The Hidden Lives of Brahman Joël André-Michel Dubois, 2014-02-12 Finalist for the 2014 Best First Book in the History of Religions presented by the American Academy of Religion a kara's thought advaita ved nta or non dual ved nta is a tradition focused on brahman the ultimate reality transcending all particular manifestations words and ideas It is generally considered that the transcendent brahman cannot

be attained through any effort or activity While this conception is technically correct in The Hidden Lives of Brahman Jol Andr Michel Dubois contends that it is misleading Hidden lives of brahman become visible when analysis of a kara s seminal commentaries is combined with ethnographic descriptions of contemporary Br hmin students and teachers of ved nta a group largely ignored in most studies of this tradition Du bois demonstrates that for a kara as for Br hmin tradition in general brahman is just as much an active force fully connected to the dynamic power of words and imagination as it is a **Hidden in God** Bonnie Thurston, 2016-03-25 Spirituality the gift of the desert is the grace of complete dependence on God and the grace of public life is the practice of charity and self giving Thurston adeptly demonstrates how these three locations are metaphors for states of spiritual life and ministry and how each one brings both a challenge and a danger Words of wisdom from Foucauld as well as questions to ponder and biblical texts to explore conclude each chapter Thurston shares how she became enamored with Foucauld for the passionate way he lived his ideals without regard for recognition or success I ve fallen in love with a dead Frenchman who was a hermit she admitted to a friend Dorothy Day founder of the Catholic Worker movement also was attracted to Foucauld's desert spirituality and wrote to Thomas Merton and others about Foucauld's spiritual influence **Living in the Gap - 2nd Edition** Dennis J. Billy, 2014-12-01 This second edition of Living in the Gap is prompted by the Church's celebration throughout 2015 of a Year for Consecrated Life to mark both the 50th anniversary of the Second Vatican Council and the 50th anniversary of Perfectae Caritatis The Decree on the Adaptation and Renewal of Religious Life The book wishes to raise awareness of the importance of the vocation to the consecrated life in the life of Church and to help religious in their efforts towards the new evangelization The challenge before religious today and before all those called to evangelical counsels of chastity poverty and obedience is to do their best to narrow the gap between vision and reality The question they should be asking themselves is not whether the gap between vision and reality exists in their lives but whether it is getting larger or smaller Reclaiming **Lives from Sexual Violence** Tim Donovan, Dale Johns, 2022-03-28 This book takes an innovative approach to using narrative therapy in counselling people who have been subject to childhood sexual abuse Reclaiming Lives from Sexual Violence presents an illustrative case study of the authors Tim the therapist in consultation with Dale the client who was sexually abused as a child by a clergy member The book is unique in documenting their therapeutic work using transcripts taken directly from their sessions together This narrative approach invites the reader to consider different ways of engaging in therapy in order to challenge the dominant social discourses around masculinity and shame Looking at shame from a position of value awareness rather than a deficit perspective this book extends counselling to consider the individual experience as political and one that must be shared outside the one to one therapy environment This will be an essential resource for beginning or established therapists and practitioners working with clients who have been victims of sexual violence
