housewife and the modern Western concepts of emancipation and equality The paper intends to examine how they struggle to come to terms with this fragmentation of their selves and how they find a balance between their traditional roles as a housewife and mother and their own modern expectations The relationship of being silent to oppressing one's own identity will be looked at more closely as well as the factors which help them to raise their voices in the end Finally the conclusion will not only summarise the findings but also link the first part of this Masterarbeit with the second part under the heading Struggling to Find a Voice

H. Earle,2025-05 In *Silence in the Quagmire* Harriet E H Earle uses silence to construct a narrative of the Vietnam War via U S comics Unlike the vast majority of cultural artifacts and scholarly works about the war which typically focus on white working class American servicemen and their experiences of combat Earle s work centers less visible players the Vietnamese on both sides of the conflict women and girls and returning veterans Earle interrogates the ways this conflict is represented in American comic books with special focus on these missing groups She discusses how and more critically why these groups are represented as they are if they re represented at all and the ways these representations have affected views of the war during and since Using Michel Foucault s understanding of silence as discourse Earle considers how both silence and silencing are mobilized in the creation of the U S centric war narrative Innovative in its structure and theoretical scaffolding *Silence in the Quagmire* deepens our understanding of how comic books have represented the violence and trauma of conflict **Supplement No.2 to the Alphabetical Finding List of the Free Public Library of Jersey City, N.J.
