Story of Justice and Mercy Lorimer 2010 learned the specifics of this matter as a result of his research around the Robert Latimer case In his new book written for non expert readers and citizens who have been summoned for jury duty he tells the story of jury nullification from Quaker leader William Penn to the modern day acquittal of Henry Morgentaler who was charged with conducting abortions Bauslaugh then lays out the arguments that some people make against jury independence and nullification and makes his own argument in favour of these safeguards He offers suggestions for jurors who may find themselves in a situation where their consciences are at odds with the law
