Secret Societies And The Founding Of America:

The Secret Founding of America Nicholas Hagger, 2016-11-15 The widely accepted story of the founding of America is that The Mayflower delivered the first settlers from Plymouth to the New World in 1620 Yet in reality the Jamestown settlers had already become the first English speaking outpost thirteen years earlier in 1607 The Secret Founding of America introduces these two groups of founders the Planting Fathers who established the earliest settlements along essentially Christian lines and the Founding Fathers who unified the colonies with the Declaration of Independence and the Constitution and it argues that the new nation conceived in liberty was the Freemasons first step towards a new world order Drawing on original findings and an in depth understanding of the political and philosophical realities of the time historian Nicholas Hagger charts the connections between Gosnold and Smith Templars and Jacobites and secret societies and libertarian ideals He also explains how the influence of German Illuminati worked on the constructors of the new republic and shows the hand of Freemasonry at work at every turning point in America s history from Civil War to today s global struggles for democracy

Secret Societies and the Founding of America K. C. Willson, 2003-01 What is the secret destiny of America and who will be its ultimate one world ruler This book answers the shocking question What did our nation s founders really have in mind for the future of America Did they really picture this country as the Land of the Free or did they have a secret agenda in mind that would establish a New World Order for 1000 years to come Unknown to most Americans there is a secret symbolism behind the Great Seal on the back of our dollar bill as well as the true meaning of the eagle the winged serpent and the olive branch The New World Order did not begin with George Bush Senior but has its roots thousands of years ago in the secret societies of Egypt and the Middle East having been implemented by those Illuminated Ones who felt they were born with a God given right to rule and control the masses for the good of the world This book is for every conspiracy buff who sees a hidden meaning to world events and understands the true nature of the beast the New World Order and the Secret Government

spiritual vision **Secret Societies of America's Elite** Steven Sora, 2003-02-24 An expose of the dark and critical role secret societies play within the ruling families in America and their influence on American democracy current events and world history Reveals the enormous influence secret societies still have on contemporary American life Shows how the secret Masonic cells that smuggled in the democratic ideals inspiring the American Revolution also enabled the future elite of the new society to build huge fortunes Elite and secret societies have always been a major force in the history of Western civilization The alliances formed in secret societies such as the Knights Templar the Knights of Christ and the Freemasons transcended patriotism and religious beliefs and had a powerful influence on the establishment of the United States of America While these secret associations of merchants smugglers occultists gamblers spies and slavers succeeded in freeing the United States from foreign domination the dark side is that the elite used their secret connections to further their own wealth and power These secret cells did not hesitate to sponsor the assassination of a president and even attempted to break up the union on several occasions when it was deemed expedient From the Sons of Liberty and the Essex Junto to the Ku Klux Klan secret societies have played critical roles in building the fortunes of America's elite Now Steven Sora reveals in alarming detail how secretive societies continue to wield power even today as organizations such as Yale's Skull Bones unite America's modern ruling families as strongly as Masonic Lodges once connected the Astors Livingstons and Roosevelts Their immense power and wealth allow this elite to control America to an even greater degree than the Templars once dominated Europe **Secret Societies and Clubs in American History** David Luhrssen, 2015-09-09 Grounded in extensive historical research this eye opening survey reveals the long undervalued role secret societies have played in American history Americans are fascinated by secret societies and have devoured exaggerated claims for their influence At the same time scholarly assessments of covert groups that have shaped American social cultural and political history have often undervalued their role or even questioned their existence This survey challenges both the exaggerators and the deniers Freemasons They may not be the hidden rulers of the world but a significant number of America's founders were Masons The Know Nothings Two American presidents joined the movement The Bohemian Grove Republican politicians and corporate leaders really did engage in strange behavior under the redwood trees through the 20th century Revealing fascinating facts about some of the most talked about covert societies including the Mafia the Skull and Bones and the Ku Klux Klan **Secret Societies and Clubs in American History** exposes the truth about the subcultures that made their mark on some of the most important events in the nation's history and contributed to the shaping of the country itself [The Secret Temple](#) Peter Levenda, 2020 This is a unique history of Masonry written from the perspective of an educated outsider The author is sympathetic to Masonic goals a historian of secret societies and political conspiracies and an exhaustive researcher He looks back to the earliest roots of the Craft and then traces its influence into modern times From the Bible's Temple of Solomon through the Knights Templars to the Rosicrucians and Illuminati we learn of Masonry's roots and early history Enlightenment

philosophy and the revolutionary currents of eighteenth century Europe opened an opportunity for the American experiment. Sacred geometry and architecture combined to create Washington DC and the rest as they say is history. A Secret Society History of the Civil War Mark A. Lause, 2011-12-01 This unique history of the Civil War considers the impact of nineteenth century American secret societies on the path to as well as the course of the war. Beginning with the European secret societies that laid the groundwork for Freemasonry in the United States, Mark A. Lause analyzes how the Old World's traditions influenced various underground groups and movements in America, particularly George Lippard's Brotherhood of the Union, an American attempt to replicate the political secret societies that influenced the European revolutions of 1848. Lause traces the Brotherhood's various manifestations, the most conspicuous being the Knights of the Golden Circle, out of which developed the Ku Klux Klan and the Confederate secret groups through which John Wilkes Booth and others attempted to undermine the Union. Lause profiles the key leaders of these organizations with special focus on George Lippard, Hugh Forbes, and George Washington Lafayette Bickley. Antebellum secret societies ranged politically from those with progressive or even revolutionary agendas to those that pursued conservative or oppressive goals. This book shows how in the years leading up to the Civil War these clandestine organizations exacerbated existing sectional tensions in the United States. Lause's research indicates that the pervasive influence of secret societies may have played a part in key events such as the Free Soil movement, the beginning of the Republican party, John Brown's raid on Harpers Ferry, Lincoln's election, and the Southern secession process of 1860-1861. This exceptional study encompasses both white and African American secret society involvement, revealing the black fraternal experience in antebellum America as well as the clandestine operations that provided assistance to escaped slaves via the Underground Railroad. Unraveling these pervasive and extensive networks of power and influence, *A Secret Society History of the Civil War* demonstrates that antebellum secret societies played a greater role in affecting Civil War era politics than has been previously acknowledged.
