Secrets Jacob Vance, 2014-09-11 In *Secrets Humanism Mysticism and Evangelism in Erasmus of Rotterdam* Bishop Guillaume Briçonnet and Marguerite de Navarre Jacob Vance argues that Erasmus and French Evangelical humanists made secrecy central to their literary thought They revived Scriptural medieval and early Renaissance notions of secrecy in their spiritual and profane literature to advance the reforms in church and society that they advocated Erasmus Briçonnet and Marguerite expanded on Origenian Augustinian and pseudo Dionysian concepts of divine mystery as being secret throughout their works By developing the idea that the divine remains both transcendent and immanent in the world of creation these humanists explored through literature how the human spirit can either accede or fail to accede to the secrets of Christian wisdom

The Lord's Prayer J. Warren Smith,2015-03-10 We have all had the experience of being at church and hearing the pastor say And now with the confidence of children we are bold to pray Our Father but before we know it we are saying for Thine is the kingdom and the power and the glory forever Amen In the very moment of intimacy when we are given the privilege of entering the presence of our heavenly Father our minds have drifted off We speak the words of the prayer not from our hearts but from the autopilot of memory This is mere recitation not prayer If in relationships familiarity breeds contempt in the case of the Lord s Prayer familiarity breeds thoughtlessness The Lord s Prayer Confessing the New Covenant is not a Bible study in the traditional sense It challenges us to think about the Lord s Prayer anew by understanding it as a confession of the New Covenant that Christ makes with us when we are made children of God in baptism In hearing these familiar words afresh we learn to remember our baptismal covenant so that we might live more fully into that new relationship with God and with one another

The Eroticization of Distance Joseph D. Kuzma, 2016-07-26 In *The Eroticization of Distance* Nietzsche Blanchot and the Legacy of Courtly Love Joseph D Kuzma explores the significance of courtly erotic themes in Friedrich Nietzsche's mature philosophy and in Maurice Blanchot's writings of the 1940s and early 1950s Rather than offering an account of erotic relationality that prioritizes reconciliation fulfillment or release Nietzsche attempts to formulate a nonteleological eroticism that aims at nothing but the perpetual intensification of desire Kuzma suggests that it is Blanchot who carries Nietzsche's courtly erotic tendencies to their most provocative point by highlighting potentials for intimate relationality that might be established through a shared experience of dispossession and loss This first monograph to engage specifically with the theme of eroticism in Blanchot's writings will be of interest not only to students and scholars of Nietzsche Blanchot or French philosophy but also anyone interested in the philosophy of sexuality the history of love theories of the emotions or nineteenth and twentieth century European thought more generally *The Congregationalist*, 1913 **Intimate Ties** Robert

An American Tragedy Paul A. Orlov,1998 This book's premise is that a novel's ideas about the human drama are not necessarily the same as those its author consciously holds meaning that a close reading of Theodore Dreiser's artistic portrayal of modern America in *An American Tragedy* reveals the idea that he transcends the empirical premises of his presumed naturalistic thought to affirm the reality of the self and the importance of selfhood Based on this crucial premise and intensive analysis of the novel's text Professor Orlov's study develops an argument offering many original views of the Tragedy's meanings and artistry There is new light here on the fact that Dreiser sees the subversion of the idea of self in a highly materialistic society as the heart of his characters' tragic experiences Ultimately then this study suggests that *An American Tragedy* is an antinaturalistic statement about the self's intrinsic importance
