## **Secret Of Prisoner 1167:**

*The Secret of Prisoner 1167* James Tully, 1997-01-01      **1888** Peter Stubley, 2012-09-01 In 1888 Jack the Ripper made the headlines with a series of horrific murders that remain unsolved to this day But most killers are not shadowy figures stalking the streets with a lust for blood Many are ordinary citizens driven to the ultimate crime by circumstance a fit of anger or a desire for revenge Their crimes overshadowed by the few sensational cases are ignored forgotten or written off This book examines all the known murders in London in 1888 to build a picture of society Who were the victims How did they live and how did they die Why did a husband batter his wife to death after she failed to get him a cup of tea How many died under the wheels of a horse driven cab Just how dangerous was London in 1888      **Ripper Suspect D J**

Leighton, 2016-09-23 One of the most popular of all Ripper suspects Montague Druitt appears on the surface an unlikely killer Born into a comfortable bourgeois family he was educated at New College Oxford qualified for the Bar and played cricket for a number of strong club sides But there was another side to the agreeable Mr Druitt He moved in the artistic and aristocratic circles that overlapped with London's secretive homosexual culture was summarily dismissed from his post at a boys school and a few weeks later was found drowned in the Thames just months after the Jack the Ripper murders Six years later Chief Constable Sir Melville Macnaughten named Druitt as the murderer and gave the unhappy barrister a kind of immortality D J Leighton has dug deep into the background to Druitt's unhappy life and uncovered a web of intriguing connections linking the eldest son of the heir to the throne the Cambridge Apostles Sir Arthur Conan Doyle Virginia Woolf and the cricketing legend Prince Kumar Ranjitsinhji The book is a fascinating period piece that deftly weaves together the criminal sporting aristocratic and homosexual worlds of late nineteenth century London in search of the truth behind Macnaughten's surprising allegations This book is an excellent piece of period crime history with a Jack the Ripper setting It is a colourful Victorian underworld story mixing high society with scandal the golden age of amateur cricket and murder It is the authoritative debunking of the case for Druitt as Jack the Ripper This book weaves together the criminal sporting aristocratic and homosexual worlds of late nineteenth century London in search of the truth behind Sir Melville Macnaughten's surprising allegations      **The Thames Torso Murders** M. J. Trow, 2011-12-01 The author of *Jack the Ripper Quest* for a

Killer examines a different series of grisly unsolved murders in Victorian era London Dismembered corpses are discovered scattered along the banks of the river Thames a calculating clinical multiple murderer is on the loose and the London police have no inkling of the killer's identity and more than a century later they still don't In this M J Trow's latest reinvestigation of a bizarre and brutal serial killing he delves deep into the appalling facts of the case into the futile police investigations and into the dark history of late Victorian London The incredible criminal career of the Thames torso murderer has gripped readers and historians ever since he committed his crimes in the 1870s and 1880s The case poses as many questions as the even more notorious killings of Jack the Ripper How over a period of fifteen years did the Thames murderer get away with a

succession of monstrous and sensational misdeeds And what sort of perverted character was he why did he take such risks why did he kill again and again *Abberline* Peter Thurgood,2013-04-01 The name Frederick George Abberline has become synonymous with that of Jack the Ripper and he has been portrayed as everything from an alcoholic a drug addict a womaniser and a bully In reality Abberline was none of these but instead was a devoted husband and a dedicated policeman in a time of rampant corruption Furthermore the Whitechapel murders were not the only notorious cases he worked on From his humble origins as a clockmaker through to his rising through the ranks of the Metropolitan Police Abberline tells the story of a man who lead some of the most infamous investigations in criminal history Long before the Ripper Abberline infiltrated an Irish terrorist group known as the Fenians before he became embroiled in the Cleveland Street Scandal an incident that almost brought the Government to its knees When he retired from the police at the age of 49 Abberline had received eighty four commendations and awards a testament to his tenacity and ability *The Complete Jack The Ripper A-Z - The Ultimate Guide to The Ripper Mystery* Paul Begg & Martin Fido,2015-03-05 Hugely respected extensively quoted and widely regarded as the bible of Ripper studies *The Complete Jack the Ripper A to Z* is the ultimate reference for anyone fascinated by the Jack the Ripper mystery This new rewritten up to date edition includes sources and well over 100 photographs *The Complete jack the Ripper A Z* has an entry for almost every person involved in the case from suspects and witnesses to policemen and journalists plus the ordinary people who became caught up in the unfolding drama Written by three of the world s leading authorities on the case it takes a completely objective look at theories old and new describes all the key Ripper books and gives potted biographies of many of the authors Whether you are new to the mystery of Jack the Ripper or an experienced Ripperologist *The Complete Jack the Ripper A Z* will keep you turning the pages Fascinating and entertaining reading in its own right it is the essential reference to have beside you when you venture into the dark alleys of Victorian Whitechapel **Jack the Ripper** M. J. Trow,2009-11-01 The definitive investigation full of colorful details and sensational speculations for those who enjoy whodunits with a bit of real history Book News For more than a hundred and twenty years the identity of the Whitechapel murderer known to us as Jack the Ripper has both eluded us and spawned a veritable industry of speculation This book names him Mad doctors Russian lunatics bungling midwives railway policemen failed barristers weird artists royal princes and white eyed men All of these and more have been put in the frame for the Whitechapel murders Where ingenious invention and conspiracy theories have failed common sense has floated out of the window M J Trow in this gripping historical reinvestigation cuts through the fog of speculation fantasy and obsession that has concealed the identity of the most famous serial murderer of all time *Jack the Ripper and Black Magic* Spiro Dimolianis,2011-08-10 Jack the Ripper is a gothic tale of Victorian conspiracies the supernatural secret societies and the police Scotland Yard hunted a serial killer shrouded in politics as the mutilator of East End prostitutes This book uses historic sources and rare official reports to reveal dark and supernatural aspects of the Ripper case *The Ripper's Victims in Print*

Rebecca Frost,2018-01-12 Mary Ann Nichols Annie Chapman Elizabeth Stride Katherine Eddowes and Mary Jane Kelly the five known victims of Jack the Ripper are among the most written about women in history Hundreds of books on the Ripper murders describe their deaths in detail Yet they themselves remain as mysterious as their murderer This first ever study of the victims surveys the Ripper literature to reveal what is known about their lives how society viewed them at the time of their deaths and how attitudes and perceptions of them have or have not changed since the Victorian era *Ripperology* Robin Odell,2006 Ripperology a sometimes obsessive interest in studying the crimes of Jack the Ripper is a subject of timeless interest that has suffered from confusion exaggeration and hyperbole for over a century Jack the Ripper was probably the first serial killer to appear in a large metropolis at a time when the general populace was literate and the press was a force for social change The press was also partly responsible for creating many myths surrounding the Ripper *The Encyclopedia of Murder and Mystery* B. Murphy,1999-12-09 Bruce Murphy's Encyclopedia of Murder and Mystery is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories authors titles plots characters weapons methods of killing movie and theatrical adaptations What distinguishes this encyclopedia from the others in the field is its critical stance **London's Shadows** Drew D. Gray,2010-07-01 In 1888 London was the capital of the most powerful empire the world had ever known and the largest city in Europe In the west a new city was growing populated by the middle classes the epitome of Victorian values Across the city the situation was very different The East End of London had long been considered a nether world a dark and dangerous region outside the symbolic walls of the original City Using the Whitechapel murders of Jack the Ripper as a focal point this book explores prostitution poverty revolutionary politics immigration the creation of a criminal underclass and the development of policing It also considers how the sensationalist new journalism took the news of the Ripper murders to all corners of the Empire and to the United States This is an important book for those interested in the history of Victorian Britain *Ripper Notes* Wolf Vanderlinden,John Hacker,2004-06-15 Ripper Notes America Looks at Jack the Ripper is a collection of essays about the notorious Whitechapel serial killer and related topics It leads off with a newly discovered and never before republished 1892 interview with Assistant Commissioner Robert Anderson of Scotland Yard Anderson was a very important figure in the investigations and made statements later in life that the killer had been identified and put into an asylum This article is accompanied by a short analysis showing why that is unlikely Wolf Vanderlinden then gives an in depth look at the suspects in the 1891 death of prostitute Carrie Brown in New York City a case long connected by many to the earlier string of Ripper killings in the East End of London This is followed by coverage of the 2004 U S Ripper Conference including essays by John Hacker Jack the Ripper and Technology Ripperology in the Twenty First Century and Stan Russo The Strange Case of Dr Hewitt which questions why some suspects are treated more seriously than they probably should be adapted from their presentations there A number of shorter pieces by various authors follows Ripper Notes is a nonfiction anthology series covering all aspects of

the Jack the Ripper murder case      *The Ripper Inside Us* Rebecca Frost, 2024-04-10 The story of Jack the Ripper has had continual interest since he stalked the streets of Whitechapel during the Autumn of Terror in 1888 During this time the murders of the Canonical Five made headlines all over the world while in the modern day the Ripper story continues to permeate all forms of media on the page screen in podcasts and in fiction We continue to search for something we will likely never and perhaps do not even wish to discover Jack s true name This book looks at the lasting intrigue of Jack the Ripper and how his story and the stories of the Canonical Five victims are brought back to life through modern lenses As psychological approaches and scientific techniques advance the Ripper s narrative evolves opening a more diverse means of storytelling and storytellers How these storytellers attempt to construct a full tale around the facts including the burning questions of motive and identity says more about us than the Ripper      *Jack the Ripper* Mark Whitehead, Miriam Rivett, 2012-11-01 So who was Jack the Ripper No one in the annals of crime is capable of arousing such passionate debate as the perpetrator of the Whitechapel Murders in 1888 Was he a demented Royal a Masonic assassin a sexually frustrated artist a member of the Czarist secret police a crazed reformist or even an escaped gorilla More than a century has passed since this unknown killer murdered East End prostitutes under the very noses of the police and yet we seem no closer to uncovering the Ripper s identity Countless volumes have been written by warring researchers seemingly unable to agree even on the number of his victims Is it possible that we will ever know the truth or is the Ripper destined to remain an enigma his place in history secured as both an English heritage crime icon and a universal bogeyman This revised and updated edition contains a summary of Jack s crimes victims and the ill fated police investigation It considers many of the Ripper s proposed identities bringing you up to date with the latest suspects and includes a guide to the Ripper s many fictional outings from The Lodger to From Hell      **Jack the Ripper - Through the Mists of Time** Peter Hodgson, 2011-08-26 Over a century ago a series of shocking mutilation murders took place in a squalid overcrowded district of Victorian London Five women fell victim to a man driven by rage and violent fantasy The newspapers of the day gave him a chilling nickname a name that evokes images of gas lit foggy streets and a top hatted sinister figure carrying a Gladstone bag From the outset the murderer attained almost mythical status merely by virtue of his name and his uncanny ability to avoid detection The legend of Jack the Ripper was born Peter Hodgson s detailed and entertaining overview of Ripper lore in fact film and fiction analyses the fiend s awesome legacy He explores the institutions and the individuals the Jewish community and their rituals with meat the scandal prone royal family the Victorian police and their simplistic methods of investigation the streetwalkers and their trade This book compares the fiction with the reality of those ghastly events and clearly shows how the real killer has been transformed into a creature of the mind the other Jack the Ripper Examination of the victims mutilations reveals the true nature of Jack s grotesque fantasies This aspect coupled with his elementary anatomical knowledge is used in conjunction with the FBI s appraisal of the case to construct a unique psychological profile From the

long list of candidates the author reveals his prime suspect for the role of the world's most infamous serial killer Book reviews online PublishedBestsellers website      **The Little Book of Jack the Ripper** The Whitechapel Society,2014-09-01 Did you know Annie Chapman's uterus and Mary Jane Kelly's heart were removed by the killer A prince of England is amongst the suspects Some believe the killings were covered up by the Masons The Jack the Ripper mystery is one of the greatest whodunnits the world has ever known With a backdrop of swirling fog top hats and dark alleys it is easy to see why this fascinating tale still continues to capture the imagination The Little Book of Jack the Ripper explores the world of Victorian London examining the case from every angle and including witness statements reports and the reactions of the press Richly illustrated it is a book that you can dip in and out of during the twilight hours but only if you're brave enough Compiled by the Whitechapel Society and drawing on their incredible expertise it will delight true crime enthusiasts everywhere      **Media and the Murderer** Rebecca Frost,2020-08-18 Some criminals become household names while others even those who seek recognition through their crimes are forgotten The criminal's actions are only a part of every famous true crime story Other factors such as the setting and circumstances of the crimes and the ways in which others take control of the narrative ultimately drive their notoriety Through a comparison of the tellings and retellings of two famous cases more than a century apart the Jack the Ripper killings in 1888 and the murder trials of Steven Avery as documented in *Making a Murderer* this book examines the complicated dynamics of criminal celebrity      *The Trial of Jack the Ripper* E Macpherson,2011-11-18 A shocking and brutal murder had taken place in the city in February that year and the words Jack Ripper is at the back of this door were found written in chalk on a door at the scene of the crime When he was arrested the accused William Bury admitted that he was afraid he would be arrested as Jack the Ripper The police investigation uncovered some disturbing details William Bury was a small dark haired man who was known to have been violent towards women He had been born and brought up in the Midlands but had moved to the East End of London in the late autumn of 1887 On 20 January 1889 he and his wife travelled by boat to Dundee This meant that he had arrived in London before the start of the Jack the Ripper murders and had left around the same time that they ceased Could this be coincidence people wondered Could it also be a coincidence that the murder in Dundee carried all the hallmarks of a ripper murder In the month before the trial the local newspapers in Dundee began to run sensational stories linking the accused with the notorious Whitechapel murders When the trial opened to a packed courtroom many in the public gallery were wondering if the man standing in the dock was none other than Jack the Ripper himself In this sensational and ground breaking book Euan Macpherson presents the evidence that the long arm of the law really did catch up with Jack the Ripper in a dingy basement flat in Dundee in the cold winter months of early 1889      **The Encyclopedia of Serial Killers** Michael Newton,2006-02 The Encyclopaedia of Serial Killers Second Edition provides accurate information on hundreds of serial murder cases from early history to the present Written in a non sensational manner this authoritative encyclopaedia debunks many of the myths

surrounding this most notorious of criminal activities New major serial killers have come to light since the first edition was published and many older cases have been solved such as the Green River Killer or further investigated like Jack the Ripper and the Zodiac Killer Completely updated entries and appendixes pair with more than 30 new photographs and many new entries to make this new edition more fascinating than ever New and updated entries include Axe Man of New Orleans BTK Strangler Jack the Ripper Ciudad Juarez Mexico John Allen Muhammad and Lee Boyd Malvo the Sniper Killers Gary Leon Ridgway the Green River Killer and Harold Frederick Shipman
