Many years later when their paths crossed again Gail realized that she was still in love with the man that she had considered her soul mate However Norman was now married with two kids and based in Seattle His marriage is unstable and Gail soon realizes that there might be a second chance to have the man she has loved for nearly half her life With his judgment clouded by the lack of attention from his wife Norman begins to feel that he might have chosen the wrong woman for his life partner

The Second Time Around, Second Time Around D. A. Miller, 2021-01-26 The art houses and cinema clubs of his youth are gone but the films that D A Miller discovered there in the 1960s and 70s are now at his fingertips With DVDs and streaming media technology has turned the old cinematheque's theatrical offerings into private viewings that anyone can repeat pause slow and otherwise manipulate at will In *Second Time Around* Miller seizes this opportunity across thirteen essays he watches digitally restored films by directors from Mizoguchi to Pasolini and from Hitchcock to Honda looking to find not only what he first saw in them but also what he was then kept from seeing by quick camerawork normal projection speed missing frames or simple censorship At last he has an unobstructed view of the gay leather scene in *Cruising* the expurgated special effects in *The H Man* and the alternative ending to *Vertigo* Now he can pursue the finer details of Chabrol's debt to Hitchcock Visconti's mystificatory Marxism or the unemotive emotion in Godard Yet this recaptured past is strangely disturbing the films and the author have changed in too many ways for their reunion to be like old times The closeness of Miller's attention clarifies the painful contradictions of youth and decline damaged prints and flawless restorations
