Secrets of Ancient Tibet, 6,000 B.C. M.G. Hawking, 2025-09-16 Explore Ancient Tibet and its Profound Secret Knowledge The civilization of very ancient Tibet the lost kingdom of Zhang Zhung and its legendary tradition of sorcery and true magic is among the least known and most irritatingly mysterious obscurities of history Very little of its past has been deciphered and orthodox scholarship stands before Zhang Zhung in deeper darkness today than that which shrouded the Egypt of the Pharaohs before Champollion Archaeologists debate what the ancient civilization on the Qinghai Tibet Plateau actually was when it came and whence it came Doubtless many chapters of Tibet's ancient history will lie forever silent under her remote and desolate soil yet extant traditions exist and have been too readily set aside academic pundits love to brand as mythical the accounts which have endured the millennia and which mischievously persist The study of antiquity is properly accounted worthless except as it may be made living knowledge which illuminates and enriches our contemporary life Owing to a

remarkable series of events in an isolated region of the Himalayas I encountered an extraordinary group of people and through those encounters was privileged to learn that much of the secret knowledge of the ancient Zhang Zhung culture has not only been preserved it is powerful richly illuminating and utilized to this day As the reader will discover these shrouded secrets formulate the explorations in this book As one of their most illuminating concepts those traditions relate that there is a group of esoteric teachings the Four Portals which set forth the true nature of physical reality and techniques of powerful elemental magic or sorcery The first traces of the teachings are thought to have appeared as part of the lore of the pre Tibetan Zhang Zhung culture that arose in Tibet several thousand years ago but may have originated far earlier Being a forbidden body of knowledge said to convey enormous powers the teachings disappear from the historical record for countless centuries not to reemerge until the 7th century A D in the arcane scriptures of the ancient pre Buddhist B on religion According to those ancient traditions the teachings of the Four Portals were formulated by the earliest known Buddha like master Tonpa Shenrab Miwoche The B on traditions relate this historic event as occurring as early as 18 000 to 16 000 B C Although still shrouded in mystery our most recent research indicates that the extant evidence places the earliest date of the Zhang Zhung culture at about 6 000 B C although the date of 18 000 to 16 000 B C may indicate the existence of a true Zhang Zhung or pre Zhang Zhung culture existing prior to the Younger Dryas Boundary cataclysmic event that effectively erased early civilizations from the historical record Much like our most recent historical Buddha Shenrab renounced his life as a prince of the royal family to become a monk Over a period of many years the traditions relate he gained access to secret knowledge that had been imparted recorded and hidden away some two thousand years earlier by an entity known as Gekhoe With this knowledge Shenrab achieved enlightenment and otherworldly powers then later composed a comprehensive body of teachings to instruct qualified seekers on the means and techniques of attaining the most elevated wisdom and power Transcribed from explorer Hawking s five years in Nepal and Tibet this book reveals the profound secret knowledge of this long forgotten realm and its extraordinary secrets of sorcery and magic An incomparable read for anyone interested in occult and paranormal studies For more information please see the read sample feature Thank you *The Secrets of Tenley House* Patricia Dixon,2019-03-05 In this thriller by the author of *They Don t Know* circumstance and heartbreak unite two troubled women in a house where evil stalks the halls Ivy and Georgie have secrets and pasts riddled with shame and betrayal On a cold February day both women leave home hoping to rebuild their lives not knowing their worlds will soon collide When fate eventually brings them to Tenley House the home of a bitter domineering matriarch who controls her fickle son and terrorizes her adoptive granddaughter the women find themselves in danger Behind the facade of propriety amidst secrets and lies the truth will unfold when evil is awakened Hiding in plain sight and sworn to avenge the wrongs of the past someone stalks the corridors of Tenley They listen and wait patiently lurking in shadows tormenting their prey and when the time is right they strike down the occupants of Tenley one by one Previously published as *Death s Dark*
