Secret Paths Women In The New Midlife:

Secret Paths Terri Apter, 1997-01-07 The author of *Altered Loves* now turns her analytical eye toward middle aged women The result is both lively and revealing New York Times Book Review **Secret Paths: Women in the New Midlife** Terri Apter, 1997-01-17 The author of *Altered Loves* now turns her analytical eye toward middle aged women The result is both lively and revealing New York Times Book Review In this groundbreaking and insightful study Terri Apter traces women's midlife course drawing on detailed interviews with women in their forties and fifties Apter finds that women experience a renewed sense of themselves and see the second half of life as an opportunity for psychological growth and fulfillment instead of a time of despair over lost youth and beauty She divides midlife women into four categories traditional innovative expansive protesting and shows the cause for the midlife crisis and the path toward resolution for each type

Wise Women Phyllis Freeman, Jan Schmidt, 2013-12-02 *Wise Women* is a collection of autobiographical essays by important and renowned teachers at mid life The essays which are deeply personal will focus on how these women negotiate the psychological physical and social changes brought on by menopause and how the aging process affects their lives as professionals feminists writers mentors and instructors in the academy The book addresses such questions as the following What challenges are left for the feminists who came of age during the women's movement and now have achieved academic success How do women teachers experience their aging selves in the classroom What legacy will mid life women leave their younger women colleagues All of these questions as well as many others are covered in this insightful and groundbreaking work **Awakening at Midlife** Kathleen A. Brehony, 1997-09-01 Fraught with physical relational professional and psychological changes midlife can be a challenging time But according to Jungian oriented psychotherapist Kathleen Brehony transformation at midlife offers unparalleled opportunities for a rich meaningful second half of life With special sections on recovering childhood dreams enriching creative expression learning to appreciate our physical selves heightening consciousness and more this guide is a wake up call for anyone who wants to reassess one's beliefs and find a path that leads to greater fulfillment happiness and passion for life's journey **Best Friends** Terri Apter, Ruthellen Josselson, 2010-02-10 *Best Friends* provides the missing link to understanding and recognizing the impact of some of the most important relationships in girls and women's lives Every woman remembers the sting of betrayal of a girlfriend and every parent of a daughter has seen her come home from school in tears because a girl she thought was her best friend suddenly and inexplicably became her enemy While boys hash out differences with fists and kicks girls' societies are marked by secrets and whispers and shifting affection The lessons learned as an adolescent girl are often carried into adulthood making women fear confrontation especially with other women But the intensity of the struggles reflects the support and healing to be found within these friendships Girls find themselves in the mirror of other girls hence the power each has to influence the other Ruthellen Josselson and Terri Apter's many years of working with hundreds of girls and women have given them insight into

the emotionally important relationships that are integral to a girl's self image *Best Friends* explores the bonds of friendship between girls and between women and the sorrows and joys they experience together from early adolescence and throughout their lives

The New Single Woman E. Kay Trimberger, 2006-10-15 Drawing on stories from diverse women who have been single for many years Trimberger explodes the idea that fulfillment comes only through coupling with a soulmate Instead she presents an exciting new identity for women in the twenty first century the new single woman a woman who is content with her single life These gripping personal accounts of how single women's lives evolve over time combined with Trimberger's incisive analysis blend to provide a much needed cultural roadmap for every single woman who is striving to create a satisfying and meaningful life Trimberger's all inclusive paradigm shifting notion is one that ultimately strengthens and enriches both single women and couples

If Not Now, When? Stephanie Marston, 2001-04-10 Midlife is a wake up call that requires we pay attention to where we stand in our lives It is a time of intense reevaluation Yet it is also a time of immense opportunity from which every woman can emerge a new person Now in one of the first books to address the spiritual emotional and psychological dimensions of the midlife transition acclaimed family therapist Stephanie Marston acts as a midwife to help women make it the extraordinary and transformative rite of passage it can be

Deats,Lagretta Lenker,1999-04-30 Viewing artistic works through the lens of both contemporary gerontological theory and postmodernist concepts the contributing scholars examine literary treatments cinematic depictions and artistic portraits of aging from Shakespeare to Hemingway from Horton Foote to Disney from Rembrandt to Alice Neale while also comparing the attitudes toward aging in Native American African American and Anglo American literature The examples demonstrate that long before gerontologists endorsed a Janus faced model of aging artists were celebrating the diversity of the elderly challenging the bio medical equation of senescence with inevitable senility Underlying all of this discussion is the firm conviction that cultural texts construct as well as encode the conventional perceptions of their society that literature the arts and the media not only mirror society s mores but can also help to create and enforce them **You Don't Really Know Me** Terri Apter,2015-05-27 Understand what your teenage daughter really means and learn to use your arguments to strengthen your bond with her Mothers and teenage daughters argue more than any other child parent pair on average every two and a half days These quarrels Terri Apter shows are attempts to negotiate changes in a relationship that is valued by both mothers and daughters A daughter often feels her mother doesn t know or understand her and by fighting hopes to force her mother into a new awareness of who she really is how she has changed and what she is now capable of doing and understanding But mothers often misinterpret their daughter s outbursts as signs of rejection and they may pull back feeling hurt and confused Through case studies and conversations between mothers and daughters Apter shows mothers how to interpret the meanings behind a daughter s angry words and how to emerge from arguments with a new closeness *Families in Society* McKie, Linda,Cunningham-Burley, Sarah,2005-09-21 The enduring and multi faceted significance of families in society and their value as a focus for the exploration of social change have ensured that families remain a prominent focus of academic enquiry This book proposes a new conceptual framework that both challenges and attempts to reconcile traditional and contemporary approaches **Margaret Atwood** Shannon Hengen,Ashley Thomson,2007-05-22 Authors Shannon Hengen and Ashley Thomson have assembled a reference guide that covers all of the works written by the acclaimed Canadian author Margaret Atwood since 1988 including her novels Cat s Eye The Robber Bride Alias Grace and the 2000 Booker Prize winner The Blind Assassin Rather than just including Atwood s books this guide includes all of Atwood s works including articles short stories letters and individual poetry Adaptations of Atwood s works are also included as are some of her more public quotations Secondary entries i e interviews scholarly resources and reviews are first sorted by type and then arranged alphabetically by author to allow greater ease of navigation The individual chapters are organized chronologically with each subdivided into seven categories Atwood s Works Adaptations Quotations Interviews Scholarly Resources Reviews of Atwood

s Works and Reviews of Adaptations of Atwood's Works The book also includes a chapter entitled Atwood on the Web as well as extensive author and subject indexes This new bibliography significantly enhances access to Atwood material a feature that will be welcomed by university public and school librarians Margaret Atwood A Reference Guide 1988 2005 will appeal not only to Atwood scholars but to students and fans of one of Canada's greatest writers

Midlife Crisis Susanne Schmidt, 2020-03-01 The phrase midlife crisis today conjures up images of male indulgence and irresponsibility an affluent middle aged man speeding off in a red sports car with a woman half his age but before it became a gendered cliché it gained traction as a feminist concept Journalist Gail Sheehy used the term to describe a midlife period when both men and women might reassess their choices and seek a change in life Sheehy's definition challenged the double standard of middle age where aging is advantageous to men and detrimental to women by viewing midlife as an opportunity rather than a crisis Widely popular in the United States and internationally the term was quickly appropriated by psychological and psychiatric experts and redefined as a male centered masculinist concept The first book length history of this controversial concept Susanne Schmidt's *Midlife Crisis* recounts the surprising origin story of the midlife debate and traces its movement from popular culture into academia Schmidt's engaging narrative telling of the feminist construction and ensuing antifeminist backlash of the midlife crisis illuminates a lost legacy of feminist thought shedding important new light on the history of gender and American social science in the 1970s and beyond

Difficult Mothers: Understanding and Overcoming Their Power Terri Apter, 2012-05-07 An essential work for readers seeking compassionate wise guidance about the powerful relationship between mothers and their sons and daughters Mother love is often seen as sacred but for many children the relationship is a painful struggle Using the newest research on human attachment and brain development Terri Apter an internationally acclaimed psychologist and writer unlocks the mysteries of this complicated bond She showcases the five different types of difficult mother the angry mother the controlling mother the narcissistic mother the envious mother and the emotionally neglectful mother and explains the patterns of behavior seen in each type Apter also explores the dilemma at the heart of a difficult relationship why a mother has such a powerful impact on us and why we continue to care about her responses long after we have outgrown our dependence She then shows how we can conduct an emotional audit on ourselves to overcome the power of the complex feelings a difficult mother inflicts In the end this book celebrates the great resilience of sons and daughters of difficult mothers as well as acknowledging their special challenges

The Empty Nest Celia Dodd, 2011-07-07 Newly updated *The Empty Nest* is an uplifting practical and inspiring guide to adjusting to life after your children leave home More than half a million parents confront the empty nest for the first time each year It is one of the most challenging phases of parenting often creating feelings of loss lack of purpose and crisis of identity which can lead to depression Yet it receives little recognition And contrary to popular opinion it doesn't only affect women who've put their careers on hold working mothers and fathers suffer too Equally it can be a period of liberation and discovery of new
