Most Mysterious People Unsolved Mysteries of the Sea **A Brilliant Deceit and Other Essays** Lloyd M. Barré, 2001 In the first part of *A Brilliant Deceit and Other Essays* the author offers fresh evidence to support a thesis put forward by the famous New Testament scholar Hermann Samuel Reimarus 1694 1768 that the disciples of Jesus perpetrated a resurrection hoax That evidence is presented in a series of short essays that contain references to overlapping observations made by Reimarus The second part of the book isolates socio religious trajectories in ancient Israelite religion The author's fundamental findings challenge the widespread notion that ancient Israel was a homogeneous culture united under the worship of the high god Yahweh Sabaoth Instead he argues that the Old Testament traditions are not the product of one people but two originally and distinctly worshipping the high gods El and Yahweh Dr Barr received his doctorate in religion from Vanderbilt University in 1986 His writings have been published in such scholarly journals as the *Catholic Biblical Quarterly* *Vetus Testamentum* *Zeitschrift für die alttestamentliche Wissenschaft* and the *Journal for the Study of the Old Testament* He has contributed articles to the *Mercer Dictionary of the Bible* and his dissertation was published under the title *The Rhetoric of Political Persuasion The Narrative Artistry and Political Intentions of 2 Kings 9 11* *No More Masterpieces* Lucy Bradnock, 2021-01-01 This groundbreaking account of postwar American art traces the profound influence of Antonin Artaud Proposing an original reassessment of art from the 1950s to the 1970s *No More Masterpieces* reveals how artistic practice in postwar America was profoundly shaped by the work of the rebellious French poet and dramatist Antonin Artaud 1896 1948 A generation of artists mobilized Artaud's countercultural ideas to imagine new forms of representation and to redefine the relationship between artist and audience The book shows how Artaud's radical writings inspired the experimental theatrical work of John Cage Rachel Rosenthal and Allan Kaprow the attack on artistic and social conventions launched by assemblage artists Wallace Berman and Bruce Conner and the feminist work of Carolee Schneemann and Nancy Spero Lucy Bradnock traces the dissemination of Artaud's writings in America and demonstrates how his interest in political and cultural disorder the dangers of authority and the unreliability of representation found fertile ground in the context of the Cold War disillusionment with the ideals of Abstract Expressionism and the early years of identity politics **Bellamira, or The mistress. The atmosphere and atmospherical phenomena Thomas Dick, 1851 **On Surface and Place** Peta Carlin, 2018-03-21 *On Surface and Place* is a rich and poetic exploration of surfaces which foregrounds their significance in our understanding and experience of place Adopting weaving as its overarching metaphor it departs from

Gottfried Semper's discussion of correspondences between architecture and textiles and emerges from the reading of photographs a swatch of Harris Tweed and curtain wall facade juxtaposed. In juxtaposing the fabric of the city with the weave of Harris Tweed the book charts an original course across a range of connected ideas and questions combining many different themes, writers and disciplines. It presents integrated and innovative rethinkings on a number of fundamental relationships including correlations between body and building, word and image and between the rural and the metropolitan and the hand-crafted and the mass-reproduced. In doing so it seeks to foreground the very interrelationship of surface and place as it makes a claim for the relational nature of the world in which we live.
