

The mission is quite unusual:  
your target is Shang Tsung.

He is the sorcerer, who controls the  
Mortal Kombat Tournament,  
which will be held in two weeks  
in his island fortress.

The circumstances of the murder  
do not concern you. However, you are free  
to kill him in any way. Anywhere.

Bring the evidence: his head. I will  
have to make sure that the sorcerer is dead.

The prepayment is in an envelope.  
And remember: no one must know of our deal.  
**DO NOT FAIL ME.**

Occasionally a tale comes along that has been lost in the mists of time Often the story starts out as just another mundane event in daily life until something else comes out from behind the shadows And when it does nobody can escape the fire storm that follows especially when the masked one demands so much of our attention Because in the end the consequences of his actions eventually consume all of those in its path William McBride was such a person in the early 14th century when

he came in contact with the Logan brothers of Lanark who were also known to the locals as the Gemini Knights These brothers were Templar Knights of the Scottish Order and they carried out a number dangerous exploits in their time And as William McBride found out in later life the times he spent with the brothers would eventually place him on a path that could have a profound impact on the City of Jerusalem at the end time To some this story may appear to be just another old wives tale worthy of a good read and then placed on the book shelve to gather dust from now on However to others the story of the Gemini Knights has more than just a ring of truth to it in some kind of old fashioned way Enough to engage the mind in more than a simple observation of the material that William McBride collected over his life time So if you have an inquisitive mind and want to gain a glimpse into the future the only question you have to ask yourself is Do I have the courage to read the book and judge for myself     Soldier King of Life Wo ZiDuiTianXiao,2020-09-08 Mercenary King Chen Qingyang returned to the city to protect his comrade s sister the goddess In the bustling city Chen Qingyang was like a fish in water carefree and at ease And to see how the previous generation s soldiers would use their iron fists and wits to build a business empire
