## **Secret Life Of Laszlo Almasy The Real English Patient:**

**The Secret Life of Laszlo Almasy** John Bierman, 2004 More than forty years after his death Laszlo Almasy's name would become famous in Anthony Minghella's film *The English Patient* But who was he really Was he a spy If so for whom the Allies or the Germans John Bierman's wide ranging investigation of Almasy's life and career reveals an even more complex and enigmatic figure than Hollywood allowed Wonderful Things: A History of Egyptology, Volume 3 Jason

Thompson, 2018-10-16 The discovery of ancient Egypt and the development of Egyptology are momentous events in intellectual and cultural history The history of Egyptology is the story of the people famous and obscure who constructed the picture of ancient Egypt that we have today recovered the Egyptian past while inventing it anew and made a lost civilization comprehensible to generations of enchanted readers and viewers thousands of years later This the third of a three volume history of Egyptology follows the progress of the discipline from the trauma of the First World War through the vicissitudes of the twentieth century and into Egyptology's new horizons at the beginning of the twenty first century *Wonderful Things* affirms that the history of ancient Egypt has proved continually fascinating but it also demonstrates that the history of Egyptology is no less so Only by understanding how Egyptology has developed can we truly understand the Egyptian past

**The Beautiful Spy** David Tremain, 2019-04-05 In September 1940 a beautiful young woman arrived by seaplane and rubber dinghy on the shores of Scotland accompanied by two men one of Germany's many attempt to penetrate British defences and infiltrate spies into the UK This seems to be one of the few established facts in the otherwise mysterious tale of Vera Eriksen Even the origins of the woman described as the most beautiful spy remain hazy as does her ultimate fate David Tremain delves into the archives and in doing so begins to reveal glimpses of her fascinating life story her career as a dancer in Paris a tumultuous and violent dalliance with a White Russian officer of uncertain identity her time in England with the Duchesse de Chateau Thierry an Abwehr agent the suspicious and untimely death of her husband and a rumoured pregnancy *The Beautiful Spy* also grapples with perhaps the biggest mystery of all what happened to Vera after she was released by the British The London-Budapest Game Catherine Eva Schandl, 2007 *The London Budapest Game* is the true

sequel to *Sword of the Turul* with a unique glimpse into the British underground in World War II Hungary and its aftermath. From 1991 to 2001 a Swedish-Russian joint Commission investigating the fate of Swedish diplomat Raoul Wallenberg discovered that 3 Hungarian numbered prisoners secretly held in Vladimir prison, Soviet Union, had been connected to his case. One was Karoly Schandl, a young lawyer in Budapest who lived near the Swedish Embassy. This is the continuation of his shocking true story supported by historical documents and excerpts from his private writings. Karoly's anti-Nazi resistance group was led by his childhood friend Gabor Haraszty, aka a British agent ALBERT. The group had links to MI9, ISLD, MI6, SOE, Colonel Howie, the Dutch and Polish Underground, the Tito partisans, and a group of famous Jewish parachutists from Palestine with whom they had planned to collaborate in Hungary. It was a dangerous game and only a few would survive.

*Castration Desire* Robinson Murphy, 2023-12-14. Theorizes an alternative form of masculinity in global literature that is less egocentric and more sustainable both in terms of gendered and environmental power dynamics. Contemporary novelists and filmmakers like Kazuo Ishiguro (Japanese), British Emma Donoghue (Irish), Canadian Michael Ondaatje (Sri Lankan), Canadian Bong Joon-ho (South Korean), and J. M. Coetzee (South African/Australian) are emblematic of a transnational phenomenon that Robinson Murphy calls castration desire. That is, these artists present privileged characters who nonetheless pursue their own diminishment. In promulgating through their characters a less egocentric mode of thinking and acting, these artists offer a blueprint for engendering a more other-oriented global relationality. Murphy proposes that, in addition to being an ethical prerogative, castration desire's less-is-more model of relationality would make life livable where veritable suicide is our species' otherwise potential fate. Castration desire thus offers an antidote to rapacious extractivism with the ambition of instilling a sustainable model for thinking and acting on an imminently eco-apocalyptic earth. In providing a fresh optic through which to read a diversity of text types, *Castration Desire* helps define where literary criticism is now and where it is headed. *Castration Desire* additionally extends and develops a zeitgeist currently unfolding in critical theory. It brings Leo Bersani's concept, psychic utopia, together with Judith Butler's radical egalitarianism but transports their shared critique of phallic individualization into

the environmental humanities In doing so this book builds a new framework for how gender studies intersects with environmental studies
