New Voices in Greek Orthodox Thought Trine Stauning Willert,2016-05-13 New Voices in Greek Orthodox Thought brings to the light and discusses a strand in contemporary Greek public debate that is often overlooked namely progressive religious actors of a western orientation International and Greek media tend to focus on the extreme views and to categorise positions in the public debate along well known dichotomies such as traditionalists vs modernisers Demonstrating that in late modernity parallel to rising nationalisms there is a shift towards religious communities becoming the central axis for cultural organization and progressive thinking the book presents Greece as a case study based on empirical field data from contemporary theology and religious education and makes a unique contribution to ongoing debates about the public role of religion in contemporary Europe

School Libraries Supporting Students with Hidden Needs and Talents Karla Bame Collins,2024-10-03 Together librarians and specialists can create experiences to reach all learners in their buildings including those with hidden needs and talents While school librarians are experts at collaborating with classroom teachers too often they overlook the specialists in their buildings as key collaborative partners Focusing on the many specialists who work with students Karla Bame Collins provides information about their roles and responsibilities and discusses how school librarians can collaborate to improve learning for all students including those with hidden needs disabilities and talents that are not easily detected and may go undiagnosed Because librarians work with every student but may not always be informed about each student s particular needs it s important for them to know whom in the school to turn to for information Librarians will gain ideas for working with students to provide the best possible learning environment for each This practical book looks at the whole school library environment collection instruction space and programming and offers many ideas for librarians to collaborate with other educators and specialists for the good of all students

Confirmation Whitley Strieber,1999-02-15 Warning After you read this book you

will believe in alien life The possible existence of extraterrestrial life is a phenomenon that has sparked more debate controversy fascination and passion than any in recent history Outpourings of UFO sightings alien abductions and covert government activity point to a truth which as much as some people would like to simply won't die Now in this provocative new book bestselling author and UFOlogist Whitley Strieber boldly explores the vast territory of alien encounters uncovering the most conclusive evidence of all physical evidence that aliens may really be here Marvel as Whitley Strieber tells his own compelling story and those of countless others while you discover Shocking new close encounters many involving groups of people Thousands of sightings worldwide many captured on video Shocking evidence of five mysterious implants surgically removed from human bodies And much much more The most compelling question in the universe has remained unanswered for centuries Now finally there is Confirmation With a gallery of thought provoking photos
