A BUNCH OF FLOWERS Dana Berzinjy, 2013-10-22 I have written different kinds of poems in Australia and in Iraqi Kurdistan I would like to share them with readers who are interested in reading poems about different cultures and for them to feel and sense the sorrows of other people in the world My book consists of an introduction the city of Koya and its history the university of Koya the history of English language and brief explanation on poetry as well My emotional poems come from real life events that I have seen and experienced Its not easy to describe what I have seen and what I have gone through in life unless I write it down Sometimes I could say it was happiness but at the same time sadness that I experienced which are evident in my poems as well But I can say I have enjoyed both because life is full of ups and downs and this is what makes us be the person we are Since I started Intermediate School in September 1971 My feelings and emotions moved me mentally and physically towards writing poems I could say that the political situation and the bad treatment towards the Kurds and Kurdistan as well as the bad economical situation generally had affected me The political situation in our life turned all the beautiful things upside down I started to write poems in Kurdish when I was in Highschool and I collected hundreds of poems They were about love our land poverty and political situations As a student from an average family low class income we were just able to survive with no extra money to spend on other things I was not able to publish them in a small booklet and it was not an easy process The former Iraqi government or any other organization did not provide help in order to publish it I kept them at home At that time some of the poems were even prohibited to be seen by anyone or to be published at all If they were captured in your house by the Iraqi authorities it would have cost my life my family's life or the government would knock down our house I liked my poems

and they were became a big part of my life This feeling never stopped It continued and grew like a small child with me In June 1981 I escaped from the former Iraqi army as I was a soldier I was in the city of Basra in South of Iraq at that time due to the Iraqi and Iranian war I encouraged all my friends to run away from the army We were a group of Kurdish soldiers we escaped at night through the Arab river by a small boat which was located at South East of Basra We went back to the city of Slemani in Iraqi Kurdistan After a few days I left the city towards a liberated Kurdish area which was under the control of the Patriotic Union of Kurdistan PUK which was a political organization I settled in the village of Maiyawa in the district of Sharbajer Srochk I stayed there for two years with hundreds of other escapees at the village But I was living in an empty school with my cousin I started to write poems about every single true emotion that came into my mind for instance I did write about so many fights that were happened in our area between the Kurdish Freedom Fighters and the Iraqi army I wrote so many poems and a few stories for two years even I went to Iran couple times and wrote about my trips I had two books full of poems when I came back to Slemani the Iraqi government granted the Kurdish soldiers amnesty in order the Kurdish escapees to join the Iraqi army again We joined the Iraqi army for six months then the Kurdish soldiers were retired from the Iraqi army due to being Kurds In 1985 I was working at the university of Salahaddin in Erbil Hewler the capital city of the Kurdish Regional Government KRG and I was not home then around 50 000 Iraqi soldiers were poured *Herd Register*
