Covert Operations Karma Lochrie,2012-05-28 Selected by Choice magazine as an Outstanding Academic Book In Covert Operations Karma Lochrie brings the categories and cultural meanings of secrecy in the Middle Ages out into the open Isolating five broad areas confession women s gossip medieval science and medicine marriage and the law and sodomitic discourse Lochrie examines various types of secrecy and the literary texts in which they are played out She reads texts as central to Middle English studies as the Parson s Tale the Miller s Tale the Secretum Secretorum and Sir Gawain and the Green Knight as well as a broad range of less familiar works including a gynecological treatise and a little known fifteenth century parody in which gossip and confession become one As she does so she reveals a great deal about the medieval past and perhaps just as much about the early development of the concealments that shape the present day      **The Secret of Secrets** William Francis Ryan,Moshe Taube,2019      **The Likeness of the King** Stephen Perkinson,2009-10-15 Anyone who has strolled through the halls of a museum knows that portraits occupy a central place in the history of art But did portraits as such exist in the medieval era Stephen Perkinson s The likeness of the king challenges the canonical account of the invention of modern portrait practices offering a case against the tendency of recent scholarship to identify likenesses of historical personages as the first modern portraits Focusing on the Valois court of France he argues that local practice prompted shifts in the late medieval understanding of how images could represent individuals and prompted artists and patrons to deploy likeness in a variety of ways      **Franciscans and the Elixir of Life** Zachary A. Matus,2017-04-27 One of the major ambitions of medieval alchemists was to discover the elixir of life a sovereign remedy capable not only of healing the body but of transforming it Given the widespread belief that care for the body came at the cost of care for the soul it might seem surprising that any Franciscan would pursue the elixir but those who did were among its most outspoken and optimistic advocates They believed they could distill a substance that would purify transmute and ennoble the human body as well as the soul In an age when Christians across Europe were seeking material evidence for their faith and corporeal means

of practicing their devotion alchemy and the elixir in particular offered a way to bridge the terrestrial and the celestial Framed as a history around science Franciscans and the Elixir of Life focuses on alchemy as a material practice and investigates the Franciscan discourses and traditions that shaped the pursuit of the elixir providing a rich examination of alchemy and religiosity Zachary A Matus makes new connections between alchemy ritual life apocalypticism and the particular commitment of the Franciscan Order to the natural world shedding new light on the question of why so many people claimed to have made seen or used alchemical compounds that could never have existed *The Secret of the Calligraphers' Ink* Alex Rooth, Sharp Mere is a place of secrets None more so than the Order of Calligraphers Zharn Korral a young calligrapher wants answers His artistic talent sets him apart but skill alone will not unlock the door to the greatest mystery of all the secret of the calligraphers ink Nor will Zharn s ability with a brush be all that is required of him when ordered to work for the Lord of Sharp Mere The Lord is as unpredictable as he is powerful and nothing goes as planned Face to face with the Lord himself a lethal bodyguard and a beautiful stranger Zharn will have to use all his wits to emerge unscathed This is a complete story in itself but follows on from Jennifleur Quazarian and the Order of Truth **The Secret of Letting Go** Guy Finley,2010-09-08 With more than two million copies of all of his books in print Guy Finley s message of self liberation has touched people around the world Discover how to extinguish self defeating thoughts and habits that undermine true happiness Exploring relationships depression and stress his inspiring words can help you let go of debilitating anxiety unnecessary anger paralyzing guilt and painful heartache True stories revealing dialogues and thought provoking questions will guide you toward the endless source of inner strength and emotional freedom that resides within us all Praise There is something profoundly healing in the way Guy Finley talks to us as if he understands what we have gone through and what we are now capable of Hugh Prather author of Notes to Myself Guy Finley is one of the most respected people in self development because he guides the seeker s soul with common sense humor and ultimate spirituality Linda Mackenzie general manager Healthylife net Guy Finley s insights are an absolute goldmine of true wisdom he is simply one of the best at describing the inner game and awakening to a higher level of self Karen King co founder InnerHealingCompass com **The Garden Magazine** ,1909 **Garden Magazine and Home Builder** ,1911 *The Secret of My Child's Success* Gisel Hazan,2017-03-20 Every parent brings her his child into the world wishing that the child will be healthy happy and successful What is SUCCESS and what is the SECRET of being successful There are two different ideas in the education world Does the child develop a personality by nature or by nurture Even if we accept both views to a certain degree we need to know that every minute we can educate and change ourselves by improving our brain s functioning In recent years even people who were raised under difficult conditions have been able to find opportunities to improve and educate themselves thanks to self help books This book draws on my educational and professional experience on child psychology as well as on information derived from other helpful books We should perform our parenthood duties as set forth in the famous Khalil
