The Old Stone House and Other Stories Anna Katharine Green, 2022-09-16 In *The Old Stone House and Other Stories* Anna Katharine Green masterfully intertwines the elements of suspense and psychological depth within an engaging narrative framework This anthology showcases Green's signature blend of Gothic atmosphere and intricately crafted plots often revolving around themes of mystery and moral questioning The stories are set against the backdrop of 19th century America reflecting the societal norms and challenges of the era while employing a meticulous prose style that enhances the suspenseful tone and complex characterizations establishing Green as a forerunner in the detective fiction genre Anna Katharine Green often referred to as the mother of detective fiction was a pioneering American author whose literary career commenced in the late 19th century Influenced by her background in literature and her foray into law Green's acute observations of society and human psychology deeply informed her writing Her contributions to the genre laid the groundwork for future authors emphasizing plot intricacies and character development that would shape modern mystery fiction For readers who delight in a rich tapestry of suspense and intricate storytelling *The Old Stone House and Other Stories* is an essential addition to their literary repertoire Green's ability to evoke tension through vivid descriptions and psychological insights renders this collection not only entertaining but also intellectually engaging ensuring it resonates with both fans of classic literature and contemporary mystery enthusiasts *The Old Stone House and Other Stories* Anna Katharine Green, 1891

Arms for the Horn Jeffery Lefebvre, 2010-11-23 Using a great power small power theoretical approach and advancing a supplier recipient bargaining model Jeffery Lefebvre attempts to explain what the United States has paid for its relations with two weak and vulnerable arms recipients in the Horn of Africa Through massive documentation and extensive interviewing Lefebvre sorts through the confusions and shifts of the United States post World War II relations with Ethiopia and Somalia two primary antagonists in the Horn of Africa He consulted State Department Pentagon and AID officials congressional staffers current and former ambassadors and Ethiopian and Somali government advisers The story of U S arms transfers to northeast Africa is tangled and complex In 1953 1960 and 1964-66 the United States entered into various arms provision deals with Ethiopia spurred by the Soviet sponsored buildup in the region Policy changed in the 1970s Nixon refused a large aid request in 1973 and in 1977 Carter ended Ethiopia's military aid on human rights grounds and denied aid to Somalia during the 1977-78 Ogaden War Reversing this policy the Reagan administration extended military aid to Somalia despite its aggressive moves against Ethiopia Changes in U S relations and the revolution in Somalia have altered the picture once more Jeffery Lefebvre concludes that U S diplomacy in northeast Africa has been overly influenced by a cold war mentality In their obsession with countering Soviet pressure in the Third World Washington decision makers exposed U S interests to unnecessary risks and given far too much for value received during four decades of vacillating and misguided foreign policy *Arms for the Horn* should interest all concerned with arms transfer issues and security studies as well as
