The Secret Life of a Satanist Blanche Barton, 2014-08-18 The Secret Life of a Satanist steps behind the curtain with the founder and High Priest of the Church of Satan What is contemporary Satanism and why would one start a church dedicated to the Dark One It wasn't a rebellion against an oppressive religious upbringing it was Anton Szandor LaVey's disgust with most of humanity Drawing from Jack London H L Mencken Friedrich Nietzsche Marquis de Sade George Bernard Shaw John Milton Benjamin Franklin and a host of reprobates with a large dose of alchemy and black magic LaVey formulated a philosophy that deeply resonated with him

LaVey did not worship Satan he paid homage to the rebellious spirit of innovation defiance and self reliance that the archetype embodied His background as a musician circus lion trainer hypnotist and police photographer is covered here The author who later became his paramour and mother to his only son was allowed extraordinary access to documents concerning his life testimonies from people who had known him for years and most importantly anecdotes and fond memories from a man living out of his time After the original publication of this biography in 1990 LaVey and Blanche Barton fought through the Satanic Panic together and guided the Church for another seven years This revised edition adds a dozen new and never before seen images

The Other Victorians Steven Marcus, 2017-07-12 Taking as his point of departure the authors the audience and the texts of Victorian writings on sex in general and of Victorian pornography in particular Steven Marcus offers a startling and revolutionary perspective on the underside of Victorian culture The subjects dealt with in *The Other Victorians* are not only those to have been shocking in the Victorian period The way these subjects were regarded and the way our notions of the Victorians continue to change as the efforts of contemporary scholarship restore them to their full historical dimensions are matters today of some surprise and wonder Making use for the first time of the extensive collection of Victoriana at the Kinsey Institute for Sex Research Marcus first examines the writings of Dr William Acton who may be said to represent the official views of sexuality held by Victorian society and of Henry Spencer Ashbee the first and most important bibliographer scholar of pornography He then turns to the most significant work of its kind from the period the eleven volume anonymous autobiography *My Secret Life* There follows an analysis of four pornographic Victorian novels an analysis that throws an oblique but fascinating light on the classics of Victorian literature and a review of the odd flood of Victorian publications devoted to flagellation The book concludes with a chapter propounding a general theory of pornography as a sociological phenomenon With the publication of *The Other Victorians* understanding of this period took a giant stride forward Most of the writers and writings discussed by Marcus belong to Victorian sub literature rather than to literature proper in this way the work remains connected to a consideration of the exotic sub literature A brilliantly written book in its own right this work transformed the study of the Victorian period as did no other

Satanism Per Faxneld, Johan Nilsson, 2023 *Satanism* is a current of thought that generates intense feelings It remains understudied by academics This selection of key source texts from the period 1841 to 2017 attempts to remedy that gap Ranging from the esoteric to the anti clerical countercultural and political the texts span a wide variety of genres from poetry and polemical religious tracts to ritual instructions and internet FAQ s All are provided with comprehensive introductions written by specialists in the field that offer readers both critical historical context and expert scholarly interpretation Chronologically structured the book can be read as a succinct historical overview of the development of Satanism with the immediacy that only primary sources can provide It is ideal for both classroom and research use as well as a fascinating read for anyone with an interest in the occult the transgressive secularization and the fringes of the religious landscape

Porter, 2011-05-06 A devoted reader of autobiographies and memoirs Roger J Porter has observed in recent years a

surprising number of memoirs by adult children whose fathers have led secret lives Some of the fathers had second families some had secret religious lives others have been criminals liars or con men Struck by the intensely human drama of secrecy and deception played out for all to see Porter explores the phenomenon in great depth In *Bureau of Missing Persons* he examines a large number of these works eighteen in all placing them in a wide literary and cultural context and considering the ethical quandaries writers face when they reveal secrets so long and closely held Among the books Porter treats are Paul Auster's *The Invention of Solitude* Alison Bechdel's graphic memoir *Fun Home* Essie Mae Washington Williams's *Dear Senator* on her father Strom Thurmond Bliss Broyard's *One Drop* Mary Gordon's *The Shadow Man* and Geoffrey Wolff's *The Duke of Deception* He also discusses Nathaniel Kahn's documentary film *My Architect* These narratives inevitably look inward to the writer as well as outward to the parent The autobiographical children are compelled if not consumed by a desire to know They become detectives piecing together clues to fill memory voids assembling material and archival evidence public and private documents letters photographs and iconic physical objects to track down the parent
