The Golden Future Osho, 2023-09-15 Silence usually is understood to be something negative something empty an absence of sound of noises This misunderstanding is prevalent because very few people have ever experienced silence All that they have experienced in the name of silence is noiselessness But silence is a totally different phenomenon It is utterly positive It is existential it is not empty It is overflowing with a music that you have never heard before with a fragrance that is unfamiliar to you with a light that can only be seen by the inner eyes It is not something fictitious it is a reality and a reality which is already present in everyone just we never look in All our senses are extrovert Our eyes open outside our ears open outside our hands move outside our legs all our senses are meant to explore the outside world Love at First Sight Jessica Gilmore, 2024-07-04 The perfect summer read I absolutely loved this book from start to finish Swooned over the delicious Luca A very enjoyable read She's in love Just with the wrong man Nora is done with dating but still dreams of finding the one So when a handsome stranger comes to her rescue one night and vanishes leaving only a business card it's like a scene out of a romcom It doesn't take long for the two to bump into each other again and Nora falls for the perfect on paper Gabe Only a few weeks later he invites her to Sicily and she cannot believe her luck Until Gabe is forced away for work leaving her alone with his big and warm family in gorgeous Sicily who welcome her with open arms Everyone but Luca his older and distrustful brother who is always around Soon Nora finds herself on the holiday of a lifetime just with the WRONG brother Hilarious steamy and delightfully escapist Love at First Sight is While You Were Sleeping meets Emily Henry set in gorgeous Italy
