Mysteria Otto Henne Am Rhyn, 2017-09-17 Excerpt from Mysteria History of the Secret Doctrines and Mystic Rites of Ancient Religions and Medieval and Modern Secret Orders In all ages mystery has had a special attraction for mankind Curiosity is innate in us The child asks about everything What is this What is it for why is it made so or so The child fairly harries its parents with questions never wearies of raising new ones often so unexpected and so difficult that it would puzzle the wisest philosopher to answer them And this instinct of inquiry is dominant in the adult too the grown man wants to know what is to be found behind every curtain every locked door in every sealed letter And when sated with such tries he must push inquiry further into the infinite must lift the veil that hides the wondrous image at Sais must pluck from the forbidden tree of knowledge the tempting golden fruit He would with the Titans storm heaven and ascend to heights where stirs no breath of air where stands the boundary stone of creation At last when Faust after manifold crosses and disappointments sees that we can know nothing the thought consumes the heart within him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

What's with Baum? Woody Allen,2025-09-23 Asher Baum is quietly losing his mind Can you blame him Maybe what I really want is to make sense of all people s lives Of everything the whole shebang A middle aged Jewish journalist turned novelist and playwright consumed with anxiety about everything under the sun Baum s turgid philosophical books receive tepid reviews and his prestigious New York publisher has dropped him His third marriage is on the rocks and he suspects his handsome and successful younger brother may have seduced his Harvard educated wife He is uneasy with her close relationship with her son a more successful author than he and suspicious of her closeness with their neighbour in Connecticut And in a moment of irrationality he has impulsively tried to kiss a pretty young journalist during an interview that she is about to go public with Is it any wonder Baum has started talking to himself Strangers shake their heads and walk around him on the street Meanwhile he learns a startling secret that could cause havoc should he expose it Should he keep it to himself or reveal it and blow up his marriage What s with Baum is Woody Allen s first novel and it is everything you would expect of him and more A portrait of an intellectual crippled by neurotic concerns about the
