## **Secondary Breadwinners Israeli Women In The Labor Force:**

**Secondary Breadwinners** Vered Kraus, 2002-05-30 The first comprehensive account of women's participation in the Israeli labor force Kraus's book analyzes the trends in the status of women in paid employment since the 1960s Covering all aspects of labor force participation she fully integrates and tracks over time the many facets of social stratification by gender in Israeli society Though founded as an egalitarian society Kraus's research clearly shows that traditional attitudes toward women in the Israeli workplace have prevailed over those more progressive Consequently the widely held impression that the status of women in Israel differs from that of their counterparts in other liberal democratic societies is shown to be more myth than reality Though focusing on Israel comparisons are made with other modern industrial societies adding to the evidence accumulating on the changing trends in the status of women in the labor force that will interest scholars and students concerned as to how gender intersects with matters of political economy Furthermore the unique spectrum of communities in Israel ranging from traditional Muslim Arab Palestinians through Christian Arab Palestinians and Jews of African American origin through to the more modernized Jews of European American origin enables simultaneous examinations of the various stages of women's integration in the labor force

Miaari, 2013-08-13 Bringing together important contributions from leading Israeli Jewish and Palestinian scholars this comprehensive and multi-disciplinary volume addresses the most recent developments and outcomes of the labor market integration of the Palestinian minority inside Israel

**Radicals in Spite of Themselves** Devorah Kalekin-Fishman, Karlheinz Schneider, 2019-02-18 In this book Devorah Kalekin Fishman and Karlheinz Schneider analyze how the relationship between the traditional and the modern is unfolding in a particular milieu by centering on the Haredi women in Israel who become part of the national rather than the community work force The book is based on analyses of interviews with people in the Haredi world The authors' goal is to attain an understanding of what women's work means to the women to their families and to the Haredi community as a whole by placing women's self-presentations in the context of sociological literatures relating to the sociology of religion and the sociology of gender The focal issue is the question of how traditionalism fares when the legitimator monitor of tradition in the home encounters the constraints of modernity through her studies and her work

**Work and Organizations in Israel** Itzhak Harpaz, 2017-09-04 Since the State of Israel was established its labor force has grown rapidly and has become increasingly diverse in terms of its demographic cultural ethnic and socioeconomic characteristics Israeli work values have shifted towards greater individualism materialism careerism and preference for white collar and knowledge based occupations is evident A major structural change is underway as indicated by the decline of agriculture as a component in

the Israeli economy and the growth of the industrial sector mostly towards high technology and innovative enterprises This volume sheds light on trends and developments that have been taking place in the realm of work in Israel in recent years It contains a unique selection of articles presenting empirical evidence of the major features and important changes characterizing work organizations and the regime of work in Israeli society labor relations work values power and management in organizations work in the Kibbutz inter organizational relations women and work migrants and minorities in the Israeli labor force Studies show that another two major trends characterize the contemporary economy and the labor market the trend toward privatization and globalization the results of which are a continuous decrease of job security and an increasing level of unemployed Israeli men and women that are replaced by the low cost labor of foreign workers emigrating from third world countries This timely volume is valuable for its contribution to illuminating the recent changes taking place in the realm of work in Israel and will be of interest to sociologists social scientists and students of Judaica Routledge Handbook on Contemporary Israel Guy Ben-Porat,Yariv Feniger,Dani Filc,Paula Kabalo,Julia Mirsky,2022-07-29 This Handbook provides a comprehensive overview of contemporary Israel accounting for changes developments and contemporary debates The different chapters offer both a historical background and an updated analysis of politics economy society and culture Across five sections a multidisciplinary group of experts including sociologists political scientists historians and social scientists engage in a wide variety of topics through different perspectives and insights The book opens with a historical section outlining the formation of Israel and Jewish nationalism The second section examines contemporary institutions in Israel their developments and the contemporary challenges they face in light of social economic political and cultural changes The third section explores geopolitics and Israel s foreign relations exploring conflicts alliances and foreign policy with neighbors and powers The fourth section engages with Israel s internal divisions and schisms highlighting questions of identity and inequality while also outlining processes of integration and marginalization between groups The final section explores matters of culture through the social and demographic shifts in contemporary music poetry and cuisine along with the struggles for inclusion and the impact of globalization on Israeli culture The Routledge Handbook on Contemporary Israel is designed for academics along with undergraduate and postgraduate students taking courses on Israel Israeli politics and culture and society in modern Israel Women Principals in a Multicultural Society Izhar Oplatka,Rachel Hertz-Lazarowitz,2006 New insights into feminist educational leadership analyze the crossing issues of gender school leadership and multicultural experiences as expressed in accounts of female school principals from diverse ethnic and religious groups in the multicultural society of Israel Education Teaching **Socioeconomic Inequality in Israel** Nabil Khattab,Sami Miaari,Haya Stier,2016-04-29 This volume addresses different aspects and areas of inequality in Israel a country characterized by high levels of economic inequality poverty and social diversity The book expands on the mechanisms that produce and maintain inequality and the role of state policies in influencing those mechanisms *Facing*

*Barriers* Vered Kraus, Yuval P. Yonay, 2018-03-22 Palestinian women have slowly become active in the formal labor market in Israel In this book Vered Kraus and Yuval Yonay describe and analyse the labor experience of these Palestinian women and explain why Palestinian and Jewish women have different rates and outcomes in the labor market Challenging popular views that ascribe these differences to Arab culture and Islam they instead find that it is state policies and widespread discrimination that hinder Palestinian women s participation and success By including the various Palestinian sub groups Muslims Bedouins Druze Christians non citizen residents of Jerusalem this book shows how the specific life circumstances of the women from these subgroups affect their employment and achievements The book thus enriches the acute discussion on the labour market experiences of Muslim and Arab women in the Middle East and North Africa and in advanced industrialized societies

**The Encyclopedia of the Arab-Israeli Conflict** Spencer C. Tucker, Priscilla Roberts, 2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I The Encyclopedia of the Arab Israeli Conflict goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon

**Contesting the Monolith** Priya Singh, 2025-10-24 The book challenges the notion that Israel is a homogeneous state whether in theory or in practice It offers a detailed and critical intersectional analysis of nationalism ethnicity gender and marginality in Israeli society revealing how these forces converge to produce multiple as well as fused identities within a complex social fabric Examining the ruptures and fault lines that shape a multi layered society the study contends that Israel s exceptionality lies not in its self proclaimed Jewish and democratic character but in its resort to exceptional legal and coercive measures to mask internal diversity By obscuring this heterogeneous reality the state cultivates an illusion of a monolithic and uniform Israeli identity The analysis presents a society far more fragmented and stratified than official narratives suggest offering readers an understanding of how intersecting structures of identity and power operate in the Israeli context and how social and political institutions respond to and regulate internal difference This book will be of interest to academic researchers postgraduate and doctoral students and policymakers engaged with questions of nationalism marginality identity and Middle Eastern politics particularly within the disciplines of political science sociology Middle Eastern studies and gender studies

*Feminism, Family, and Identity in Israel* M. Rom, O. Benjamin, 2011-05-09 Women's inner struggle over their marital names reveal how they negotiate a specific identity location in each dimension of identity This book tackles a complex sociological project of examining three existing theories and will prove to be important for the study of Gender and Middle Eastern Culture
