The IRA James C. Dingley, 2012-10-02 Authored by an individual with 30 years of experience studying terrorism as well as access to the most senior counter terrorist army and police officers combating the IRA this book provides the first complete analysis of the world s premier terrorist group to explain them in ideological as well as operational terms The IRA The Irish Republican Army begins by examining the historical background to the development of the IRA the group s basic ideology and its aims and objectives The second part of the book concentrates on the IRA specifically the Provisional IRA as a contemporary phenomenon explaining its organization how it operates who joins the IRA and why The book explores how the

IRA was formed from a Romantic reaction against modernity and is an expression of a vehement rejection of the liberal individualist and scientific values of the Enlightenment. The IRA's attachment to violence almost as an end in itself, its conflation of Catholicism with Irishness, its rejection of big business for peasant proprietor economics and its disregard for individual rights in pursuit of group rights is explained in terms of the group's scholastic Catholicism foundation. For academic audiences in Irish studies, politics, sociology, history and security and defense studies as well as professional security forces and interested general readers with an interest in current affairs, this book supplies a wholly new perspective on both the IRA and terrorism in general. *The Dynamics of the Armed Struggle* J. Bowyer Bell, 2012-10-12. This is an analysis of one of the most prevalent forms of political violence at the end of the millennium. The author has been shot at, kidnapped, expelled and questioned in wars from Central America to Northern Ireland. The book reflects his access to the cultures of political violence.

Out of the Ashes Robert White, 2017-04-25. *Out of the Ashes* is the definitive history of the Provisional Irish Republican movement from its formation at the outset of the modern Troubles up to and after its official disarmament in 2005. Robert White, a prolific observer of IRA and Sinn Féin activities, has amassed an incomparable body of interview material from leading members over a thirty-year period. In this defining study, the interviewees provide extraordinary insights into the complex motivations that provoked their support for armed struggle, their eventual reform, and the mind-set of today's dissidents who refuse to lay down their arms. Those interviewed stem from every stage of the Provisionals' history, from founding figures such as Seán Mac Stíofáin, Ruairí Ó Brádaigh and Joe Cahill to the new generation that replaced them: Martin McGuinness, Danny Morrison and Brendan Hughes among others. *Out of the Ashes* is a pioneering history that breaks new ground in defining how the Provisionals operated, caused worldwide condemnation and were transformed by constitutional politics. *Managing Terrorism and Insurgency* Cameron I. Crouch, 2009-09-10. This book examines how governments can weaken the regenerative capabilities of terrorist and insurgent groups. The exploration of this question takes the form of a two-tier examination of three insurgent actors whose capacity to regenerate weakened in the past: the Front de libération du Québec (FLQ) of Canada, the Movimiento de Liberación Nacional (MLN) of Uruguay, and the Provisional Irish Republican Army (PIRA) of Northern Ireland during the mid-1970s. At the first level of its examination, the book investigates the extent to which the regenerative capacities of the FLQ, MLN, and PIRA weakened because of an increase in attrition and a decrease in recruitment. The primary objectives of this analysis are to uncover whether a declining intake of recruits played a lesser, equal, or greater role than a burgeoning loss of personnel in weakening the capacities to regenerate of the three insurgent actors and, in turn, to shed greater light on the broader validity of the prevailing view in conflict studies that a decrease in recruitment is more important than an increase in attrition in effecting the corrosion of an insurgent actor's capacity to regenerate. At the second level of its exploration, the book assesses the effectiveness of five of the most prominent policy prescriptions in the literature: insurgent recruitment, attrition, ameliorating grievances, selective repression,

discrediting insurgent ideology improving intelligence collection and restricting civil liberties This book will be of much interest to students of terrorism and counter terrorism conflict studies strategic studies and security studies in general Cameron Crouch is currently an Analyst at Allen Consulting Group an Australian economics and public policy consulting firm He has a PhD from the Strategic and Defence Studies Centre at The Australian National University

The Metamorphosis of War, 2012-01-01 In the last few decades the practice purpose and the very language of warfare have been radically transformed This volume mobilizes the resources of a range of disciplines across the social sciences and humanities in combination with the insights of military practitioners to understand the metamorphosis of war

Ruairí Ó Brádaigh Robert W. White, 2020-05-05 A biography and analysis of the influential Irish political and military leader At his death in 2013 Ruair Br daigh remained a divisive and influential figure in Irish politics and the Irish Republican movement He was the first person to serve as chief of staff of the Irish Republican Army as president of the political party Sinn F in and to have been elected as an abstentionist to the Dublin parliament He was a prominent uncompromising and articulate spokesperson of those Irish Republicans who questioned the peace process in Northern Ireland His concern was rooted in his analysis of Irish history and his belief that the peace process would not achieve peace He believed that it would support the continued partition of Ireland and result in continued inevitable conflict The child of Irish Republican veterans Br daigh led IRA raids was arrested and interned escaped and lived on the run and even spent a period on a hunger strike Because he was an effective spokesman for the Irish Republican cause he was at different times excluded from Northern Ireland Britain the United States and Canada He was also a key figure in the secret negotiation of a bilateral IRA British truce in the mid 1970s In a brief afterword for this new edition author Robert W White addresses Br daigh s continuing influence on the Irish Republican Movement including the ongoing dissident campaign Whether for good or bad this ongoing dissident activity is a part of Ruair Br daigh s enduring legacy A tour de force Indispensable for all Irish studies collections Essential Choice

Violence, Nonviolence, and the Palestinian National Movement Wendy Pearlman, 2011-10-24 Why do some national movements use violent protest and others nonviolent protest Wendy Pearlman shows that much of the answer lies inside movements themselves Nonviolent protest requires coordination and restraint which only a cohesive movement can provide When by contrast a movement is fragmented factional competition generates new incentives for violence and authority structures are too weak to constrain escalation Pearlman reveals these patterns across one hundred years in the Palestinian national movement with comparisons to South Africa and Northern Ireland To those who ask why there is no Palestinian Gandhi Pearlman demonstrates that nonviolence is not simply a matter of leadership Nor is violence attributable only to religion emotions or stark instrumentality Instead a movement s organizational structure mediates the strategies that it employs By taking readers on a journey from civil disobedience to suicide bombings this book offers fresh insight into the dynamics of conflict and mobilization

Secret Army The Ira Introduction

In the digital age, access to information has become easier than ever before. The ability to download Secret Army The Ira has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Secret Army The Ira has opened up a world of possibilities. Downloading Secret Army The Ira provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Secret Army The Ira has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Secret Army The Ira. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Secret Army The Ira. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Secret Army The Ira, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Secret Army The Ira has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
