**The Secret Drama of Shakespeare's Sonnets Unfolded** Gerald Massey, 1872      **The Secret Drama of Shakespeare's Sonnets** Gerald Massey, 1888      [The Secret Love Story in Shakespeare's Sonnets](#) Helen Heightsman Gordon, 2007 Testimonials From Wenonah Sharpe Oxfordian Scholar Fascinating reading often more sympathetic to our life experiences and common sense than some interpretations I've seen An at times dizzying new interpretation of the Sonnets and of the Shakespeare conundrum negating the conventional wisdom that there is nothing new to be said about Shakespeare Dr Gordon's close reading of the Sonnets sometimes contrasts with other new theories sometimes agrees or even augments them Her explication of the notoriously opaque introduction to the Sonnets compels attention despite our reflexive distrust of ciphers and anagrams From Karen Whicker Ellis English teacher I wish I'd had Helen Gordon's book when I was teaching Shakespeare's sonnets to high school students They would have found the paraphrases extremely helpful and the love story strongly compelling Her insightful commentaries on the sonnets are both enjoyable and revealing They certainly cast new light on Shakespeare's sonnets with unusual refreshing interpretations a must read for all lovers of English literature From Heidi Winn M S Licensed Psychotherapist As a long time admirer of both Shakespeare's and Dr Gordon's literary work I was entranced by *The Secret Love Story in Shakespeare's Sonnets* I found it hard to put down as I couldn't wait to discover what was hidden in the next sonnet Even readers who are not well versed in Shakespearean literature will enjoy this intriguing encrypted love story Heidi Winn M S Licensed Psychotherapist      *The Afterlife of Shakespeare's Sonnets* Jane Kingsley-Smith, 2019-08-29 An original account of the reception and influence of Shakespeare's Sonnets in his own time and in later literary history      **The World of Shakespeare's Sonnets** Robert Matz, 2014-07-15 Of Shakespeare's sonnets we know the crystalline meter exquisite diction and exhilarating surprise of the turn in the final couplet By contrast we know very little of their subjects and motives This book does not approach the sonnets as Shakespearean autobiography but instead delineates the customs that shaped the poet's world and thus his sonnets It argues for understanding them as brilliant edgy expressions of the equally brilliant edgy culture of the English Renaissance      **7 short stories that ENTJ will love** Marcus Aurelius, Guy de Maupassant, W. The Secret Confessions of Anne Shakespeare Arliss Ryan,2010-06-01 An inventive and vibrant historical novel about the woman who dared to be the equal of the Bard of Avon Dramatizing a marriage born of passion and strained by ambition Arliss Ryan s fascinating historical novel chronicles a love affair for the ages and the story of a woman who dares to fulfill her own surprising destiny Anne Hathaway is weighing her prospects for marriage when a dalliance with young Will Shakespeare the poetry writing son of a rural glove maker leaves her pregnant and wed When Will joins a traveling acting troupe and moves to London Anne leaves their children in his parents care and boldly follows him Taking up a new identity at Will s side Anne supports his career as a struggling actor by sewing costumes and transcribing manuscripts in the rough and tumble world of London s theatres As Will finds his true calling in writing Anne s own literary skills begin to flower leading to a secret collaboration that makes Will the foremost playwright in Elizabethan England      *The Greatest Love Story Never Told* Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other      *Secret Shakespeare* Richard Wilson,2024-06-04 Shakespeare s Catholic context was the most important literary discovery of the last century No biography of the Bard is now complete without chapters on the paranoia and persecution in which he was educated or the treason which engulfed his family Whether to suffer outrageous fortune or take up arms in suicidal resistance was as Hamlet says the question that fired Shakespeare s stage In *Secret Shakespeare* Richard Wilson asks why the dramatist remained so enigmatic about his own beliefs and so silent on the atrocities he survived Shakespeare constructed a drama not of discovery like his rivals but of darkness deferral evasion and disguise where for all his hopes of a golden time of future toleration What s to come is always unsure Whether or not He died a papist it is because we can never pluck out the heart of his mystery that Shakespeare s plays retain their unique potential to resist

This is a fascinating work which will be essential reading for all scholars of Shakespeare and Renaissance studies

**Resist Everything Except Temptation** Kristian Williams, 2020-06-02 Oscar Wilde is remembered as a wit and a dandy as a gay martyr and as a brilliant writer but his philosophical depth and political radicalism are often forgotten Resist Everything Except Temptation locates Wilde in the tradition of left wing anarchism and argues that only when we take his politics seriously can we begin to understand the man his life and his work Drawing from literary historical and biographical evidence including archival research the book outlines the philosophical influences and political implications of Wilde's ideas on art sex morality violence and above all individualism Williams raises questions about the relationships between culture and politics between utopian aspirations and practical programs and between individualism group identity and class struggle The resulting volume represents not merely a historical curiosity but a contribution to current debates within political theory and a salvo in the broader culture wars
