Secret Everyone Knows:

Perversion and the Art of Persecution Sean Noah Walsh, 2012-03-08 In this critical work on the political thought of Leo Strauss Sean Noah Walsh addresses Leo Strauss's claims about esotericism in the philosophic texts of Plato. He challenges Strauss's understanding of esoteric writing as an attempt by Plato to secretly encode the highest truths exclusively between the lines in order to avoid persecution. Indeed, through the character of Socrates, the speaker with whom Plato is inextricably associated, Walsh asserts that Plato's exoteric writings were sufficiently incendiary and provocative to demonstrate that a fear of persecution was not his highest priority. The politics that follow from Strauss's thought depend on the interpretation of these Platonic philosophical bases and by analyzing how the problem of fear has been confronted in the works of Plato and Leo Strauss, Walsh offers a direct and thorough account of the politics that emerge from Strauss's esoteric reading of political philosophy. Applying Lacanian psychoanalysis, Walsh investigates the discourse of Straussian esotericism and examines Plato's writing for examples of exoteric risk, subjecting both Plato and Strauss's writings to Lacan's psychoanalytic technique for interpreting the function of desire in discourse. Given the continuing influence of Strauss's ideas on contemporary politics, particularly within American foreign policy, Walsh's examination of this Straussian esotericism for these effects will prove an interesting read for political theorists, international relations scholars, and philosophers alike. Grace, 2023-10-04 From the author of TikTok sensation *Icebreaker* comes a deliciously swoonworthy romance following two summer camp counsellors who reconnect after a sizzling one-night stand. Order Daydream to read Henry's love story now. When Russ Callaghan and Aurora Roberts cross paths at a college party, a drinking game results in a passionate one-night stand. Never one to overstay her welcome or expect much from a man, Aurora slips away before Russ even has the chance to ask her full name. Imagine their surprise when they bump into each other on their first day as summer camp counsellors, hoping to escape their complicated home lives for the summer break. As the summer unfolds, the tension between them intensifies. Russ doesn't want to risk breaking the camp's strict no-staff fraternising rule, but unfortunately for him, Aurora has never been very good at caring about rules. Will the two learn to peacefully co-exist? Or did their one-night together start a fire they can't put out? Note: *Wildfire* contains 18 content and is not suitable for younger readers. Praise for *Wildfire*: Sparks will fly the moment you start turning the pages and a warning: They're ripping hot. Elena Armas, bestselling author of *The Spanish Love Deception*.
