Secret Love Life Of Ophelia:

The Secret Love Life of Ophelia Steven Berkoff, 2014-07-31 Hamlet and Ophelia express the infinite variety of their passion in a work which takes the form of an epistolary play in verse Steven Berkoff's startlingly original drama charts the lovers story beneath the surface of Shakespeare's play With a muscularity of language tempered with tenderness Berkoff's play is shot through with images of courtly love sexual desire and intimations of future tragedy The chill of the ending perfectly offsets the preceding violent heat in what is another unique piece of work from the individual talent that is Steven Berkoff The Secret Love Life of Ophelia was first performed at the King's Head Theatre London on 25 June 2001 The Afterlife of Ophelia Deanne Williams, 2012-04-09 This collection of new essays is the first to explore the rich afterlife of one of Shakespeare's most recognizable characters With contributions from an international group of established and emerging scholars The Afterlife of Ophelia moves beyond the confines of existing scholarship and forges new lines of inquiry beyond Shakespeare studies **Ophelia Through Time** Carolina Sanabria, 2025-01-22 For centuries interest in Shakespeare's Hamlet has prioritised its brooding melancholy prince Yet over time the enigmatic Ophelia his tragic love interest has risen to prominence in painting film television and beyond focused especially on her madness and death conspicuously off stage in the drama itself Analysing her rebirth resurrection and ghostly afterlives in straight adaptations as well as narratives far removed from the Bard's play this study offers an innovative cross media analysis of Ophelia's evolving representation Tracing her journey from marginal character to symbol of increasing yet ambivalent transcultural importance it identifies a series of recurring tropes that re write her female subjectivity in surprising and fascinating ways From page to stage and scene to screen Ophelia's voice is by turns amplified ventriloquised mediated and silenced reshaped by the delicate dialogue between text and image This book is a captivating exploration of one of Shakespeare's most evocative figures and her enduring impact on visual storytelling Sit and Shiver Steven Berkoff, 2014-07-31 How a certain Jewish family mourns a dead patriarch The term is sitting Shiva mourning for seven days when friends and relatives commiserate usually in the home of the deceased As children we always understood this to be sit and shiver which also seemed most appropriate While death has claimed the old man and triggered the usual inflated eulogies how important a man becomes when they die it has also brought to the surface hidden anxieties and grievances only exacerbated when a visitor shows up bearing strange news that threatens to tear the family apart A Jewish black comedy in the Berkoff tradition Sit and Shiver was first presented at the Odyssey Theater Los Angeles in March 2004 The European premiere was held at the New End Theatre London in association with Saw Productions in May 2006 *Not Now* David Ireland, 2022-11-15 Matthew I don't give a f who's Irish and who's not I'm just thinking about what's best for your career And that's how themmuns in London ll see you Calling yourself British just embarrasses them The morning after his father's funeral an unsure and still grief stricken Matthew prepares to fly to London to audition for the prestigious drama school RADA When his painter decorator Uncle Ray interrupts his private rendition of

Richard III's opening monologue to offer some unwanted direction and dubious career advice Matthew starts to doubt whether he should really be leaving Belfast in the first place First presented by A Play A Pie and A Pint at ran M r in May 2022 Not Now received its English premiere at the Finborough Theatre London in November 2022 Playwright David Ireland is the multi award winning author of Cyprus Avenue
