an interest in Christian readings of Jewish writings **Serpent of Light** Drunvalo Melchizedek, 2008-01-01 Serpent of Light is a masterful description of the great Earth activations that are occurring during the end of the Mayan Calendar Barbara Hand Clow author of The Mayan Code Every 13 000 years on Earth a sacred and secret event takes place that changes everything Mother Earth's Kundalini energy emerges from its resting place in the planet's core and moves like a snake across the surface of our world Once at home in ancient Lemuria it moved to Atlantis then to the Himalayan mountains of India and Tibet and with every relocation changed our idea of what spiritual means And gender And heart This time with much difficulty the Serpent of Light has moved to the Andes Mountains of Chile and Peru Multi dimensional multi disciplined and multi lived for the first time in this book Drunvalo begins to tell his stories of thirty five years spent in service to Mother Earth Follow him around the world as he follows the guidance of Ascended Masters his two spheres of light and his own inner growing knowledge His story is a living string of ceremonies to help heal hearts align energies right ancient imbalances and balance the living Earth's Unity Consciousness Grid in short to increase our awareness of the indivisibility of life in the universe We are all rocks and people and interdimensional beings one Life may seem to be business as usual but it is not We are changing fast Remember this for life is going to present stranger things to you in your lifetime and they all have meaning and purpose Only Mother Earth and ancient Maya know what's going to happen from Serpent of Light **Love & Light** Clayton Tylor, 2017-05-20 This book examines Swedenborg's spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth **Atomic Light** Akira Mizuta Lippit, Dreams x rays atomic radiation and invisible men are phenomena that are visual in nature but unseen Atomic Light Shadow Optics reveals these hidden interiors of cultural life the avisual as it has emerged in the writings of Jorge Luis Borges and Jacques Derrida Tanizaki Jun ichir and Sigmund Freud and H G Wells and Ralph Ellison and in the early cinema and the postwar Japanese films of Kobayashi Masaki Teshigahara Hiroshi Kore eda Hirokazu and Kurosawa Kiyoshi all under the shadow cast by the atomic bombings of Hiroshima and Nagasaki Akira Mizuta Lippit focuses on historical moments in which such modes of avisuality came into being the arrival of cinema which brought imagination to life psychoanalysis which exposed the psyche the discovery of x rays which disclosed the inside of the body and the catastrophic light of Hiroshima and Nagasaki which instituted an era of
